Board Discusses Reduction In Water Rates

The Editor's column

By S. R. PADDOCK

Palatine is going all-out in a centennial celebration. We know that residents of neighboring communities will be particularly interested in some of the "tid bits" that have been uncovered by those engaged in reaseach on the early days.

Early officers of the township were required to take an oath that they had not fought a duel or accepted a challange to fight a duel, the probable issue which might be death to either party.

Bradford Kent was supposedly dead from an infectious disease when his body was taken to a little shanty in a wheat field where he was laid out by 3 farmers. Some hours later when his brother went to see that no evil betided the corpse, he was astonished when the corpse raised and said, "Where is my wallet? It had $63.00 in it."

The brother sent for the 3 farmers who denied taking the money until it was suggested that they all be searched. The one who admitted his guilt said, "I supposed he was dead or I never would have taken his money. Here is $53 of it. The other $10 I spent." The corpse must have been satisfied because no further mention is made of him.

The first waterworks in Palatine had no pump. It was an artesian well from which water flowed in square wooden flumes to horse watering troughs and to public cisterns in the business district constructed for use in case of fire.

Mail for the early settlers was addressed Salt Creek, Precinct, Chicago. Three times a week a stage would go along Algonquin trail to Dundee leaving letters at taverns along the way.

The first national election for the Salt Creek precinct which included 5 or 6 towns was held in 1840 at which President Van Buren was defeated for re-election by William Harrison. Almost 100 votes were cast in the precinct.

Wolves roamed between the Des Plaines river on the east and Forest river on the west, destroying livestock and provisions. In 1839 the men in the district all joined in a great wolf hunt. The Commander-in-Chief of the group was Dr. Miner of Elk Grove. The hunters made a great circle and converged down Plum Grove where sharpshooters had been stationed on scaffolds to slay the animals.

All the roads in the township were named after owners of land. The first Plum Grove road dedicated in 1876 is now Hicks road.

Whenever a travelling fiddler arrived in an area, he was detained long enough to provide the music for a dance to which the young people traveled many miles, the invitation being carried to them by a man on horseback.

Fifty years ago many children were brought into this world by Mrs. Andrew Landman, a midwife, which was a highly respected profession. However, the day her granddaughter was born, she entrusted the case to a new doctor who had just begun his practice in Palatine, Carl Starck.

Forty years ago a farmer received 3 cents a quart for milk shipped into Chicago, but he paid to railroad 16c per 8 gal. can. Milk delivered to the creamery brought 2 cents a quart. Cows giving milk were allowed to run at large in the village of Palatine from 5 a.m. to 7 p.m. from May 15 to September 15, but only one cow per family was allowed to run loose.

The first street lights in Palatine, 12 in number, were made by Charles Taege of Arlington Heights, grandfather of Paul Teage. The lamplighter was paid 50 cents a night for trimming the wicks and extinguishing the lights.

A saw mill was erected in 1840 on Plum Grove road. A dam was built across Salt Creek to furnish the power.

When Dr. Keeler in 1855 was attending a lady who had lockjaw, he knocked out some of her teeth so he could give her medecine.

Elisha Pratt, first merchant, wrote the amounts his customers owed him upon beams overhead. When whitewashing obliterated the accounts, Uncle Elisha was not worried. He said, "I will just charge them to someone just as good."

The founder of Arlington Heights, Asa Dunton, originally staked a land claim in Palatine township.

The story of the Palatine-Lake Zurich & Wauconda railroad, financed by local citizens over 40 years ago, reads like a fable. Its demise was caused by the advent of automobiles and trucks.

The Centennial booklet which is now being printed, includes stories of 2 big railroad wrecks and fires. One of the 5 maps appearing in the book was originally prepared by the Indian agent for this area which shows the Indian villages, trails, mounds and signal hills.

The early burials were made in Cady's cemetery on Ela road and a burial plot in Plum Grove. In those days the interments were made in a row as they occurred, there being no family plots.

Moorehouse Barber Shop was where the young boys learned to smoke their first cigarettes.

Seventy years ago stores and sidewalks were raised 3 feet to get them out of the mud.

When telephone subscribers increased to 15 fifty years ago, they were requested to call by number, not name.

Complete plans for the centennial celebration will appear in next week's issue.

Increase Salaries of Village Employees $10 to $40 Month

Proposed water and sewer improvements and the salary schedule for village employees were the 2 main items at the adjourned meeting of Arlington Heights village board Tuesday night. The first meeting of the session began 3 weeks ago and it was finally concluded at 12:45 a.m. Wednesday.

Since one of the main campaign issues of the newly elected board members was the reduction of water rates they invited village engineers to attend the meeting Tuesday to discus the report on water supply softening and improvements which had been prepared at the request of the previous board.

Though no decision was reached at this time it was pointed out by several new board members that if the proposed water softening program were dropped they could see no reason why the rates could not be reduced substantially.

* * *

TRUSTEE Robert Bishop informed new members water extensions and improvements were not the only thing paid for out of the water fund, but sewer extensions and improvements could also be paid from the source. At present, said Bishop, the village is faced with the dredging of Weller creek, as well as the extension of relief sewers in the village, the cost of which has not been determined. Village engineers are preparing a report which will give the village an idea of just what has to be done in the way of sewer improvements and an estimate of how much it will cost.

The old board was aware of these necessary sewer improvements and stated at the time the water report was made they would take no action on it until they had an estimate on the cost of all sewer and water improvements needed at this time.

Bishop feared a reduction in water rates at this time would reduce the source of revenue necessary to retire general obligation bonds to pay for capital improvements that will have to be made, and thus endanger the possibility of selling the bonds.

The matter will be further discussed with the engineers and Trustees Forrest Davis and Bishop before any action is taken.

* * *

PAY RAISES varying from $10 to $40 a month for most village employees, including policemen, were approved by the board. However, no overtime will be forthcoming to most of the employees under the new pay schedule. The board felt the increase in salary compensated for any overtime which might have to be put in during an emergency period.

Salary of the village clerk, Carl Weinrich, was not approved at this time since his salary is forthcoming from two sources, as he serves as clerk and as water and sewer bill collector. According to the finance chairman the auditors have recommended that the job of water and sewer bill collector be handled separately from the clerk's job. If this were done it could mean reduction in salary for the clerk of approximately $1,200 a year. The matter will be discussed further before any action is taken.

* * *

THE BOARD approved the rental of 3 new police cars for Arlington Heights and the equipping of another village owned car with a police radio hookup to be used by the commissioner of public works William Luehring. It was felt a radio connection would enable the village to contact Luehring immediately in event he is needed at the village hall or an emergency arises.

A resolution was adopted objecting to the proposed rezoning of 772 acres in Palatine township, lying adjacent to Palatine and on the western limits of Arlington Heights, which has been requested by Midland Enterprises. They seek to have it rezoned from farming to residential.

The resolution states the village objects to the rezoning because of the drainage problem which would be created if the proposed 2,000 homes were built in the area. Copies of the resolution will be sent to each member of the county zoning board, which has the rezoning of the property under advisement at this time. Action was taken by Arlington Heights after a plea made last week by President Howard Olson of Palatine, who urged the village's support in objecting to the development.

Appointments of 30 special officers were approved by the board, as was the appointment of William F. Kessler to serve on the planning commission. He is replacing Elmer Crane, who resigned from the commission.

Art Teacher Sails June 18 For Study In France

An Arlington Heights art teacher sails June 18 for what she terms a "shoestring sabbatical" in Europe.

She is Mrs. Kay Campbell, since 1947 art teacher at Arlington Heights junior high school.

Her sabbatical leave is the first granted a teacher in school district 25, announced Ralph E. Clabaugh, superintendent.

MRS. KAY CAMPBELL

Mrs. Campbell will spend the summer studying French at the University of Dijon and painting in the heart of the Burgundy country. In the fall, she will enroll in a preparatory course at Montpelliere and then enter the Sorbonne in Paris to study French language and civilization.

She hopes to take some instruction at the Beaux Artes school in Paris also.

In addition to her studies, Mrs. Campbell plans to tour Italy and the Alps. During her 14 months in France, she will live with French families and speak French exclusively.

This is her third trip to Europe since 1945.

Before teaching in Arlington Heights, Mrs. Campbell was associated with the occupational therapy department of the army general hospital at Walla Wala, Wash., and she has also taught in Sioux Falls, S. D. She has a bachelor of art education degree from the Art Institute, Chicago.

Mrs. Campbell returns to her regular teaching duties in September, 1956.

Police Take 210 Patrol Boys To Ball Game Today As Tribute

The Arlington Heights police department will take 10 patrol boys from 8 public and parochial grade schools to Comiskey Park Thursday to see a baseball game between the White Sox and Boston Red Sox.

Each year the police sponsors this trip in recognition of the fine work these boys do in safeguarding children to and from school, regardless of weather. These boys protect some 3,000 elementary school children.

Never in the history of the patrol boy program, which started in the early thirties, has an accident occurred at a crossing guarded by a patrol boy.

The following organizations, businessmen, and individuals contributed money for the trip:

Arlington Heights Lions, $100; Arlington-Prospect Kiwanis club, $25; Chamber of Commerce, $25; Grigsby-Allison, $25; Cornell Wood Products, $20; Mr. Frieberger of Creamery Package, $15; and Judge William Neumann, $10.

Park Pool Opens June 11; Reveal Summer Program

Season tickets to the Arlington Heights swimming pool will be sold at the fieldhouse starting Monday, from 9 a.m. to noon and 2 p.m. to 5 p.m.

Issued to residents of the Park District only, the tickets are $12 for family, $7 for adults, $5 for children, and $2 for the wading pool. The family ticket includes use of the wading pool.

The pool will be opened June 11.

Hours are 1 p.m. to 5 p.m. and 6:30 p.m. to 9:30 p.m. The pool will be open daily, weather permitting. Daily admission will be $1 for adults and 50 cents for children.

* * *

WADING POOL hours will be Monday through Friday from 10 a.m. to 12 noon and 1 p.m. to 5 p.m. Weekend hours will be 1 p.m. to 5 p.m. with daily admission 25 cents.

Registration for swimming instruction will start June 6 with morning classes beginning June 20 from 9 a.m. to noon. Swimming instruction is available to all children living within Park District limits and is free with purchase of a season ticket. Ted Wissen, junior high school coach, is swimming director.

Male college students will be life guards for the summer.

Registration for playground activities will start June 6 with the program beginning June 20. A supervised program is planned under the direction of Russell Attis, high school track coach, at Recreation park and South school.

Zoning Commission Meets June 7; Will Hear Progress Report

The Arlington Heights zoning commission will meet Tuesday, June 7, at 8 p.m. in the village treasurer's office, 107 W. Davis st.

James N. Kelly Jr., 1010 N. Princeton ave., named by Mayor Abert W. Goedke to fill a vacancy caused by Charles Wilson's resignation, will preside as chairman.

A progress report will be made and plans for a necessary public hearing outlined. All holdover members were requested by Kelly to be present at the meeting.

Editor Paddock Attends Juvenile Delinquency Conference At City Hall

Stuart R. Paddock, editor of Paddock Publications, is one of more than 100 suburban leaders meeting today with Sheriff Joseph D. Lohman and Sen. Estes Kefauver to discuss problems of juvenile delinquincy in Cook county.

The session, called by the Sheriff's Advisory Council on Juvenile Delinquency, is in the Council Chambers of Chicago's city hall.

Paddock has been asked by Lohman to serve as chairman for one of the sessions.

Arlington Attracts New Doctor; Brings Total Practicing Here To 17

The continued growth of the Arlington Heights area, causing an increasing need for medical services, has resulted in a young navy veteran selecting this area for his medical career. Dr. Bernard J. Moore, his wife, Cynthia, and their 2 children, Judith Ann and Edward, are now settled in their home at 810 Lynden lane, and Dr. Moore will practice general medicine and surgery at 102 S. Dunton ave. He will be associated with Dr. Robert J. Muench.

DR. MOORE

Dr. Moore was born and raised on the west side of Chicago. After graduation from high school he joined the navy in 1944, and after 2 years in the Pacific was discharged in 1946. After attending the University of Illinois, Dr. Moore attended Marquette university, where he received his B. S. and M. D. degrees. He interned at Cook County hospital. He married Cynthia Wabiszewski of Milwaukee in 1951.

In commenting upon why he decided upon the Arlington Heights community for his medical career, Dr. Moore said: "The growth of this suburban area has been so rapid that the public services have not been able to meet its new challenge. This development will continue for many years, and I believe that Arlington Heights is one of the best and most advanced areas in this section of the country. Medical men are needed here, and I am grateful to be of service to the health of the people of this thriving community."

The arrival of Dr. Moore brings the total of medical doctors and surgeons practicing in Arlington Heights to 17.

Polio Victim Gets Mumps Too; Still In Lung, But Recovering

Barbara Jane Hammer, 8, of Elk Grove, who is ill with bulbar polio, is getting along nicely despite the fact she contracted mumps along with the polio.

Barbara, daughter of Mr. and Mrs. Fred Hammer, is still in an iron lung in Evanston hospital, but it is hoped she can be out of the lung within another week.

It was erroneously stated in last week's paper that her brother and sisters were given Salk vaccine as a preventative. They were given gamma globulin, as were Mr. and Mrs. Hammer. Mr. Hammer is building commissioner of Arlington Heights.

Sell Bonds, OK Plans For High School Addition

Two steps toward realization of the new addition to Arlington Heights high school were taken by the board of education at a meeting Tuesday evening. Bonds in the amount of $1,250,000 were sold to Glore Forgan and Co., Chicago, at a net interest rate of 2.1907 per cent, the lowest interest rate offered by 6 bidders.

Money realized by the sale which was authorized by the voters of the district last February will be used in the construction of 2 wings on the front of the present school, increasing its capacity from 1,500 to 2,500 students.

* * *

FINAL APPROVAL was also given by the board to drawings and specifications for the addition as prepared by the architectural firm of Nicol and Nicol. These will be submitted immediately to contractors for competitive bidding, the bids to be opened at a special meeting of the board on Wednesday, June 29, at 8 p.m. Assuming that one or more of such bids is satisfactory, contracts will be let immediately thereafter and construction will start as soon as possible. Plans call for a completion date no later than the opening of school in the fall of 1956. Contractors desiring to bid on the project or interested in further information should contact the board's architect on the project, Nicol and Nicol, 23 E. Jackson blvd., Chicago.

Completion of the 2 wings will enable the high school to return to normal operation after 1 year of double sessions starting next fall which will be necessitated by the heavy enrollment. By the following year, however, the need for additional space is anticipated, this need to be met according to recommendation of the citizens lay advisory committee with approval of the board by the construction of a second school building on Foundry rd. Plans for this building will probably be submitted to the voters later this year.

Faked Suicide, Arlington Man Held Grand Jury In Bad Check Passing

An Arlington Heights man who feigned suicide to avoid arrest on a bad check charge has been held to the grand jury for action.

He is John Schaefer, 27, of Rural Rt. 1, who admitted in Arlington Heights police court this week that he had passed bad checks which netted him nearly $800 cash.

His parents, Mr. and Mrs. John Schaefer Sr., turned over a $485 check to Judge Carl Behrens as partial restitution.

Charges against Mrs. Charlotte Schaefer were dropped.

The television repairman disappeared May 21 after leaving a "suicide' note on the bank of the Chicago river. He surrendered to Arlington Heights police several days after the river had been dragged for his body.

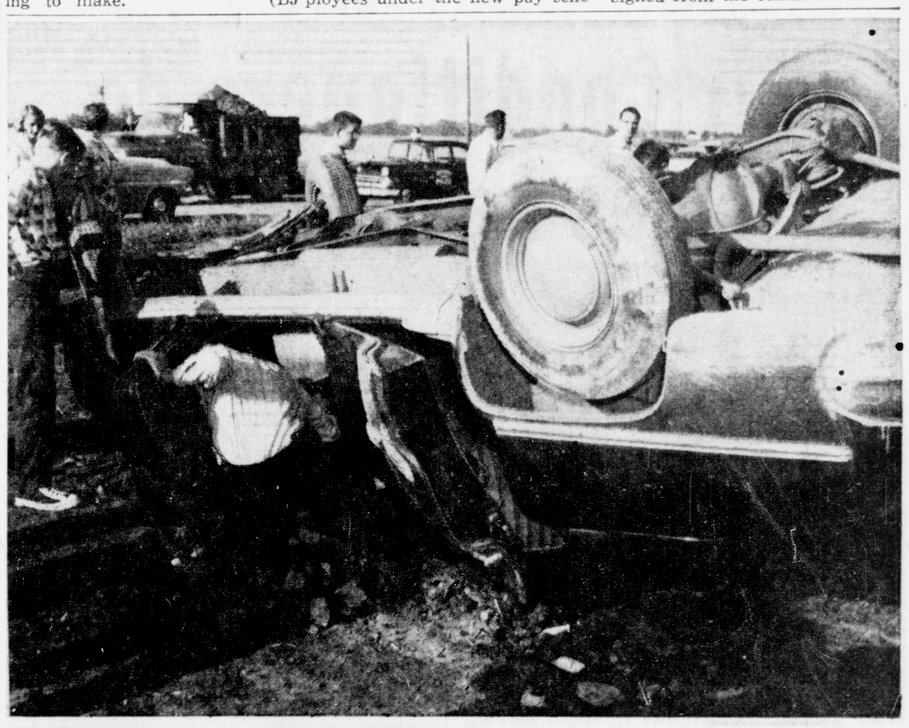
Officials Of 3 Towns Confer With Developer On Zoning Corrections

Harold Reskin of Midland Enterprises met members of Palatine village board, two Arlington Heights aldermen and officials of Rolling Meadows Thursday evening at the Oak street school, Palatine. Representatives of the two Palatine school boards were also present.

No definite agreement was reached. The three villages are expressly concerned over the drainage situation.

Palatine is asking for 70 ft. lot sizes and other concessions, including an industry area near Wilke and Palatine road.

Mr. Reskin has agreed to present in writing his detailed plans and alterations to them that he is willing to make. (B5



Three Arlington Heights teenagers escaped uninjured from this wreck after the car rolled 200 feet off the highway. The accident occurred at 6 p. m. Tuesday on Central rd. east of State rd., Arlington Heights. County sheriff's police said the auto rolled in 10 foot bounces from the pavement and across the field. The 3 youths are students at Arlington Heights high school.

Seven Towns Represented at Family Living Conference

Seven northwest suburbs were represented Tuesday at a conference on family counseling called by the PTA and held in Palatine.

It was generally agreed that there is a great need for counseling service aimed at improving family living.

Dr. Nathan Stoller, chairman of the conference, introduced William Bacon of the area deveopment division of the Welfare Council of Metropolitan Chicago. He outlined requirements for an effective organization for the northwest towns.

Bacon said joint planning and teamwork were pre-requisites. "This is not an overnight job," he cautioned, "and will take much time and effort."

"Maximum use should be made of agencies now in existence. Problems of youngsters should be understood while something can still be done about it," he said. "It is important to know what influence for good or bad in the various communities leads children into difficulty."

He said it is the teacher who can see the early indications that there is trouble at home, but she can only go so far. It is the local counseling officer who must then take over.

Towns represented at the conference were Park Ridge, Des Plaines, Mount Prospect, Prospect Heights, Arlington Heights, Palatine and Barrington. This is an area of 70,000 population without a family counseling organization.

Each community representative was asked to canvass local organizations, police, religious, leaders, physicians, and school officials about the need for a family agency in an effort to broaden the base for future participation in the program.

Arlington To Check Plan To Save Elms

Action taken in Mt. Prospect last week, plus numerous phone calls from local citizens, prompted Arlington Heights village board to authorize F. Robert Buechner, village manager, to check into the possibility of spraying elm trees to rid them of the European elm scale. The scale is an insect that sucks saps from branches and twigs and causes a sticky substance to drip from the trees.

Trustee Frederick Weber told the board that from information received by him he didn't believe the trees could be sprayed at $1 each, as reported by Mt. Prospect. He said it would take considerable spray to do the job properly and it would cost more like $4 to $5 a tree.

The manager will write to the University of Illinois for full particulars on the treatment of the disease and how much it would cost to treat the trees with an effective spray.

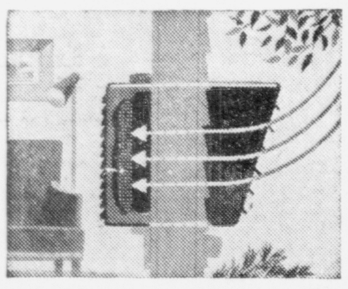
Look what the new Air Conditioners do besides keep you cool



This summer more than 100,000 Chicago and Northern Illinois families will enjoy the wonderful comforts of an air conditioner.

And, as our pictures show, the new 1955 room air conditioners do lots more than just keep you cool. Certain makes even feature heating as well as cooling. (To take the chill off the room on a frosty morning.) There are models available now for virtually every type window, including casements.

But don't wait until the make or model you want is hard to get. See your dealer now and own a new room air conditioner for a few dollars down and as little as $2.87 a week!

1 NEW FREEDOM FROM DIRT, DUST, POLLEN. The new air conditioners filter out dirt and soot from outside—remove up to 99% of the pollen—a real boon to allergy sufferers. Your home stays cleaner, healthier.

2 DRIES THE AIR AS IT COOLS. No more muggy discomfort *this* summer—*all* 1955 models remove the excess humidity that makes you feel sticky, miserable. You enjoy dry, cool air all summer long. →

3 KEEPS OUTSIDE NOISES OUTSIDE. That's one of the benefits of air conditioning you'll really appreciate. No traffic or street noises to awaken you—and, the new air conditioners barely whisper as they work. ↓

Eastwood Events

New officers and directors of the Eastwood Community association held a liaison meeting May 24 at the home of President Chuck Bennett. Each board member reported on a specific project previously assigned to him in an effort to acquaint the group with the association's activities in the past few years. The information and recommendations gathered at this meeting will be most valuable in lining up the coming year's program.

June 18 Dance

Do you enjoy dancing? Or perhaps you just like to sit with your neighbors and friends in a lovely atmosphere and hum along with the orchestra. Well, Johnny Lester's music will help to liven up your spirits no matter what your preference is. You can waltz, fox trot, polka, rhumba, tango, or just plain sit and listen and watch June 18 at the Itasca country club. Garth and Edwina Heisig are co-chairmen of the affair and ticket sales are headed by Lou Larson. On Lou's committee are Nina Hoym, Jack Anderson, Bill Kasper and Mary Johnson on Lincoln lane; Lorraine Gustafson, Beverly, south of Euclid; Del Barrick and Loretta Orgler, Beverly, north of Euclid; Bee Wallace, Dryden, north of Euclid; Lois Burrow, Dryden, south of Euclid; Ardell Karl, Brighton; Edwina Heisig and Betty Cockrell, Euclid. For other areas contact Lou Larson, CLearbrook 3-4559.

Two Eastwood residents narrowly escaped serious injuries last Thursday in an auto accident on Rand rd. during a storm. George Nuernberger and Ed Neas and two other business associates were badly shaken up and received bruises as a result of the collision.

Sympathy

At this time we wish to express sympathy to the George Brinke family of Lincoln lane on the death of Mr. Brinke's father, Frank J. Brinke, in Miami. Services were held in Arlington Heights.

Weekend visitors at the King Klopfenstein house were King's parents of Grabill, Ind.

It was a rather cool holiday the John Luke family enjoyed at Sturgeon Bay, Wis. However they kept themselves busy getting the summer cottages ready for family vacations this season and didn't seem to mind the weather.

Milt and Dottie Wingquist and children, John and Jane, drove to St. Paul to spend the weekend with relatives.

A Memorial day celebration at the Joe Schneller household was a birthday party for Joe attended by relatives.

Barbecue Hostess

Sunday Marie Scott was hostess to 15 school friends at a barbecue dinner party in celebration of her 12th birthday. The girls enjoyed such games as an egg throwing contest, watermelon eating contest, sack race, potato rolling race, and many others. Marie's guest list included Rose Marie Cimino, Pat Buckeridge, Susan Murphy, Phyllis Muran, Lynn Smith, Dianna Reed, Joanne Cavenaugh, Mary Lou Dunderdale, Angeline Orgler, Janice Rolfs, Dawne Anderson, Janice Weidner, Leah Rae Goedke, Francis Fredricks and Susan Pelkey.

Girl Scouts

Several Eastwood girls left the ranks of the brownies last Thursday and became members of girl scout troop 34. Investiture ceremonies were held at the home of Mrs. Grisell, 620 N. Highland, with mothers of the scouts as special guests. Those who received their wings and girl scout pins were Dawna-Dale Castor, Joanne Travis, Barbara Buschart, Peggy Kuhlman, Lynn Anderson, Marilyn Smith and Jennifer Snelton.

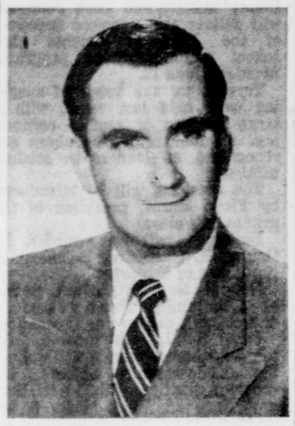
Rhodes Destroys 'Death Boxes' In Area

Rhode's Appliances, Prospect Heights, hauled away 8 old ice boxes and refrigerators this week in response to a public service advertisement in Paddock Publications.

The firm volunteered to pick up and destroy the old appliances at no obligation or charge in order to prevent any tragedies resulting from children becoming locked inside the boxes.

California Pastor To Speak Sunday At Evang. Free Church



REV. WAYNE I. WESSNER

The Rev. Wayne I. Wessner, pastor of the Bethany Baptist church, Whittier, Cal. will be guest speaker at the Arlington Heights Evangelical free church, 11 a.m. worship service Sunday.

Before coming to the Whittier church, whose congregation has tripled in the past year, Rev. Wessner held a pastorate in Burbank, and previously was minister of education at Hollywood First Baptist church.

Brother of K. T. Wessner, 38 S. Ridge, Arlington Heights, Rev. Wessner was graduated from Wheaton college and attended the Fuller Theological seminary in Pasadena, Cal., from which he received his bachelor of divinity degree in 1951. He has also done graduate study at the University of Southern California.

In addition to his pastorate, Rev. Wessner serves as secretary of the board of trustees of the California Baptist conference, and is chairman of summer camps for the state conference.

In his message at the Arlington Heights Evangelical Free church Sunday morning, to be held in the auditorium of North school, Rev. Wessner will speak on "Three Ways Men Follow Christ." (AMP

Book Review June 6

The Evening Book club of Arlington Heights will meet June 6 at 8 p. m. at the home of Mrs. Donald Thompson, 316 E. Euclid, Arlington Heights, with Mrs. C. M. Skillern as co-hostess. Mrs. E. J. Harris will review "Inside Nantucket," by Frank Gilbreth Jr.

Officers of the newly-formed Men of St. John, a community organization in Arlington Heights, were elected at the group's organizational meeting May 24. President of the group is William Kaiser Jr. Other officers are, left to right, Rev. J. Gerhard Meiners, counsellor; Ralph Potts, vice president; Clarence Schultz, treasurer and William Kaiser, president. Absent when the photo was taken was Henry O. Luebke, secretary. Though community-wide in nature, the new club is an auxiliary organization of St. John Evangelical and Reformed church, Arlington Heights.

Heights High School Teacher To Lecture At Colleges This Summer

Nelson Lowry, dean of the student body at Arlington Heights high school, and director of aviation education at National College of Education in Evanston, will lecture on several college campuses this summer, before returning to his regular duties next fall.

June 20 and 21 he will lecture on "Aviation, Science and Education" at the University of Louisville, Louisville, Ky. He will lecture on the same subjects June 23 and 24 at the University of Kentucky, Lexington, Ky. In both cases he will be one of a series of lecturers on education brought to the campus leaders in their field.

He will appear as a panelist on proper laboratory technique in the junior high school at the convention of the National Science Teachers association, at the University of Wisconsin, July 27-29.

At the National College of Education, he will teach the summer session course "The Curriculum in the Air-atomic Age." This will be his third year at the college summer session.

Evangelical Free Church Holds Mother-Daughter Banquet

Surrounded by bouquets of multicolored tulips, bridal wreath and a background of lavendar and green the second annual mother-daughter banquet of Arlington Heights Evangelical Free church was held May 17 at the Methodist church, and was attended by 161 guests. Mrs. Arley Bragg, wife of the pastor of the First Evangelical Free church of Chicago, the evening's speaker, chose as her subject, "A Mother's Walk" and admonished mothers to walk in the perfect way of the Lord Jesus Christ so their children might follow.

Mistress of ceremonies, a former missionary to Africa, Mrs. Will Norton, opened the program with a challenging tribute to mothers. Musical numbers were given by Misses Helen Mae and Ernestine Wray, harpist and violinist from Wheaton college and by Miss Florence Johnson, vocalist, of Chicago. Mrs. Elmer M. Hanson of Mt. Prospect served as chairman of the banquet committee.

Arlington Man Hits Woman Walking In Road After 'Spat'

A 44-year-old woman from Schiller Park died May 25 after she was struck by a car driven by William S. Garrett, 18, of 615 N. Hickory st., Arlington Heights.

The victim was Mrs. Eulalia Ostrand of 4623 Wesley terrace, Schiller Park, who was hit after she had quarreled with her husband and got out of his car to walk home.

Sherif's police found her lying on the pavement on Higgins rd. south of River rd. near Park Ridge.

Ostrand said his wife ordered him to stop the car after a "family spat," alighted and walked away in the dark roadway. Garrett, a surveyor, told police he did not see Mrs. Ostrand in time to stop. He was held on an involuntary manslaughter charge.

Mrs. Ostrand leaves her husband, 2 daughters and a son.

From The Police Blotter...

A 1954 Ford, reported stolen by C. W. Mills, 733 S. Mitchell, Arlington Heights, was recovered a few hours later abandoned in the 800 block on S. Chestnut. Mills told police the car was parked in his driveway when it was taken.

William Lenheim, 808 N. Patton, reported shrubbery stolen from his new home on the corner of St. James and Beverley.

R. A. Pinkley, 315 N. State rd., was just seconds too late to catch a culprit stealing hub caps from his 1950 Plymouth parked at the curb. He had just gone out to pull the car in the driveway when he heard a noise and saw a car pull away. Investigation revealed the missing hub caps.

More vandalism to new homes under construction was reported this week. Oscar Craig told police someone entered a home he was building at 21 S. Kaspar and painted spots on the walls.

Firemen were called to 1021 N. Yale ave., May 25. An oil burner had backfired and filled the house with smoke.

Police received reports of many broken branches and wires during the storm the night of May 27. High winds were blamed for setting off the burglar alarm at the Ben Franklin store during the storm.

Police reprimanded boys for shooting air rifles in the village limits following a complant by a resident.

Nursing School To Mark 75th Anniversary

Alumnae of the Illinois Training School for Nurses, the first school of nursing west of the Alleghenies, will celebrate the 75th anniversary of the founding of the school at 6:30 p.m. June 4 with a banquet at the Palmer House.

The first class was graduated in 1883, the school having been founded in 1880. The school became the Cook County Hospital School of Nursing in 1929 taking the name of the hospital where the training school was located. It continues to be a leader in nursing education sending graduates to positions of leadership in this country and abroad as it has done from the beginning.

The Alumnae association was organized in 1891 with 546 members now scattered throughout the country. The association maintains scholarships and a loan fund and has endowed a room at Presbyterian Hospital in Chicago's medical center for graduates of the school who become ill. (B8

Formally Organize Men Of St. John At May 24 Meeting

Men of St. John, a new community organization, was formally organized at a meeting at St. John church, N. Evergreen at St. James, Arlington Heights, Tuesday, May 24. Men in the group enjoyed the beef dinner served by ladies from the Womans guild, the women's auxiliary. Fellowship singing was led by music director August Stelling accompanied at the piano by Charles Duwe. Each man present was introduced. Pastor J. G. Meiners conducted a devotional concluding with the question asked in Acts by the early churchmen after Pentecost "Brethren, What Shall We Do?"

A discussion ensued among the laymen present and a motion was adopted and enthusiastically and unanimously approved that a men's organization be formed. Every man present indicated a desire to be a charter member.

Officers elected were William Kaiser Jr., president; Ralph Potts, vice president; Henry O. Luebke, recording secretary, and Clarence Schultz, treasurer. The rite of the installation of officers followed. Though community-wide in nature, the new club is an auxiliary organization of St. John Evangelical and Reformed church.

In addition to the officers and the pastor who will serve as counsellor, members of the executive board are the chairmen of the standing committees which have already begun to function. Heading these groups are ways and means, Clarence Scharringhausen; program, Carl Ewert; social, Ed Heuer; membership, Herman Kroencke; athletics, Ronald Diekman; youth and boys' work, Warren Rumatz, and denominational and interdenominational relationships, Gerhardt Wallies.

The next meeting will be June 29. Any resident interested in more information or affiliating with what promises to be an active service and fellowship group is urged to contact Herman Kroencke at CLearbrook 3-8223.

Famous Churchman To Speak Sunday

The numerous Evangelical and Reformed churches of this region, including St. John church in Arlington Heights, are awaiting the commencement of Elmhurst college on its campus in suburban Elmhurst Sunday, June 5, at 3 p.m.

Speaker will be Dr. H. Richard Niebuhr, Ph.D. of Yale university's divinity school.

A brother of Reinhold Niebuhr and member of an illustrious family, the Rev. Niebuhr, graduated from Elmhurst college and at one time served as president of the nearby institution. He also was one of the youngest men ever to teach at Eden theological seminary, St. Louis.

Author, lecturer, theologian, Dr. Niebuhr has been one of the shapers of the ministry of all the great Protestant denominations since attending Yale. He was prominent at last summer's World Council of Churches assembly at Evanston and currently is chairman of the study being made by the American Association of Theological Schools and financed by the Rockefeller brothers.

Of interest locally is the fact that 2 years ago Dr. Niebuhr preached at the ordination of an "adopted son" of St. John church, the Rev. Robert Starbuck, minister to students at Penn State college. The Rev. Starbuck is a son of Mr. and Mrs. Edwin Starbuck, 506 S. Evergreen, who moved to Arlington from Philadelphia

Sales Up Arlington, Palatine; Drop Wheeling, Mt. Prospect

Twelve north suburbs improved their standing as shopping centers compared to other villages in Cook county by as much as 17 places during March compared to the full year 1954, it was disclosed by sales tax collection figures issued by Richard J. Lyons, state director of revenue.

Northfield led the field with collections in March of $7,618, which made it 42nd among the county's suburbs in rank, compared to a rank of 59th for the year 1954 when it collected $45,791 and 58th for 1953, with $42,414.

Five places were gained by Palatine, with $15,228 in March, making it 26th, compared to $174,702 in 1954, when it was 28th.

Four places were gained by Morton Grove, with $11,863, making it 34th, compared to $134,855 in 1954, which made it 38th; and Niles, with $10,419 in March, which made it 37th, compared to 1954's $109,888, which was 41st.

Three ranks higher was Barrington, $12,483, 33rd, compared to $139,365, 36th.

One rank higher was Arlington Heights, $27,862, 19th, compared to $360,143, 20th in 1954.

Four big north suburbs maintained an approximate even rank; Evanston, first with $191,166 in March, $2,428,862 in 1954; Des Plaines, 8th in March with $51,814 and 7th in 1954 with $664,367; Skokie, 10th with $44,482 in March, $569,444 in 1954, and 12th with $503,249 in 1953; and Glenview, 21st with $23,578 in March, $285,029 in 1954, and 22nd with $268,672 in 1953.

Decreases in rank were registered in March by the following:

Mt. Prospect, $14,317 in March, 31st; $178,166 in 1954, 30th. Northbrook, $9,293 in March, 39th; $138,825 in 1954, 37th. Glencoe, $6,821 in March, 48th; $88,691 in 1954, 44th. Wheeling, $38,481 in March, 59th; $57,132 in 1954, 55th.

Here's a wacky cake, and I'm not being facetious! The name of this cake is Wacky, and it came by this title from some of its wacky ingredients and the wacky method of preparation.

Simple to make, this is a one-bowl chocolate cake, moist and light-textured. And it has a unique flavor, derived from some of its unusual ingredients. The cake is frosted while hot with a fudgie chocolate frosting.

The recipe is being shared with us by Mrs. Fred Hauth, who in turn received it from her sister, dietitian for Lake Zurich Country club. This cake is featured regularly on the club's menu.

Mrs. Hauth finds that Wacky cake makes a big hit with the menfolks, and her children, Pamela, 4½, and Denise, 2½, enjoy it, too.

The Hauths live at 512 N. Yale in Westgage, Arlington Heights. Mrs. Hauth is sergeant at arms of the American Legion auxiliary and is a member of the Faith Lutheran church's Ladies Aid society.

She also writes Westgate news for the Arlington Heights Herald.

Wacky Cake

1½ cups cake flour
1 cup sugar
3 tablespoons cocoa
1 teaspoon soda
½ teaspoon salt
1 tablespoon vinegar
1 teaspoon vanilla
6 tablespoons cooking oil
1 cup cold water

Sift flour, sugar, cocoa, soda and salt into a bowl. Punch three holes in mixture. Put in oil, vinegar and vanilla.

Cover with one cup water and stir well. Pour into ungreased 8 by 8 inch pan and bake 25 minutes at 350 degrees. Frost while hot.

This recipe can be doubled and baked in a 9 by 13 inch pan. The frosting recipe below will cover the larger cake.

Fudge Frosting

4 tablespoons melted butter
2 tablespoons milk
2 cups powdered sugar
1 teaspoon vanilla

Mix together and frost cake while hot.

Correction: In last week's recipe for chocolate pecan balls, the sugar was inadvertently omitted. The amount required for the recipe in 2/3 cup sugar.

Report On Ticket Sales For June 14 Riverview Ramble

Many teen-age and family groups in Arlington Heights are making plans to attend the United Charities benefit, the "Riverview Ramble," which will be held June 14 at Riverview Park.

The casual "slacks-and-sports-shirt" affair will be the second annual benefit for United Charities, a 98-year-old family service agency.

Mrs. Herbert E. Miles, 102 Brighton Place, ticket chairman in Arlington Heights, and Mrs. Ralph T. FitzSimons, co-chairman, 1230 Woodford drive, report ticket sales are going well in this area. They are working with members of the United Charities Women's auxiliary which is sponsoring the "Ramble."

Among the attractions at the benefit will be a picnic supper hour show, from 5 to 7 p.m., at which the well-known baseball stars, Leo "Lippy" Durocher and Willie Mays of the New York Giants and Hank Sauer of the Chicago Cubs will be present. They will autograph baseballs and meet the benefit patrons.

Nicky Francis, television's "Super Circus" clown, will entertain, with his trained dog, "Bobo." William Wood Prince's Scotch Kiltie band will play, as well as Willie Sorgatz's German band. A marine color guard in full dress uniform will present the colors, in observance of Flag Day.

At 7 p.m. the park's 38 rides and shows will open, continuing until midnight. Tickets to the benefit entitle the holder to the supper hour show, use of the picnic tables surrounding the bandshell, and unlimited admittance to all the park's turnstile operations.

"Ramble" tickets in Arlington Heights are available at Lohr's Pharmacy, Flaherty's Jewelers, the Beauty Bar, Parkway Liquors, and Arlington Heights township high school.

Junior Women Close Season With Annual Luncheon May 25

Members of Arlington Heights Junior Womans club met Wednesday evening, May 25 at Landl's restaurant for their annual club banquet and installation of new officers.

Mrs. Myron Hartley was installed president; Mrs. M. R. Bramwell, first vice president; Mrs. William A. Shay Jr., second vice president; Mrs. P. Neurenberg, recording secretary; Mrs. George Rezner, corresponding secretary, and Mrs. Arthur R. Leu, treasurer.

The club year showed a gain of 45 new members making the membership total 109. The club spent $1500 locally for philanthropic and civic projects. Outstanding donations were a $200 nursing scholarship presented a graduate of the high school; a $200 scholarship for teachers of exceptional children and a $250 donation to the braille classroom of Wheeling school. A vocal student from the high school also received a music scholarship to the Egyptian summer camp in Illinois. Other philanthropies to which the club contributed were the polio fund, olympic fund, boy Scouts, girl scouts, camp fire girls, Little League, public health nurse, migrant school, Mt. Prospect Lions park, Northwest Suburban YMCA, Travelers Aid, youth center, Mt. Prospect library, Arlington Heights library and the mosquito abatement council. Funds were also given to the many seventh district and federation philanthropies.

Club activities will resume again in the fall, starting with the annual membership tea. Those interested in joining the club should watch the Herald for the first announcement of the forthcoming tea.

Lady Elks To Meet June 6 In Des Plaines

Next regular meeting of Des Plaines Lady Elks will be held June 6 at the club house in Des Plaines. Initiation will be held and members will bring gifts for the Vaughn carnival to be held August 10. This is the last regular meeting of the season and members are urged to bring stamps, cologne, jewelry or any article that can be used by veterans or their families. Those unable to attend the meeting are asked to bring their articles to the Prairie Lee paint store. Hazel Bond is chairman.

The group will sponsor a home made bake sale June 11 at Prairie Lee paint store at 9 a. m. Daisy Coffman is in charge with Lu Bremer as her assistant. A Hawaiian dance is scheduled for July 9 at the Elks club and tickets are now on sale. Chairman is Eloise Figard and Benny Dougall and his Casino boys will provide music for the evening.

The organization held its rushing tea May 25 at the club with new and old members attending. Eleanor Raichert was chairman and co-chairman was Dottie Burchard. The committee was composed of Lu Colligon, Mildred Kirchhoff, Edla Branea and Winnie Hagey.

President Olive Mueller is recuperating at home after her recent operation. (AM

16 Chapters Represented At Arlington OES Meet

Sixteen chapters were represented on visiting worthy matrons and patrons night at Arlington Heights chapter OES May 26. Guests and members were greeted by Mrs. R. Louden and B. Davis who filled in for Al Roderick who was out of town. Worthy matron of the local chapter, Mrs. R. Louden, was surprised with a hanky shower by her members. The sunshine collection was donated to the youth progress committee.

The next sewing group will meet June 3 at the home of Mrs. Paul Hoffman. Members are urged to attend Garden City chapter June 21 when Mrs. R. Louden and A. Roderick will serve in the East.

The Past Matrons club will have dinner at the Swedish club June 16. Mrs. Herbert Olson will take reservations.

All members of the order are invited to attend advanced officers' night June 9. Mr. and Mrs. Q. Ford will serve in the east, Mr. and Mrs. B. Davis in the west and Mrs. O. W. Kelsey in the south. Miss Arlene P. Ford will be guest of honor. The Past Matrons club of the chapter is in charge of arrangements.

Barbara Leichsenring Repeats Concert Success Sunday Night

A "repeat performance" of an earlier success will be made Sunday by a young Mount Prospect soprano.

She is Barbara Leichsenring, 600 Albion, who was soloist recently with the Northwest Symphony. Her interpretation of Mendelssohn's "Hear Ye, Oh Israel" was so well received and requests so numerous for a repeat performance that she has included it in her repertoire for a recital Sunday at 7:30 p.m. in Bethel Lutheran church, 2101 N. Humboldt blvd., Chicago.

The recital, open to the general public, will include Willard Straight, pianist, and Fred Bremer, organist, both performing modern and classic works.

Miss Leichsenring, a graduate of Maine township high school, will also sing Mozart's "Alleluia" and Maurice Besly's dramatic "Sermon on the Mount."

She has studied with Irmgaard Vacano of the American Conservatory of Music and made appearances with the Roosevelt university choir and orchestra, the Chicago Sunday Evening club, Apollo club chorus, as well as radio, concert, and radio work.

For several years she was soprano soloist at St. Luke's Lutheran church, Park Ridge. At present she is doing special solo work for Ravenswood Methodist and North Shore Baptist churches. Her goal is German opera.

NW Symphony Orchestra To Hold Auditions New Concert Season

Perry E. Crafton, director of the Northwest Symphony Orchestra, announced this week that he will again have auditions for singers and vioinists early in the fall.

Those chosen by Mr. Crafton will appear as soloists on one of the programs to be given by the Northwest Symphony Orchestra next season.

"While the exact date of the auditions cannot be annouced at this time," said Mr. Crafton, "this early notice is being given so all contestants will have ample time to prepare their selections."

Skin Divers Abound In Muddy, Nearby Waters, Form Own Clubs

The skin diving enthusiasm has hit Illinois. Already there are several active clubs, particularly in the Chicago area, but even now downstate (the land of muddy waters), amateur skin divers are getting together, all with the same basic idea, protect and promote.

In case you are not familiar with the term "skin diving" or "mask swimming" or "frog men" and similar terms, it classifies those who have found the new underwater sport. Some merely put on a mask, hold their breath and paddle along the surface of clear water to see the aquatic life beneath. It is usually very surprising to the first timer to learn how much he can see with an underwater mask. It usually only takes one experience to make an enthusiast out of him or her.

* * *

OTHERS MAY GO to extreme depths with aqualungs and a wide variety of diving equipment. Most use rubber fins to propel themselves. Some just like to see the aquatic life on the bottom, many spear fish, dig shells, rescue motors or other water treasure.

Like many other activities, properly done, skin diving is a safe and thrilling sport. The careless one though will be sure to get into trouble. Deep diving without adequate instruction can cause serious physical harm, even death. It's a good omen, when skin diving enthusiasts get together to protect themselves and others.

* * *

IN FLORIDA and California where the sport of underwater spear fishing has gained numerous converts, there has been intense conflict with the conventional fishermen. Such conflicts can be avoided in Illinois by the adoption of proper rules of courtesy and this is the objective of several new diving clubs.

Although it is a bit difficult to believe that skin diving will spread very far in Illinois' usually murky waters, there are some clean, clear waters in every part of the state. It may be that conservationists will find new advocates of erosion control in this potentially large group of enthusiastic underwater divers. They will have to have clear water to enjoy their sport so must lend a hand in helping to clear up our streams and lakes.

About Your Health

Many people have trouble with their ears and hearing, but for some reason or other do nothing about it. Since hearing loss usually develops very gradually without pain, with no running of the ears in most instances, a person finds it hard to believe that his ears are going bad and is inclined to blame the change in hearing on something or someone else, the foundation committee of the Illinois state medical society observes.

Actually the ear is made up of three parts—first the external ear, called the auricle and external auditory canal that leads from the auricle into the skull and at the end of which is the drum membrane known as the tympanic membrane.

* * *

BEHIND TYMPANIC membrane is the second part of the ear, called the middle ear or tympanic cavity, which is air-containing, enabling the eardrum to move back and forth with vibrations of sounds. This part is connected to the outside world by means of the eustachian tube which runs from the middle ear to back of the nose. The middle ear contains 3 ear bones called the malleus or hammer, the incus or anvil and the stapes or stirrup.

Attached to each other in that order they allow sound vibrations to carry from the outside air from the eardrum through the middle ear and into the inner ear. The roof of the middle ear is the bony floor of the brain which is a very thin wall, about a tenth of an inch thick.

* * *

THE THIRD PART, or the inner ear, is encased in some of the hardest bone in the human body called the otic capsule and serves to protect the very delicate nerve endings and fluids located within it. The stapes or the stirrup fits into a small opening in this bony capsule which houses not only the nerve endings for hearing, but also contains specialized structures which control balance. These structures are called the semicircular canals.

As the sound vibrations are conducted through the drum membrane and ear bones the stirrup moves back and forth in the opening called the oval window. Thus the sound from outside of us is carried along into the highly specialized nerve endings and translated into the sounds we hear every day.

HEARING LOSS stems from many causes. Hearing loss also appears in many forms, any one of which may result from infections, disease or injury, individually or collectively. Many types of hearing loss can be remedied by medication. Others require surgical attention.

Some persons may not benefit by any medical or surgical procedure, but instead may be helped with other procedures which might include the use of a hearing aid. The proper decision as to which kind of treatment is to be utilized depends solely on an accurate and positive diagnosis.

Many people think they can be aided by vitamins, operations on the nose or tonsils or ear, but this is not usually the case. People should not be misled by wild-eyed advertising or high pressure salesmanship.

Illinois TAX FACTS

By George B. Mahin, *Executive Secretary Taxpayers' Federation of Illinois*

A $160,000 appropriation to permit the State Treasurer to duplicate a service already being performed by the attorney general was uncovered by the Taxpayers' Federation of Illinois and attacked as a waste of taxpayers' money.

S. B. 419, the appropriation for the treasurer, has already passed the senate and is on second reading in the house. The $160,000 "sleeper" was added by amendment in the senate.

At present the attorney general is charged with the responsibility of administering the inheritance tax law and, in downstate Illinois, he inventories safety deposit boxes upon the death of anyone who has access to them. No specific appropriation is granted to the attorney general to handle the inventory of safety deposit boxes downstate. At present, one assistant attorney general is engaged part-time in the supervision of the program and two clerical employees are involved, at a total cost of about $30,000 a biennium. The attorney general deputizes bank officials to open the safety deposit boxes for him and to make the inventories at no cost to the state.

In Cook county the inventory of safety deposit boxes is under the administration of the state treasurer. In Cook county, the treasurer maintains a staff to open the boxes and make the inspections.

As originally introduced, S. B. 419 carried an appropriation of $99,000 for this Cook county purpose and the usual wording, limiting the Treasurer's duties to Cook County. By amendment in the Senate, the appropriation was increased to $259,000 and the wording was changed to eliminate reference to Cook county, thus giving the treasurer authority in downstate Illinois.

The additional appropriation will allow the treasurer to add personnel in downstate counties, and duplicate the work already performed by the attorney general.

Gems Of Thought

SPEAKING AND LANGUAGE

A printed speech is like a dried flower: the substance, indeed, is there, but the color is faded and the perfume gone.

Paul Lorain

Human language can repeat only an infinitesimal part of what exists.

—Mary Baker Eddy

There is no question but that the use of slang, hackneyed phrases, and cliches worn smooth make for intellectual laziness, and if constantly used blur the sense of discrimination.....

—James Truslow Adams

If you don't say anything, you won't be called on to repeat it.

—Calvin Collidge

The soul of good expression is an unexpectedness, which, still, keeps to the mark of meaning, and does not betray truth.

—John Galsworthy

While the right to talk may be the beginning of freedom, the necessity of listening is what makes the right important.

—Walter Lippmann

Union Organizes All But 2 Morton Grove Filling Stations

Owners of 2 gas stations in Morton Grove declared last week they "would rather sell out than give in" to unionizers who have taken over 17 of 19 filling stations in that village.

The other stations signed contracts with Local 705, AFL Teamsters to avoid being picketed out of business. Station owners soon learned that no truck driver would cross the picket lines to deliver gasoline.

The employer-union agreement calls for a closed shop, a union wage scale, and permits the union to examine company books to ensure that the scale is being paid.

Lincolnwood service stations faced a similar problem with unions recently, and are reported to have all signed up after 24 hours of picketing.

Brownie Troop 242

Brownie troop 242 of Arlington Heights had a happy Saturday morning pulling dandelions and weeds in the yard of Mrs. Marion Bryngelson, post polio patient in Mt. Prospect. The brownies surprised her with flats and pots of flowers which they planted in her yard and window boxes. After their work was done the brownies sang their favorite songs for her.

Last week they enjoyed a nature study at Elk Grove. Each brownie made a charcoal drawing of her interpretation of spring in the woods.

At their next meeting members are looking forward to Donald Odbert's talk on how they can enjoy stamp collecting as a hobby.

Mrs. William Anderson and Mrs. Ray Erickson are their leaders.

Correction: In last week's scout news it was stated that Patricia Hall was in a color guard fly up in order to obtain her second class rank. Miss Hall received her second class rank several years ago. She volunteered to be in the color guard but was unable to take part because of illness at home. She has now earned the required number of proficiency badges necessary to become a first class scout.

Mrs. Raymond Woodruff Chosen President Of Our Saviour's Women

Mrs. Raymond B. Woodruff was elected president of the Women of the Church of Our Saviour's United Lutheran congregation, Arlington Heights, at an organizational meeting held May 26 at Dryden school. After discussion as to the kind of women's organizations would best suit the needs of the new mission congregation, it was decided to adopt the unified plan suggested by the United Lutheran church in America, and officers were chosen for the unified group.

Serving with Mrs. Woodruff for the remainder of the year will be Mrs. John Hines, vice president; Mrs. Keith Posselt, secretary, and Mrs. William Anderson, treasurer. A second meeting of the organization is schedued for June 21 at Dryden school.

Dicks May Dig Deep

Private eyes may come under public scrutiny in Des Plaines.

Mayor Kenneth Meyer suggested last week that the city give consideration to licensing private detectives. He said a $50 fee would be in line.

Complete Final Plans For Cooperative Vacation Bible School

Final plans were formulated last Friday night for the first cooperative vacation church school, which opens in Arlington Heights June 13. The school, which will be operated for 2 weeks, is for all children in kindergarten through eighth grade, and is sponsored by the First Methodist, First Presbyterian, Our Saviour Lutheran, and St. John Evangelical and Reformed churches.

It was decided at the Friday meeting by the participating churches to send the weekly offering to the migrant school in Des Plaines. Any materials not used will also be sent to the migrant school. This will given children attending the vacation church school an opportunity to help others less fortunate right in their own neighborhood.

Anyone who did not receive a registration card, but who would like to send their children to vacation church school, is asked to send a card with their child's name, age, grade (this year's grade) to Mrs. Jack Schuler, director, Vacation Church School, 815 N. Kennicott, Arlington Heights. Registration fee is 50 cents per pupil or $1 per family.

Mrs. Robert Higgins and Mrs. Henry Wilke of the Methodist church are co-superintendents of the primary department for the school; the Rev. Meiners of St. John will head the junior department, and the Rev. Hoog of Our Saviour church will direct the intermediate department with the assistance of Mrs. Charles Opela. (A

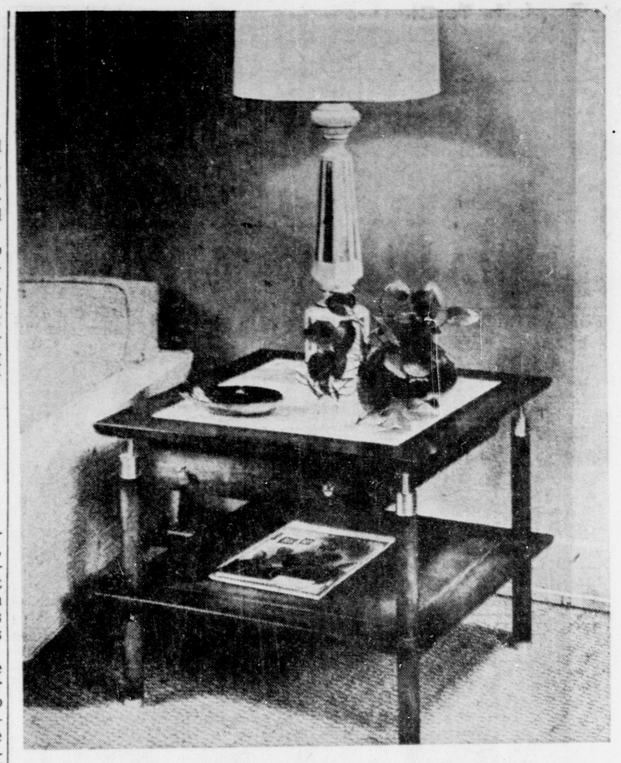
Presbyterian Junior Choir Gives Final Concert Wednesday

Junior choir of the First Presbyterian church, Arlington Heights, under the direction of Mrs. William J. Willy, gave a final concert and party last night in the church chapel. Following the concert, pins were presented to the 62 members of the group.

Perfect attendance awards were given to Judy Gustafson, daughter of the C. W. Gustafsons and to Linda Burke, daughter of the Roger J. Burkes. Receiving honorable mention awards for only one absence were Jessie Hill, daughter of the Edwin H. Hills and Betty Buck, daughter of the James M. Bucks.

Following the program light refreshments were served to the choir members and their guests in Fellowship hall. Chairman of the choir mothers' group responsible for the party was Mrs. Richard A. Haworth with committee members including the Mesdames D. Daniel Musser, Wilbert O. Olsen, Charles K. Bobinette and Joseph W. Peters.



Among the many new end tables are those large enough to hold not only the required lamp, but also magazines and knick knacks. This one is made with a leather top and boasts a drawer to keep playing cards and other items handy.

Elberta Luebke Weds Raymond Andresen

In a 5 p. m. ceremony Sunday, May 22, at St. John Evangelical and Reformed church, Arlington Heights, Miss Elberta Luebke, daughter of Mr. and Mrs. Henry J. Luebke, 926 S. Evergreen ave., Arlington Heights, became the bride of Raymond Andresen, son of Mr. and Mrs. H. Andresen of Cuba rd., Barrington. The Rev. J. Gerhard Meiners officiated at the double ring ceremony amid a background of lighted tapers, white gladioli, pale pink snapdragons and pink and white carnations.

"Ich Liebe Dich," "The Lord's Prayer" and "Bless This House" were sung by soloist Mr. Nielsen.

Escorted by her father, the bride wore a ballerina length gown of blush pink lace and nylon over satin fashioned with capped sleeves. She wore long lace mitts and a finger tip veil held in place with a crown of lace and seed pearls. White carnations, each centered with a tiny pink tea rose, made up her bridal bouquet.

The bride's sister-in-law, Mrs. Henry O. Luebke of Arlington Heights, served as her matron of honor and Miss Evelyn Moudry of Clarendon Hills, was bridesmaid. Both were dressed identically in plum colored silk shantung ballerina length gowns made with pleated bodices and full skirts. They wore pink lace hats and pink gloves and carried flower baskets of pale pink carnations and violets.

Four-year-old Cathy Luebke, niece of the bride, was flower girl wearing a short pink nylon dress and carrying the same flowers as the other attendants.

Elge Berg of Williams Bay, Wis., served as his nephew's best man and the bride's brother, Henry O. Luebke of Arlington Heights, was usher.

Forty relatives and friends attended the wedding dinner held at the Farman hotel in Lake Zurich at which the bride's mother received in a dress of pale blue lace and crepe with blue accessories and a white orchid. Mrs. Andresen wore an aquamarine crepe dress with matching accessories and a corsage of white sweet peas on her purse.

After a 3-week wedding trip in Florida, the bride and groom will be temporarily residing in a Cary apartment until completion of their new home in Palatine. The groom is employed in Barrington where he is associated with his father as a consulting engineer. The bride is employed at Parafin Carton Co., Chicago. —Community Camera

C. H. Mills Attend '1905' Reunion

Mr. and Mrs. C. H. Mills of Arlington Heights returned from Rensselaer, Ind., where they attended the reunion of the high school class of 1905 of which Mrs. Mills was a member.

On Friday evening members of the class were honor guests at the high school alumni banquet where federal judge W. Lynn Parkinson served as master of ceremonies, and U. S. representative Charles Halleck was principal speaker. Judge Parkinson is a nephew of Mrs. Mills, and Rep. Halleck a former pupil. Both are graduates of Rensselaer high school. A highlight of the evening was the receipt of a telegram from President Eisenhower expressing his interest in the affair.

Mrs. Mills remained in Rensselaer for several days to attend other social functions and visit with old friends.

Donna May Hayford Is Mrs. Robert C. Krull

—Photo by Robert

Miss Donna May Hayford, daughter of Mr. and Mrs. Ralph Hayford, S. Plum Grove rd. and Michigan ave., Palatine, and Robert C. Krull of Prospect Heights, son of Mr. and Mrs. Arthur Krull, 1695 Algonquin rd., Des Plaines, were married May 14. The wedding took place in Immanuel Evangelical Lutheran church of Palatine at 7:30 p. m.

Rev. Hilmar Th. Rosenberg officiated at the wedding and Paul Leimer, organist of the church, accompanied Mrs. Robert Petersen who sang "Because" and "The Lord's Prayer." The church was decorated with gladioli and carnations on the altar with palms as a background, with the pews trimmed with white ribbon and ferns.

Miss Hayford's gown was fashioned of white tulle over Skinner's satin, with panels of pleated tulle on each side and a chapel train. Her veil was of French imported illusion with headpiece of pleated tulle, trimmed with satin and pearls. She carried white glamellias and stephanotis. She was given in marriage by her father, Ralph Hayford.

Miss Ruth Hayford was maid of honor and her gown was of pale pink crystalette lined with pink taffetta, with bolero jacket. She carried a bouquet of pink painted daisies.

Bridesmaids were Mrs. Donald Buchner, the bride's sister, Mrs. William Thon, the groom's sister, Miss Marlene Wessel, Mrs. Robert Melton, sister of the bride, and Miss Leola Henning. Each bridesmaid was dressed in a shade darker pink, similar to the maid of honor's dress, with painted daisies to match their gowns. The flower girls were Karen Ann Krull, sister of the groom, and Debrah Melton, the bride's neice. They wore dresses of white crystalette lined with pink taffeta, with large bustle bows, and carried miniature colonial bouquets of painted daisies.

William Thon, brother-in-law of the groom, was best man and the ushers were Donald Buchner, James Hillesheim, Mateo Bello, Robert Melton and Roger Wessel.

The reception following the ceremony was at Fireman's hall, Palatine, with 300 guests attending. The bride and groom spent their honeymoon in the Ozark mountains at Lake of the Ozarks.

They are now at home with the bride's parents until their apartment in the Westerberg building, Palatine, is completed.

Wayside Officers Installed June 2

Our lady of the Wayside Catholic Womans club of Arlington Heights held it's third communion breakfast this morning, June 2, in the parish hall, after attending mass and receiving corporate communion at 9:30 a.m.

On this occasion, the retiring president, Mrs. Harry Hubbell, was cited for her many accomplishments during the past year. Mrs. Russell Gilmore was installed as the club's next president. Mrs. Walter Schroeder was installed as the new second vice-president and Mrs. Anthony Mann as the new club secretary. Mrs. James R. Howard and Mrs. Gale Lee Smith Jr., will continue as first vice-president and treasurer.

A musical program was provided by several talented members of the club under the direction of Mrs. Norbert J. Hruby. Those in her group were: Mrs. Charles McCormick; Mrs. Richard Drolet, Mrs. Howard Jack, Mrs. Robert Lonze, and Mrs. Jack Hosford, who is not a member.

As an added attraction on the program, Miss Alice Lagod, daughter of one of our members, was piano soloist. She is a piano student of Valdis Treimanis at the Arlington School of Music. Last Sunday, she made her television debut on the Morris B. Sachs amateur program.

Crowned 'Queen'

MISS NANCY EMIG

Miss Nancy Emig, sophomore at the University of Illinois, was crowned "queen" and presented with a dozen American Beauty roses May 7 at the Illini Union ballroom. The dance was given by the men's residence halls and Parade Ground Residents associations, men's university housing units of approximately 16,000 men.

Dean and Mrs. Calvin Sifford and the chaperones, Mr. and Mrs. Richard Godfrey, were judges of the 5 finalists. Miss Emig was graduated from Arlington Heights township high school in 1952 and is the daughter of Mr. and Mrs. Fred Emig, 1019 N. Highland ave.

Geri Jesski Becomes Mrs. Richard Hoffman

Miss Geri Jesski, daughter of Mr. and Mrs. Anthony Jesski of Newport ave., Chicago, became the bride of Richard Hoffman, son of Mr. and Mrs. Adam Hoffman, 116 S. Dunton, Arlington Heights, May 1 in St. Peter church, Arlington Heights. The Rev. Luther Stephan officiated at the 3:30 p.m. double ring ceremony.

Ernest Robb, soloist, sang "Because" and "The Lord's Prayer," accompanied by the organist, Mr. Kolb. A flowered arch and altar and floor arrangements of assorted flowers and palms decorated the church.

The bride entered the church with her father and wore a gown with chantilly lace bodice with mandarin collar studded with rhinestones and sequins, lace sleeves and a skirt of lace over 3 rows of pleated tulle and satin ending in a 2-yard train. Her headpiece was of lace with sequins and rhinestones with a full illusion veil. Two white orchids with stephanotis streamers made up her bridal bouquet.

Miss Toni Capasso served as maid of honor wearing a pink nylon chiffon gown with cumberbund and lace trim. Her headpiece was a tiara of chenille flowers with attached veil and she carried blue-tinted carnations with pink ribbon. Miss Jeanette Hoffman, sister of the groom, was bridesmaid and the groom's younger sister, Darlene, was junior bridesmaid. They wore blue nylon chiffon gowns with cumberbunds with alencon lace trim and full skirts. Their headpieces were also of chenille flowers with attached veils and they carried pink-tinted carnations with blue ribbon.

Ronald Tossman was best man to the groom and ushers were Pete Bankhert and Chuck Bencic.

For her daughter's wedding, Mrs. Jesski wore a pale blue silk dress, blue accessories and a white orchid corsage. The groom's mother was in navy blue taffeta with white accessories and a white orchid corsage.

A reception and dinner was held at Central Park hall, Chicago, after which Mr. Hoffman took his bride to Miami Beach for a 2-week honeymoon. The bride is a graduate of Foreman high school in Chicago and is employed by Illinois Bell Telephone company. The groom, a graduate of Arlington Heights township high school is associated with Tri R Signs in Des Plaines. (Finer Candid Photo

Many Thanks

Gratitude is expressed for service rendered by the officers and committees of the Women's auxiliary of Prospect Meadows: Jean Seeber, president, Arlette Klein, vice president, Eve Ulan, treasurer, Doralee Morales, secretary, Evelyn Daniels, refreshments, Marilyn Peregrine, chairman of the block captains, and the block captains who worked with her. Their contributions and efforts successfully presented many interesting programs to Prospect Meadows neighbors during thei. term.

New officers for the next year are president, Joyce Ruther; vice president, Kay Wilson; recording secretary, Ginny Richardson; treasurer, Pat Wrath; corresponding secretary, Millie Webber; refrershment co-chairmen, Marilyn Kereszturi and Marie Robotkay.

Welcoming Committee

Arlette Klein, Ann Incinilli and Ethel Larson compose the new welcoming committee for the Meadows.

Ruby Polly was elected chairman of the block captains, and her co-workers for the next term will include Oakley De Berge (Rand rd.), Maxine Myslinski, Lisa Wells, Kay Sepke, Jean Kamps (Bob-O-Link), Lynn Nye (Bunting lane), Kay Bischoff (Albion), Violet Toner and Marilyn MacLean (Oriole), Fern Waldron and Jane Harland (Larkdale) and Larry Brazeau and Iline McNaughton (Foundry rd.).

A week ago Wednesday, Judy LeBrun celebrated her third birthday with the help of her neighborhood pals, Nancy and Susan Hoglund, Linda Kunz, Connie and Jimmy Orlowsky, Dennis Kamps and Connie and Paul Stanke. The children had the traditional cake and Judy enjoyed more partying with ice cream. The following Friday Judy enjoyed more partying with the help of her grandparents, Mr. and Mrs. Charles LeBrun, her great-great aunt, Miss Lena Kleinschmidt, her uncle, George Lindsay, and her brother and sister, Ritchie and Gail.

A combined birthday was celebrated last Wednesday for Pat and Tommy Holleran, with their friends, Peter and Scott Ardinger, Evan Potratz, Dennis McNaughton, Rose Ann Robotkay and Linda Geraci from the Meadows and Georgie and Sue Ann Herbert of Virginia Terrace. They enjoyed cakes and ice cream cones, with favors and games. Saturday evening they were honored by their grandparents, Mr. and Mrs. John T. Hoellran, aunt and uncle Robert Holleran, aunt and uncle Stan Krawczyk from Chicago and their great-aunt and uncle Elwood Froyd, with a buffet supper.

Dottie Ann Daniels celebrated her birthday Saturday with school and neighborhood playmates. Those attending the party were Carla Cole, Virginia Johnson, Laura Griffith, Marie and Janie Rutkowski, Lynn Radosti, Pamela Sage, Susan Finch, Betty Jean Swanson, Dawn Hearle, Heide and Joan Halabrin, Marilyn Borne and Linda Pollitz. They enjoyed cake, ice cream and games.

Brownie scouts held their picnic in Deer Grove Tuesday It also was their last meeting until September. The girls were the guidance of their leader, Mrs. Lois Revees.

Intermediate scouts met Thursday evening at Mrs. John Harlund's home. Each girl brought materia' to make individual puppets, and most of them have a good start. They are planning a program for sometime in June.

Bert and Joyce Ruther attended the wedding of Shirley Peet, daughter of Mr. and Mrs. Robert Peet of Elmhurst. The reception was held at the American Legion hall in Berwyn.

Friday evening Kenny Johnson, Dickie Long and Keith Ballard went to Pal Wig-Wam boys club. Later they enjoyed a wiener roast and a baseball game at the forest preserves. A good time was had by all.

Diane Klein, who is in the third grade at North school, enjoyed a day at Brookfield zoo with her classmates.

The kindergarten registration last Monday brought a list of the Meadows children to North school to see the rooms they are to occupy. Timmy Wrath, Susan Klein, Billy Toner, Bobby Rutkowski, Jimmy Creamer, Ricky Jenkins, Janice Wehrheim, Andrea Nye, Kathy Holeran, Gary Hehman, Joanne Richardson, Barbara Hemeseth and Linda Battaglia were among the children.

Bill and Delores Ardinger spent Memorial day on a picnic with their 2 children, Scott and Peter.

Barbara and John Sell enjoyed an evening dining and dancing at the Itasca country club last Saturday evening.

Rosemary Finch had a luncheon recently for Mrs. Beland from Montello, Wis., mother of Mrs. Gloria Pauly and grandmother of Mrs. Pauly's daughter, Janice, both of whom reside in Arlington Heights.

Mrs. Pearl Jost, who is Ruby Polly's mother, entertained at lunch at Ruby's home last Wednesday and spent the night and part of the following day with her daughter and son-in-law.

Last Saturday night was the last night for square dancing at Mt. Prospect village hall for the season. It will resume again sometime in September.

Mr. and Mrs. Harry Wells from Chicago were overnigh. guests of Mr. and Mrs. Gail Webber. The Webbers took their guests on a tour through Hager Pottery in Dundee and thrilled them with the many items on dispay.

George Hehman is manager of the Prospect Heights Pony League for the 13 and 14 year olds. Anyone interested in joining this team may call Mr. Hehman at Clearbrook 5-0936.

The park in the Meadows was in top condition for baseball last Saturday and the credit goes to Ronnie and Larry Richardson for working on and cutting the lawn. Thanks boys for a big job, well done!

Mr. and Mrs. Hans Christensen, mother and father of Ruth Larson, stopped Tuesday on their way back from New York, after attending a wedding Wednesday.

Ruth, and her sister from Des Paines, planned a wedding dinner for her brother and his bride. Ken Larson was out of town at the time but returned in time to celebrate a wedding anniversary with Ruth's sister and husband, Mr. and Mrs. Harry Miller and their 3 children, Carl, Lynn, and Nancy.

Mr. and Mrs. Arthur Sepke had the Arlington Heights Red Wing baseball team with their wives and children, in for hamburger buffet Sunday afternoon.

Joyce Ruther would like to thank everyone who called in news while she was writing the column. Because of her recent election as president of the Women's auxiliary, she has decided to resign the post in order to devote more time to her duties in that capacity, as well as chairman of the summer fair. Joyce did such a wonderful job in reporting the news, that it will take 4 girls to replace her, Lorrie Brazeau, Lee Wells, Fern Holleran and Ann Incinelli. Each girl will report the news on successive weeks, and will be grateful for the cooperation of all members of our community. You may phone your news items to the number at the head of this column. The non de plume is a combination of the given names of the 4 reporters, and the credit for this week's column goes to Lorrie Brazeau.

Cub scouts cancelled their picnic last week because of rain, although they planned on marching in the Memorial day parade in Arlington Heights.

Joyce and Skeets Hoglund attended the wedding of Mr. and Mrs. Paul Schieler in Forest Park last Friday evening.

About Cars, Dogs and Children

With the advent of the summer season, the problem of cars, dogs an dchildren must be approached with the cooperation of all. Consequences of individual carelessness cannot compensate for tragic consequences. Drive Carefully, Chain Your Dog, Train Your Children. Coordinated efforts spell safety.

Graduation June 10

Graduation exercises at Elk Grove school will be held Friday June 10 at 8 p.m. Rev. Herbert Coston, associate minister of the Wesley Foundation of Northwestern university will give the invocation and Mr. Slichenmyer, superintendent of Arlington Heights high school will give the graduation address. Admission will be by ticket only as space is limited. The seventh grade mothers will furnish cake and serve refreshments, and Mothers' club, as in the past, will provide a cake. Friday, June 10, parents will be asked to send flowers and greenery for decorating the stage.

4-H News

A dance will be held June 18 at the Elk Grove school sponsored by the Future Homes 4-H club. A six piece combo will play for square and social dancing. Tickets may be purchased from the girls, and also will be sold at the door. Admission is $1.25 for couples, and .75 cents for stags. Everyone is welcome to attend the dance, which will feature talent from the Future Homes 4-H club. At the regular meeting of the club May 23, held at Judy Kessler's home, demonstrations were given by 4 girls: Judy Kessler, gingerbread; Betty Malanik, whole egg cake; Sherry DePalma, seam finishes; and Susan Horbus, kinds of fabric. Plans for the 4-H talent dance were discussed and some of the girls showed how their talent acts were progressing. To close the meeting, the girls sang songs and had refreshments of gingerbread topped with whipped cream, cookies, milk and soda pop. The next meeting will be held June 6 at the home of Sherry DePalma.

T.N.T. 4-H club met at Charlotte Popp's home May 26. The skit for "Share the Fun" at Arlington Heights field house June 18, was presented for the club by Sally Wichman, Connie Palarz, Deidre Fischer, Carol Loeding, Karen Fischer and Janet. Charlotte Popp played the piano accompaniment for the melodrama, which has a setting before 1900. Judy Wille, Kay Mahler, and Carol Loeding gave demonstrations on flower arranging. The girls had a discussion of safety. After the meeting cake was served.

Scout News

Cub scout pack meeting, at which the "Circus theme" was to be presented, scheduled for last Thursday night was postponed on account of rain. The scouts marched in the Decoration day parade in Mt. Prospect.

Girl Scouts met May 25 and after a short business meeting Mrs. Anderson told the girls about the history of girl scouting, the color guard and the flag ceremony. Hostesses were Noreen Dalton, who served cookies she had made, and Barbara Denman, who furnished Kool aid. The girls made plans for a picnic for their last meeting June 1.

Brownies held their next to the last meeting for this year May 25; membership is now 22. After roll call and dues, each girl told something she had done to help at home. Mrs. Petersen read the brownie story; then the girls planned a picnic for their last meeting June 1, to which their mothers are invited. Cookies were served by hostess Sarah Carter, and the girl scouts treated the brownies to Kool aid. The meeting closed after the girls played games and cleaned up the room. Barbara Petersen assisted with the games.

Attend Training Course

Elk Grove mothers who attended the five day training course at the girl scout house in Des Plaines, conducted by Mrs. Lillie Mae Osburn, executive director of the girl scout council of Northwest Cook county, were Mrs. Anderson, Mrs. Nelson, Mrs. Petersen, and Mrs. Carter. This course was conducted for leaders, assistant leaders and troop committee members. Mrs. Osburn spoke on scouting at the March Mothers' club meeting, at which time Elk Grove school and mothers became interested in organizing brownie and girl scout troops.

The history and purpose of scouting, and the mechanics of starting and maintaining a troop were explained at the training course. The purpose of girl scouting is to help each girl become a happy resourceful person herself, a responsible member of her group, and grow up being a useful citizen.

Brownies, the youngest members of the girl scout organization, are from 7 years old, or in the second grade at school, through 9 years old, or in the fourth grade. Her first steps are in learning how to play with other girls, doing her share in the troop to the best of her ability, and in making her brownie promise. This is accomplished by carrying out projects rather than badges in the 11 program fields.

The 10 to 14 year old girl scout, who is either in grades 5, 6, 7 or 8, belongs to a troop that uses the intermediate program. The activities are arranged in the form of ranks and badges that provide progression and stimulation for this age girl, and grouped in 11 program fields. The leaders help the girls to have a good time, to learn new things and have new adventures, to live up as best they can to ideals expressed in the promise and laws, and help the girls take responsibility for the troop's affairs. Troop committees of from 3 to 5 members aid and supplement the leader in her work with the troop.

The training class of 23 women was conducted as a troop using the patrol system, a representative form of government. We divided into 4 patrols and elected patrol leaders who met with the "troop" leader, Mrs. Osburn, to bring suggestions from each patrol. After playing games and singing songs we soon felt very much a part of the "troop."

A cookout May 17 climaxed the course, where we had a chance to apply the knowledge we had learned about fire making, etc. For the cookout each patrol made a "Kaper chart," a detailed plan listing menu, names, duties, and supplies. Our patrol prepared barbecued hamburger with tomatoes and onion, carrot sticks, brownie delight and coffee.

We drew lots for the duties of wood collector, fire builder, cook, hostess, clean-up and fire extinguisher. After lunch the whole group met and evaluated cookouts. Some of the women are planning future cookouts even though the course is over, which shows that besides learning the rudiments of scouting and making new friends we thoroughly enjoyed our 5 days in the woods.

Virginia Terrace News

It is a small world when neighbors travel 20 miles to meet one another. Carolyn Burra, 1223 N. Wilke, and Betty Sorensen, 1406 Chicago ave., did meet at Sherman hospital and both had boys on the same day. Another similarity is that Robert Burra and Jack Sorensen work for Standard Oil and both the new baby boys have sisters named Nancy.

Robert Burra Jr. was born May 18. Richard Sorensen was also born May 18.

Another new arrival is Kris Ann Anderson. She was born May 19 at Memorial hospital, Elmhurst, and is the daughter of Joyce and Robert B. Anderson, 1234 N. Yale.

Mary and Bub Klint, 1504 W. Clarendon, and their 2 girls, Patty and Kathy, took a trip to Kirkwood, Mo., a suburb of St. Louis, over the weekend.

Jo and Bob Hult, 1108 N. Race, and their children, Jane and Jack, spent Memorial day at Mrs. A. J. Hults in Park Ridge on a picnic.

While John Geer, 1515 Clarendon, travelled to Memphis over the weekend to be a memebr of a wedding party, Mary Ann entertained Carolyn Matson and Joan Ludwig of Western Springs.

Doris and Arnold Silver, 1247 Chicago ave., entertained Mr. and Mrs. J. A. Lobred and their 2 children, Roslyn and Kathy, of Louisville, Ky., over the weekend. Mrs. Bernie Wolfe, Mrs. Silver's mother, returned to Louisville with the family.

Dorothy Erickson, 1310 Illinois, had a jewelry party last Friday night. Dorothy Newberg of Lombard was the demonstrator. Guests were Marion Neilsen, Avis Erickson, Eileen Chapin, Valerie Dawson, Adele Yore of Virginia Terrace and Dorothy Dowbeck of Arlington Heights.

Scott Nielsen celebrated his third birthday last Sunday with a family party.

Dorothy Murray, 1443 Wilke, attended the St. James Mothers' guild luncheon at the Itasca Country club last Thursday. She is the recording secretary of the guild and anyone wishing information concerning the Mothers' guild may call Mrs. Murray at CLearbrook 3-8143.

Brownies of troop 355 marched in the Memorial day parade. The troop is having a father and daughter picnic June 8, at 7 p.m., at Deer Grove.

Wedgewood Terrace

Thanks For Support

One again the Wedgewood Terrace association held its spring frolic dance. Because of the huge turnout, they know that the dance was a genuine success. Thanks go to everyone who participated.

Proceeds from the dance have gone toward the purchase of professional park and playground equipment. The swing set with teeter-totters and the 15'x15' sand box is all ready for the youngsters. The association is now planning for a softball diamond.

Thursday, June 2, is the regular monthly meeting of the association at Sobies.

Mr. and Mrs. W. O. Davis took a flying trip—by plane and to stay only a few days—from Maysville, Ky. They visited their daughter and family, the Bruce Corbetts, and left for home again Sunday.

Mr. Thomas Merritt's father, Owen L. Jenkins, recently spent a week in Wedgewood with the Merritts. He helped plant the flowers in the back yard.

It was ninth birthday time for Marylee Bengson last Saturday afternoon. There were 12 girls, including Marylee, who were present from Des Plaines for the party. Ann Adams, Elaine Adams, Patti Chapman, Vivian Dobbelaere, Nancy Regan, Marilyn Jenks, Joan Mundt, Bonnie Ann Odden, Marianne Regan, Marilyn Schreiber and Pat Zinnis were Marylee's guests. Carrying beans, putting clothespins into a bottle and blowing up balloons were old favorites that were fun for everyone.

The Arthur Cisewskis spent the weekend in Tremprealeau, Wis., visiting with Mrs. W. E. Sparling.

Enters Nurses Training

Patricia Krause has been accepted by Mt. Sinai hospital, Chicago, and will begin nurses training in the fall.

Mr. and Mrs. Ernest Brezinski, Mary Frances and Mike drove to Milwaukee Sunday, May 22, to visit relatives.

Happy birthday to Sandra Depalma, who will be 5 years old June 7.

It was a busy week for the Jack Suarez family. Wednesday they drove to Chicago for dinner with friends at Jack Diamond's steak house and attended a show. Thursday Mrs. Suarez entertained her mother and a group of her mother's friends at luncheon.

4-H Talent Show

The Future Homes 4-H club girls are busy preparing for the talent show which they will present June 18 in Elk Grove school auditorium. They plan a variety of acts and there will be social and square dancing after the program. Tickets are available from any club member or may be purchased at the door.

Donald Schroeder escorted Lois Von Bergen to the junior prom at Medinah Country club. Mr. and Mrs. John Kappa also stopped in at the dance for a short while. Mr. Kappa was recently elected to membership on the Arlington Heights high school board.

Chris Schroeder, Crystal Lake, spent last weekend visiting the John Schroeder family.

Birthday Surprise

Mrs. Delbert Blakeley was surprised when her 2 sisters and some friends dropped in to wish her a happy birthday Saturday afternoon.

Last week's bad storms were hard on newly planted trees and bushes but the only major casualty was a large tree in the yard of the William Noelle's, which was blown down across Biesterfeld rd.

'Biting Dogs Must Be Under Vet's Care 14 Days,' Says Sheriff

Sheriff's police have been advised that any dog or other animal that bites a person must be impounded for a period of 14 days.

Sheriff Joseph D. Lohman has ordered his men to see that the owner surrenders his animal within 24 hours of the bite to a public pound or to a licensed veterinarian for impounding.

If the animal is found to be rabid, it will be immediately destroyed. Sheriff's police will advise the bite victim to obtain treatment from his family doctor or the county health department.

If the animal is found to be not rabid, it will be released to the owner, but only after it has been inoculated with anti-rabies vaccine by a licensed veterinarian.

All actions taken by sheriff's police in regard to dog bites will be reported to the county health department.

Sheriff's Police Chief Thomas Brennan said he has issued the orders on this matter "to make sure that there is not a recurrence of the rabid dog problem that faced Cook County last year."

Mother Electrocuted In Bath Tub Tragedy

A Libertyville mother, 48, was found dead in a water-filled bath tub last week, her hand clutching a sun lamp which was plugged in and turned on and which had fallen into the water.

The victim was Mrs. Helene C. Newton, who was found by her husband, Courtland. He disconnected the sun lamp and carried his wife into their bedroom, where she was pronounced dead by a Libertyville physician after unsuccessful attempts at resuscitation.

She leaves two sons.

HELENE BRISTOL, Editor *2104 South Street* *CLearbrook 3-8125*

Community Church News

Wouldn't you be proud of your home next spring if it were set off by masses of tulips, crocuses, hyacinths and narcissus? The Women's association of the Community church is anxious to help you achieve that very effect. This week, from June 2 to June 9, the women will canvass the entire community in an effort to sell flower bulbs for delivery next fall. The bulbs are an excellent value, ranging in price from $1.20 to $2 per dozen — and only one-fourth of the purchase price is required at the time of the sale. You'll have the entire summer to save the balance which must be paid when the bulbs are delivered in the fall. The women selling the bulbs will be wearing tulips on their lapels —be sure to welcome them this week and take advantage of the opportunity they are offering you.

Thursday June 2, the Women's association of the Community church will hold its last regular monthly meeting until the fall. The meeting, which will start at 8 p.m., will be highlighted by the installation of the new officers elected for the coming year. Rev. Ringsmuth will conduct the installation ceremonies for the group. Refreshments will be served following the regular meeting. All women of the community are invited to attend the meeting of the Women's association, and can be sure they will be made to feel completely welcome.

Loyalty Sunday

The Community church of Rolling Meadows has now reached the point in its organizational life and membership where it will hold its first Loyalty Sunday. Loyalty Sunday is a service in which the members and friends of the church will be asked to commit their financial resources to the church. It is a type of pledge Sunday. The immediate goal of the church is to be able to meet is own current expenses. The chairman of the finance committee Clifford Kierstead has announced that from a preliminary analysis the budget for the coming year will probably be at least $23,000.

After meeting for a year for an evening of pinochle once each month, Marion Birt and Ginger Groves of Campbell st., and Nancy Dahlquist and Dorothy Thompson of Sigwalt st., felt they should have a special celebration to mark the occasion. Last Saturday the four women traveled to downtown Chicago. Following delicious steak dinners at Jim Diamond's restaurant, they took in a show. Following their "night out" the women found they still had funds in the club's treasury to start their outing fund for next year and are eagerly looking forward to that event.

Due to the inclement weather last Sunday Louis and Bill Klouthis of 2907 Wilke road were forced to hold the picnic they had planned indoors. Their son, Bill, and Kenny Keller put their boy scout training to good use, however, and the boys tended a fire outdoors where all the hamburgers and hot dogs for the indoor picnickers were prepared. Attending the "picnic" were Kay and Tom Diehl and their daughter, Karen, of White Fish Fish Bay, Wis., Ann Rink and her family of Chicago, Mr. Klouthis' mother and brother, Mrs. Mary Klouthis and Edgar Klouthis, of Chicago, Charles and Norman Hansen and their son, Dan, of Westgate, Ruth and Fletcher Klouthis of Morton Grove, Fran Miller of Chicago, Eleanor Ann Lagermann of Westgate, Millie and Bob Gathmann and their son, Gary of Wilke rd., and Eleanor and Pete Keller and their sons, Kenny and Bobby, also of Wilke rd. The picnic was a well-planned affair and even included games and prizes for the children. The abundant feast was so lavish that the celebration was continued Monday, Memorial day, with many of the same guests on hand.

Wednesday night, May 25, was the date celebrated by Pat and Richard Hofmann for their 9th wedding anniversary. Their home at 2708 George court was filled with their many friends and neighbors who joined them in the happy celebration. Enjoying the festivities were Lorraine and Wally Schoenfeld, Gil and Zella Blanco, Ken and Leona Gobeyn, and Vesla McNerney. Richard Hofmann's parents, Mr. and Mrs. Henry Hofmann were also at the anniversary party.

Their 8th anniversary was the occasion for a celebration by Millie and Bob Gathmann of 2605 Wilke rd. last Saturday evening. The party was held at the home of their neighbors, Art and Mary Ellen Elderkin. Joining the Gathmanns for the happy celebration were Bill and Louise Klouthis of Wilke rd., Bill and Eileen Gathmann of Arlington Greens, and Lorraine and Bud Bremer of Wilke rd.

The storm which swept through Rolling Meadows was responsible for damage to many homes. Probably the most noticeable spot where damage occurred, however, was the home of Mr. and Mrs. H. Searcy of 2312 Fremont st. The Searcy family had decorated the front of their home with an oversize fibre-glass awning over their picture window. The entire awning was blown off during the storm, damaging the front of the house. After the wind and rain had subsided, Mr. and Mrs. Searcy searched for their missing awning, finally finding it blown into the racetrack property.

Bible Class

The Rolling Meadows Women's Bible study class will hold another meeting this evening, June 2, at 7:30 p.m. The meeting will be held at the home of Mrs. Edith Lieser of 2202 George st. The group, under the direction of Mrs. Paul Wertheimer of School drive, is currently studying the gospel of St. John. Any women of the community who are interested in the study of the Bible are invited to attend the class. The group is not affiliated with any particular church, and the class members come from many different backgrounds. You can be sure your interest in the group would be welcomed.

Buggy Needed

The toys at the Kimball Hill school for the kindergarten classes really see an unusual amount of play. Unfortunately, the doll buggy which is used by the children of the kindergarten classes has seen its last play. After wearing the tires off the current buggy, the axle finally broke. Any family which has an old doll buggy and would like to see it put to good use is urged to contact Mrs. DeBerard, the kindergarten teacher at the Kimball Hill school. You can be sure the youngsters will appreciate your generosity.

Macomb, was the destination of Dolores and George Scheidler of 2309 Meadow drive last weekend. Mr. and Mrs. Scheidler, with Pam, who is 3½, and Pudgy, who is 1½, visited Dolores Scheidler's sister and her family there. Ruth and Victor Moon and their 3 children last saw the Scheidlers on a visit to Rolling Meadows, which will probably be repeated soon.

A fishing trip to Mercer, Wis., last weekend just was not meant to be was the conclusion reluctantly reached by Charlie Martin of 2801 Wilke rd. Charlie traveled to that Wisconsin resort area last Thursday afternoon. Every attempt made to fish on Spider Lake, Little Ox Bow Lake and Big Ox Bow Lake was met with torrents of rain, however, and after 3 days of waiting for the weather to break, Charlie returned to Rolling Meadows — well rested but minus anything even vaguely resembling a fish.

A weekend on their grandparents' farm near Effingham meant Memorial day weekend fun for Elsie and Vicki Mills. Earl and LaVerne Mills of 2404 Dove st. traveled to Effingham with their 2 young daughters for a brief visit with Mr. Mills' parents. Since Elsie is 7 years old the farm proved a fascinating place, but little Vicki, who is only 2, found it was fun too.

Not even the traffic on the roads in central Indiana due to the Memorial day races in Indianapolis could deter Dick and Shirley Roeing of 2300 Campbell st. from their visit to Shirley's brother and his family in Muncie. The Roeing children, Ricky and Randy, took the trip completely in stride, but then they had their grandparents, Mr. and Mrs. William Walsh and their young uncle Jerry along for company. Besides in Muncie they had a chance to play with their cousins, Sherrie, Laurel and Nan, the daughters of Mr. and Mrs. William Walsh Jr., their aunt and uncle.

Boy Scouts

In reporting the exciting camporee enjoyed by Rolling Meadows scouts over the weekend of May 21, the names of Don Carlson and Billy Cosper were omitted. For the comfort of their parents who might have wondered what their boys were doing for the entire weekend if they were not at the scout camp, you can be sure that both Don and Billy were very much included in the camping activities. Don Carlson is the senior patrol leader of the Rolling Meadows troop, which would find it hard to replace his advice and helping hands on an outdoor camporee.

Little League

The Roling Meadows Little League organization extends an invitation to attend their next meeting to all men who are interested in assisting with boys' ball teams for the Little League (9 to 12 years), Minor League (7 and 8 years), and Babe Ruth League (13 to 15 years). The next meeting of the organization will be held Monday, at 8 p.m. in the Community Barn. If you are interested in baseball and in boys don't hesitate to attend the meeting — the men of the Little League will gladly welcome you.

Minor League teams for boys 7 and 8 years old will be organized this Saturday, June 4, at 10 a.m. This will be held at the temporary Little League field at Meadow drive and Kirchhoff rd. This means that soon the younger boys will be receiving the same training and coaching being given to the boys assigned to the regular Little League teams.

Due to the absence of 2 of their team members this summer, openings are now available for boys in the 9 to 12 age bracket who are not yet assigned to teams in the Rolling Meadows Little League. If you have a son in that age group who is interested in playing Little League ball won't you please call Robert Kreutz, team manager, or George Mahoney, team coach, Mr. Kreutz' telephone number is Clearbrook 3-8640, and Mr. Mahoney can be reached at Clearbrook 3-2917. Boys interested in playing on the team may report to either Mr. Kreutz or Mr. Mahoney at 6 p.m. Thursday, June 2, or at 8 a.m. Saturday, June 4, at the Little League field at Kirchoff rd. and Meadow drive. All uniforms and equipment except gloves will be provided for the boys, and every Little Leaguer receives excellent training not only for ball playing but for good citizenship and sportsmanship. If your son does not as yet belong to the Rolling Meadows Little League and is between the ages of 9 and 12, be sure to take advantage of this opportunity.

Feehanville School

PTA

Installation of officers was the main part of the program at the May meeting of the Feehanville PTA. Mrs. C. W. Flink, starting her second year as president, Red Bischof, the new vice president, Irwin Phar, the new treasurer, and Mrs. Biddy Zschack, the new secretary, received congratulations and well wishes from the assembly after the installation. Mrs. Flink and the retiring officers, Mrs. Kenneth Karnuth, vice president, Mrs. Ed Mueller, treasurer and Mrs. Ed Brookhouzen, secretary, were commended for the capable and efficient way they handled their respective jobs during the past year. Lovely corsages were presented to the new and retiring officers.

Mrs. Flink said, "We want to thank the teachers, Mrs. Hazel Cavett and Miss Dolores Levis, for their sympathetic cooperation throughout the year, and we want to thank all those who helped on various jobs that came up, such as registration, eye testing, weighing and measuring, decoration and refreshments at meetings, the Christmas party, vaccine program and the several fund-raising activities. The fun fair took a tremendous amount of work from a great many people, but when youngsters like aPtricia Zschack can be delegated responsibility with the knowledge that everything will be properly taken care of, it makes the work of the adults so much easier. Patricia put in many hours working at the fish pond.

"We are all proud of the great work done by the hard-working, productive, enterprising chairmen, who were Mrs. Irwin Phar of the ways and means, Mrs. Marguerite Broberg of hospitality, Mrs. Jeanne Kramer of the child conference committee, Mrs. Kenneth Karnuth of health, Miss Idyl Nipper of membership and magazines and publications, Mrs. Ed Mueller of budget and finance and Ed Brookhouzen of legislation."

Members of the executive board for this coming year, besides the 4 elected officers, will be the following chairmen: Mrs. Ruth Bischof, ways and means; Bonnie Nowicki, refreshments and hospitality; Val Barton and I. A. Hanson, publicity; child health conference, Jeanne Kramer; health, Sue Henk; exceptional child, Mrs. Hazel Cavett; membership, Marguerite Broberg; budget and finance, Irwin Phar; legislation and magazines and publications, Idyl Nipper.

The decorations in the lunch room carried a carnival atmosphere with little merry-go-rounds as centerpieces and bunches of balloons to give a gay reminder of the fun fair scheduled for later in that week. Mrs. Rose Kirste of the hospitality committee helped serve the delicious cakes and cup cakes provided by the committee of 3, Jeanne Kramer, Ruth Bischof and Helen Murphy. Val Barton of the hospitality committee was home ill.

In response to many requests received lately, the Feehanville PTA is sponsoring a rummage sale to be held at the school house the third week in June. Doors will be open at 7 p.m. Friday night and again Saturday morning at 9. Now is the time to gather up outgrown and discarded clothing, household articles and anything in usable, salable condition, and dispose of them at this sale. If you phone Mrs. Jeanne Kramer in Forest River, Va. 4-9571, or Elaine Castre in the Westgate section, Va. 4-2557, these ladies will be glad to pick up your donations.

Boys brigade and the stockaders are having a combined father and son night on Wednesday. Tickets will be available. Games are planned, singing is on the program, and refreshments will be served.

Boys brigade is having a return game with Wheeling this coming Monday night, 6:30 at Dam 2. The brigade appreciates a cheering section.

Maine Hi-C quiz team won their bout with Taft last Thursday, and tonight they are quizzing Lakeview Hi-C. Maine and Lakeview are tied for fiirst place and tonight decides who will be champion of the league.

Maine Hi-C club had a joint meeting with the Arlington YFC last Tuesday at the home of one of the Arlington members. The speaker was Bill Zeoli, a senior at Wheaton who is going to be regional director of the YFC's in Indianapolis when he graduates. Refreshments were served after the meeting. Those from here who attended were Robert Martens, John Hanson, Phil Roos and Bid LeVine.

"This is fun, we should do this more often," was a remark heard several times at the family night pot luck supper at the Forest River church last Saturday. Approximately 70 people, adults and children, attended, and the tables were loaded with a great variety of food brought by the superb cooks.

After the supper things had been cleared away, Rev. Pierson spoke a few words, thanking all those who had helped make the new addition to the church possible. She said, "We would like to thank Jack LeVine, Bernard and Betty Shimmin, Red and Ruth Bischof, Fred Kramer, Archie Howard, Rudy Gerstung, Emert Roos, Richard Henning, Richard Roos, Bob Martens, Bob Roos, Bob LeVine, Phil Roos, John Hanson and Dwayne Mather for all the work they have done on the buildings. Then there were those who could not work on the building but contributed financially. This, too, was very important and we want to thank them all." Mr. and Mrs. Oscar Carlson of Barrington were present and mentioned how impressed they were with the great strides made by the church since they were here last. Mr. Carlson was the one who put the first coat of paint on the church.

"The Prior Claim," an institute of science color film, held the audience spellbound with its utterly fascinating demonstrations of things that nature had first — the first and finest traps (the various meat-eating plants such as the venus fly-trap), the first doors (for instance the trap-door spider), the amazing chamelion that can outlasso any roper at a rodeo, the fish that shoots and the spider that throws the bolas. There were many other remarkable and curious animals shown.

Community News

Pet and Bike parade in Forest River last Sunday was a good success and is being considered as an annual event. Jimmy Doetsch on his horse led off with the flag. The wonderful, award-winning Prospect Heights band, in their colorful uniforms and impressive medals, led by Mrs. Wilson, their leader, provided the martial music so necessary to a parade. The volunteer firemen and the fire truck took part, and the color guard of both the brownies and the girl scouts were there. Wagons, buggies and bikes were so gayly decorated with patriotic colors that the judges had a difficult time picking winners.

The parade was sponsored by the teenagers under the direction of Mrs. Roberta Phar. Mrs. Phar said, "We would like to thank the 3 judges, Mrs. Paul Kleeman, Mrs. Anna Toth and Mike Zeravich, who judged the contestants, Mrs. Paul Kleeman, Mrs. Anna Toth and Mike Zeravich, who judged the contestants and awarded the prizes. We would also like to thank the people and organizations who donated toward prizes and refreshments."

The first prizes in the pre-school group went to Peggy and Alice Arkell and to Nancy Wilming. These were coloring books and a Davy Crockett hat. The first prizes in the 1st to 4th grade group went to Betty Brewer and to David Milz, who was pulling his rabbit in a decorated wagon. Betty received a costume doll and David a Davy Crockett hat. The first prizes in the 5th through 8th grade group went to Chuckie Badalamenti and Donna Jeanne Murphy. They each received a money gift.

When the pararde reached the community hall, they all pledged allegiance to the flag and sang the "Star Spangled Banner," after which they dispersed and the youngsters in the parade were served ice cream and soda pop.

Two of the youngsters from this district, Billy Phar and Dennis Butter, played with the Prospect Heights band Decoration day, when they marched in the parade in Prospect Heights.

Mr. and Mrs. Joseph T. Till of Westgate road just returned from a 3-week trip to Caifornia. They visited Mrs. Till's sister in San Carlos, staying there about 5 days, and the balance of the time in the west was spent visiting the Painted desert, Petrified forest, Grand Canyon, Yosemite Park and Yellowstone park.

The William Phares on Gregory st., have had Mrs. Agnes Young of Sycamore staying with them for a week's visit. Mrs. Young is Agnes Phares' mother. Mrs. Phares is leaving today to go to St. Paul to attend the graduation exercises at the St. Thomas college. Her nephew, Charles Suter, is graduating from there. She will be driving up there with her sister, Mrs. Suter of Sycamore, and will be gone about 3 days.

Jim Preston of the air force has been spending part of his leave at the home of the Fred Kramers on Anita st. Jim is Jeanne Kramer's brother.

Mr. and Mrs. Hjalmar Sandquist celebrated their 23rd wedding anniversary last Saturday with a trip to Soldier's field, to see the auto races.

A hearty welcome to the Richard Rooses and their son, Richard, who will be living on Anita st. as of last weekend.

The Arthur Hansons attended a graduation party in Antioch last Sunday, celebrating the graduation of their niece, Janeen Hendricksen. Janeen graduated from St. Peter's school with honors, winning a scholarship to Holy Child academy in Waukegan.

The Irwin Phars attended a family pot luck picnic last weekend at the home of Bill Klick in Deerfield. With relatives from both sides of the family attending, it made a total of 55 who were there. Bill and Kay brought their instruments and another had brought her accordion, so after the pot luck supper they all sat around the campfire, singing and listening to the music.

Today, Thursday, is a big day in the life of Debbie Roos—the cast which she has been wearing on her left arm for so many weeks is scheduled to come off.

Birthday greetings this week go to Stephen Roos, who was 6 years old on the 30th, and Kathy Kirste, who will be 13 on the 3rd.

Baby Shower

Clarendon court has been the scene of a great deal of fun and activity this past week. Monday, May 23, Dorothy Braun gave a surprise baby shower for Florence Horner and invited Shirley Zolp, Beverly Foote, Jeanne Thorsen, Pat Miresse, Veva Hembd, and Pauline McNamara to a luncheon at 2 p.m. However, the shower was such a complete surprise to Florence that she didn't put in an appearance until much later and everyone breathed a sigh of relief when she finally arrived. Dorothy had prepared barbecue beef, jello molds, cake and coffee. The color scheme for the party was predominately pink and white. Center of attraction was a "tree" covered with white satin from which hung little baskets containing pink and white carnation corsages for each of the ladies.

Jeanne Thorsen, one of the guests, was still in a party mood early Wednesday morning and decided to invite all the gals who attended the shower Monday to a "come as you are party" at 8:30 a.m. This time those same gals arrived in such eye-catching numbers as chenille robes and brunch coats and without make-up but plenty of pin curls. Sweet rolls and coffee hit the spot at this early, early party. However, by this time the party mood was becoming even more contagious and that same day Dorothy and Dick Braun decided to retaliate with invitations at 8 in the evening for another come as you are party, this time for the gals and their husbands. Dorothy's party fare consisting of french fried shrimp and cocktails was eagerly received. Ordinarily, this party which broke up shortly after 11 would have marked the end of a perfect day, but such was not the case. At 11:45 invitations were again being extended by Jeanne Thorsen and her husband, Ray, for a come as you are this time for bacon and eggs. And again the bathrobe brigade made their way to 661 Clarendon court . . . this time though for a very short coffee klatsch and then home to bed . . . at last!

Fish Story

Carl Anderson returned home Sunday from Bay De Noc, Mich., carrying no less than 20 wall-eyed pike, the longest of which was 30 inches. This made his annual fishing trip a very successful one even though he did run into the same heavy winds and rain that lashed the Greens last Friday. In fact, it was on Friday that Carl proved himself a hero when he and the state patrol set out to rescue 5 fishermen whose boats had been capsized by the wind and choppy water. The men were pulled from the water and rushed to the hospital where they were confined for 2 days. Carl hopes his next fishing trip will not be such a harrowing experience.

A. J. Baugous also had a fishing trip planned for the Memorial day weekend; however, an automobile accident just a few blocks from home Thursday cancelled his plans. A. J. and 3 of his co-workers at A. B. Dick were in an auto accident on Rand rd. and were knocked unconscious but not seriously injured. A. J. suffered a minor concussion but hopes to return to work by Tuesday or Wednesday.

Special Delivery

Sugar and spice and everything nice, that's what little girls are made of . . . so say Ruth and Bob Morrisett and sons, Ralph, 8, and Billy, 5½, ever since Suzanne Jeanette was born May 23 at Resurrection hospital weighing 8 pounds 1 ounce. Kenneth, 8½, and Kathleen, 5, are proud of their baby brother who has lots of dark brown hair. Norman's mother, Mrs. A. Sterner of Evanston, took care of the children in their mother's absence.

Visitors

Mr. and Mrs. Elmer Klueger of Sheboygan, Wis., arrived at the home of their daughter and son-in-law, Jill and Howard Kaye, in time to help them celebrate their 12th wedding anniversary Sunday. After a few days visit they will return to Wisconsin.

Martha and Al Lees Jr. received a surprise visit over the weekend from Al's parents, Mr. and Mrs. Albert Lees Sr., who drove in from Sturbridge, Mass. Toby, 3, and Cindy, 5, will travel back to Sturbridge with their grandparents for a vacation. Martha and the children's baby sister, Geraldine, who is only 3½ months old, will fly to Massachusetts where Martha's parents also live.

Bridge Tournament Results

This month marked the end of the Arlington Green's round robin bridge tournament. First prize of $15 went to Shirley and Bill Willy who scored 15,895 points, Janice and Bob Swanson with 14,400 points won $12, and Jack and Shirley Kerz came in third with 14,270 points winning $7.50. All of the players in the tournament, however, were winners of some cash award. Those who followed the first three winners and their scores are Del and Chuck Hultgren, 14,150; Kay and Roy King, 13,590; Doris and John Davis, 13,280; Pauline and A. J. Baugous, 12,960; Connie and Jack Flodin, 12,480; Jean and George Marshall, 12,340; Alice and Walt Johnson, 11,370; Evelyn and Henry Korff, 11,075; Kay and Bill Baer, 8,740; Rosemary and Gordon Baer, 8,100; Emily and John Coward, 7,960; Martha and John Mundell, 7,880, and Jean and Ed Zelsmann, 6,200.

Greetings

Anne and George Olson moved into their new home at 508 Oakton just in time to celebrate their son, Allan's, first birthday May 22. Major and Bonnie, pedigreed German shepherds, manage to fill all of George's spare time while Anne is content to embroider when she isn't busy caring for little Allan.

Anne and Karry Kushner are very happy to call 1103 Haddow ct. home. Harry, a lieutenant commander in the United States Navy is stationed at Glenview.

Prior to his assignment to Glenview, Harry was stationed for 15 months in the Aleutian islands, Alaska, and then a short assignment in Colorado before taking up residence in the Greens. The Kushners have 4 sons, Tom, 9½, Pat, 7, Bill, 5, and Mark, 3. The family attends St. James church.

Nancy and Mark Jenkins lived in Skokie before moving into their new home at 1111 Haddow court. They have 1 little boy, Jack, 3. Mark's favorite pastime is baseball but unfortunately never seems to have enough time to play as much ball as he would like to. Nancy is a registered nurse but is not practicing her profession at the present time.

Former Chicagoans, Margaret and Anthony Benga of 1117 Haddow court enjoy their new suburban life even though their house is surrounded by mud instead of grass and wood planks instead of sidewalks, for the time being that is. Margaret makes not only her own clothes but also clothes for the couple's 2 children, Joseph 3, and Billy, 2. The family attends St. James church.

John Evan Gardner was just a few weeks old when his parents, Marilyn and Bill Gardner, and sister Dianne, 3, moved into their new home next door to the Bengas. Marilyn and Bill are also from Chicago and still attend the Broadway Methodist church in that city where they are both active in church affairs. Bill is vice president of the young adults in Rock River conference, a church affiliated group. Marilyn's mother, Mrs. A. Pritchard, makes her home with the family.

Friends and neighbors were sorry to see Ferne and Bill McGuire leave the Greens but are glad to hear that their new home is not too far away. They now live at 102 E. Edwards in Mt. Prospect. A warm welcome to LaVerne and George Natzke who bought the McGuire's home at 1107 Beverly. The Natzkes formerly lived in McHenry.

Just a reminder that the first meeting of the Arlington Greens Community association conducted by the newly-elected officers will be June 7 at 8 p.m. in the North school. All members are urged to attend.

Time Drawing Nigh For Strawberry Festival

Helpings of ripe, sweet strawberries atop scoops of ice cream, accompanied by a selection of homemade cakes and a cup of coffee, as always, will be the main attraction at the Prospect Heights 12th annual strawberry festival, to be held on the Community church grounds, June 18.

Serving will begin at 6:30 p.m. and program will be presented at 8 p.m.

Under the direction of Mrs. B. Perkins and her assistants, strawberries are being made into delicious jam which will be available along with other kinds of jams and jellies for selection by discriminating customers.

A booth called the "Strawberry Patch" presents intriguing-looking packages which are obtained by plucking a 25c strawberry of corresponding number. This project is under the direction of Mrs. C. Jungbluth with the able assistance of the entire evening guild.

The children will be glad to hear that Bobo the Clown will be at the festival again this year.

More plans that are being made will be reported on next week. (AMP

Newcomers

A welcome to Mr. and Mrs. Leonard Eyres and son, Richard, of LaGrange who moved into the former Reschke home on S. State rd.

Sunday evening visitors at the Stan Luczak home were Mr. and Mrs. William Malacke, Edgebrook. Labor day guests were Mr. and Mrs. Stanley Wojton and daughter, Laurie, Chicago. An outdoor wiener roast was enjoyed in the evening by everyone.

Mr. and Mrs. Wesley Van Ornum and son, Billy, and Mrs. Emma Hutchings, Chicago, were Sunday supper guests at the Robert Hutchings home.

Attention Mothers

Don't forget the school picnic on the last day of school, Friday, June 3. Bring lunch, also silverware, paper cups, napkins for your own family. Don't forget to bring your extra dish assigned to you. It will all be pooled and a smorgasbord will be served. Those mothers who volunteer to bring their cars will provide transportation to and fro. You and your children will all meet at the school at 9 a.m. on the day of the picnic.

Joanne Lalish, daughter of Mr. and Mrs. George Lalish Jr., 830 N. Dryden, celebrated her third birthday Sunday afternoon, May 22, with 14 neighbor friends. Guests in the evening were her maternal grandparents, Mr. and Mrs. Geo. Prins; her paternal grandmother, Mrs. George Lalish Sr.; her godmother, Mrs. Robert Hartman, and Mr. Hartman, and her godfather, William Ryan, and Mrs. Ryan.

Mrs. Harold Henry and Mrs. Carl Scheske attended the spring luncheon of the Women's association of the First Presbyterian church where they heard an interesting review of a book dealing with the people of India. It was given by Mrs. C. Victor Brown. Theme of the luncheon was India, a subject the women had been studying in their circles during the past year.

Mrs. George Cole, 909 N. Douglas, was recently elected corresponding secetary of the Mothers' club of St. James Women's guild. New officers were installed at the annual luncheon at Itasca Country club May 26.

News is greatly appreciated. This reporter wishes to thank all who were so wonderfully cooperative in helping her compile the weekly news.

Judy Johns, 1017 N. Douglas, was home for the 3-day weekend from the Chicago Clinic of Physical Medicine. Saturday she attended the wedding of her aunt, Mrs. Roland Hardt, at which her father was best man. Sunday her parents had guests for a backyard wiener roast. Memorial day was spent in Chicago with her grandparents, Mr. and Mrs. Philip Schuster.

New Laseke Disposal Truck Equipped With Modern Packing Device

A new disposal truck costing $10,000 has been purchased and put into service by the Laseke Disposal service, 8 S. Dunton st., Arlington Heights.

The new truck is equipped with a modern Leach load packer, which packs garbage and refuse compactly and prevents blowing or leaking. Eventually the firm will replace all its trucks with the new device.

The truck has been in service 2 weeks.

Announcement of the purchase was made by Henry W. Laseke, owner of the service which provides complete disposal facilities for residential and commercial purposes in Arlington Heights, Wheeling, Palatine, and Barrington.

The firm has 12 trucks in operation and a staff of 12.

CHRISTIAN SCIENCE CHURCHES

The way to healthier, happier living through spiritual understanding of God as the only real creative power will be brought out at Christian Science services this Sunday, June 5.

The Lesson-Sermon entitled "God the Only Cause and Creator" includes the account of Christ Jesus' healing of the centurion's servant who was "sick of the palsy, grievously tormented" (Matt. 8).

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (231:30): "Man, governed by his Maker, having no other Mind,—planted on the Evangelist's statement that 'all things were made by Him (the Word of God); and without Him was not anything made that was made,'—can triumph over sin, sickness, and death."

The Golden Text is from Acts (4:24): "Lord, thou art God, which hast made heaven, and earth, and the sea, and all that in them is."

Local Churches To Be Represented At Church Conclave

The annual conference of the North Illinois synod of the Evangelical and Reformed church will be held at Elmhurst college, Elmhurst, June 7 and 8. The term "synod" means both a designated geographical territory and a legislative assembly of a portion of the church.

The conference begins with the service of holy communion at St. Peter church near the campus. Liturgist will be synod secretary, the Rev. Paul Umbeck. The preacher will be the Rev. Dr. John Lentz, denominational representative from Philadelphia, Pa. Celebrants will be the Rev. E. J. Koch, Ph. D, host pastor, and philosophy professor, Dr. Rudolph Schade.

Highlights of the conference will be the nomination and election of a full-time synod president to shepherd the work of 135 congregations and the discussion of church strategy.

Representing the local St. John church will be its pastor, the Rev. J. G. Meiners and for the congregation this year's delegate will be Miss Edith Hooker. Other churches in the immediate vicinity of Arlington represented will be Prospect Heights Community church, St. John, Bensenville, Christ, Des Plaines, St. Paul, Palatine, and Long Grove church. I Am On My Way, Are You?

Give your children real security...

We don't mean the nicest house in the best neighborhood... the newest, sleekest car... the right schools, the right camps.

We're talking about the kind of security they can't do without... the kind that comes from inside.

Faith. In God, in life, in themselves.

For life is no game for spiritual sissies. Only Faith... the armor of the spirit... will give them the stamina to meet it courageously, no matter what it brings.

You can show your children where to find faith... how to build it day by day, if you make praying a family affair.

Palatine And Bensenville Knock Grant Nine From Title

Palatine and Bensenville dealt Grant's championship hopes in the close Northwest race a knockout blow this past week. Tied with Grayslake and just 2 games to go, Grant lost Wednesday to the Bisons 4-2, and Thursday to Palatine, 1-0. Both games were played on the Grant diamond and the Bulldogs did a complete fadeaway to finish with a 10-4 record.

Then Friday Palatine continued their disregard for champions by whipping the Rams 6-0 though, by beating Grant the day before, Palatine had handed Grayslake an undisputed championship.

* * *

TOM HILLESHEIM pitched a no hit game at Grant Thursday and only 16 men faced the big Pirate right hander in the 5 innings played before the rain eliminated any further playing. Bob Klaus, first Grant batter, drew a base on balls and from that point Hillesheim's slow curve ball tantalized the Grant hitters.

Hillesheim fanned only one batter but no one could get a solid crack at his curve ball. Palatine got their lone run in the fourth when Bob Kozy drew a pass, went to second on an infield out and scored on the second of 2 singles by outfielder Bruce Forke. Hillesheim had not been very effective this season as a pitcher but in his final athletic appearance for Palatine High Tom was invincible.

* * *

A TRIPLE by Lars Hendrickson in the first inning with the bases loaded and 2 out was the climax of a Bensenville 4-2 victory at Grant last week Wednesday. Bob Klaus of Grant fanned 14 and walked 3 while allowing but 5 hits but it was not good enough.

Busse of the Bisons limited Grant to 3 hits and had a 3 run lead to work on all the way until the final inning. It was the sixth win in 14 league games for the Bisons who moved up several notches in the league standings over last season.

* * *

LAST FRIDAY Palatine scored 6 runs in 1 inning to knock out Larry Kaufman, Grayslake pitcher ace, and beat the Rams 6-5. Grayslake had backed into the championship while Palatine and Bensenville were beating Grant, finishing with a 11-3 record in spite of their final defeat. It was Palatine's sixth win as against 7 losses.

Grayslake got 3 runs in the first inning on 1 hit, a single by Ritta after an error, a hit batsman, a walk, and a fielder's choice. They picked up 2 more in the top half of the fourth on hits by Chard, Kaufman, and Howie Schroeder.

* * *

PALATINE'S big fifth frame started with a walk to Hillesheim and a single by freshman shortstop, Dick Wisner. George Beyer drew a pass and Hillesheim scored while Eich gained life on a fielder's choice. Bob Coates hit a single to score 2 runs and Bob Kozy followed with a long triple to count 2 more. Then Kozy tallied on a fielder's choice.

Kozy had 2 singles and a triple for 3 of Palatine's 7 hits and Bob Coates had 2 singles. The other hits were made by Dick Wisner and Bruce Forke. Howie Schroeder got 2 of Grayslake's 6 hits.

Pirates Lose To Ela-Vernon

Palatine closed the 1955 baseball season Tuesday by losing to Ela-Vernon at Lake Zurich 6-5. It was Ela's fourth win in 14 and enabled them to move into a tie with Antioch for last place. Palatine's defeat was their eighth in 14 giving them a tie with Bensenville for the fifth spot. Five of Palatine's defeats were to the 3 bottom teams in the league and 4 of their 6 victories were taken from the top 3 teams.

Palatine more or less gave away Tuesday's final game. They went into the last half of the final inning leading 5-4. An error, a single, a strike out, and a walk filled the bags with 1 out. Then Keough got a hit to score 1 run and tie the count. Bob Hamilton fanned the next batter for the second out and had a count of 3 and 2 on Bruce Stalker, the Ela pitcher. The crucial pitch was high and the base on balls forced in the winning run.

Palatine got six hits. Bob Coates had 2 and George Beyer hit a long home run with a man on base.

Complete Track At Wheaton College

Heavy construction on Wheaton college's Lawson field track and gridiron announces athletic director Harv C. Chrouser. After minor improving and "seasoning" the $17,000 project is expected to be one of the more modern small-college plants in the midwest.

The track, to be used this fall, was built along coach Gil Dodds' recommendations. Thirty feet wide (eight lanes), its features are unusually high curbs and a 250 yard straightaway. The cinder fill is four layers deep and modelled after European tracks with brick screening for faster drainage. A telephone communication system will be installed at check points.

Lawson's football field was completely reconstructed for better drainage. Scraped and relaid with 16-inch tapering crest, the gridiron has fresh turf and quick surface drainage with catch basins on all sides.

Red Cross Benefits When Golfers Try To Beat 'The Babe' And Furgol

Nearly 20,000 Illinois golfers are expected to try to beat Mildred "Babe" Zaharias, U. S. women's open champion or Ed Furgol, U.S. open champion, in a round of golf on national golf day Saturday, June 4, the proceeds to go to the American Red Cross. The first tees on 35 Chicago area golf courses will be staffed by volunteers of the Chicago chapter of the Red Cross.

Every golfer paying $1 entry fee to the pro or starter running the tournament on his local or home golf course is eligible to compete, and, if the golfer does not know his handicap, the pro or starter will help him establish it by the Callaway system before he tees off.

* * *

AT VILLA OLIVIA golf course on Route 20, east of Elgin in Cook County, the Red Cross volunteers will be under supervision of Mrs. Joseph Goddard, Iverness, Palatine.

The volunteers at Old Orchard golf course, Route 12, near Arlington Heights, will be under supervision of Mrs. Philip Nuccio, Red Cross gray lady, of 6412 N. Northwest Highway.

Mohawk country club, Irving Park Road, Bensenville, will have volunteers supervised by Mrs. Ralph Burke, 834 Fair Oaks, Oak Park, and Mrs. M. Rossen, 916 Fair Oaks, Oak Park. Both are Red Cross motor service volunteers.

AT ROSELLE golf club, Roselle road, between routes 19 and 58, the volunteers will be supervised by Red Cross motor service volunteer Mrs. Golden Fleming, 2040 S. 13th ave., Maywood.

Volunteers at Mannheim country club, 3801 N. Mannheim road, Bensenville, will be supervised by nurse's aide Miss Mabel Bober of Chicago.

Bartlett Hills golf club, Ingalton ave., Bartlett, will have volunteers supervised by Mrs. Fred Pierce, Eastern ave., Red Cross public information representative for Bartlett.

At White Pines golf club, Church rd., Bensenville, the volunteers will be under the supervision of Mrs. Emma Capoot, 140 S. Addison st., Red Cross public information representative for Bensenville.

Volunteers at Mount Prospect country club, She-Bonee Trail, Mount Prospect, will be under supervision of Mrs. Bruno Kurtz, 946 Hannah ave., Forest Park.

Card Netmen Close Season; Interest Up

La Grange won West Suburban tennis tournament last week, but Hinsdale copped the overall championship by winning more duels.

That was the outcome of tennis competition within the league after last week's final tourney. Hinsdale's frosh-soph had a perfect record of 50 points over the season, 22 ahead of La Grange.

Red Devil varsity tallied 42 points in varsity competition, 4 ahead of La Grange.

* * *

ARLINGTON scored just 2 points against Downers throughout the league varsity season. Cardinal frosh-sophs tallied 2 against Maine, 2 against Glenbard, and 3 to whip Downers during the season.

All local players lost initial sets in last week"s tournament, though a couple of sets were close. Number 2 varsity doubles combination of Floyd Burns and Lew Gordon bowed to Maine, 11-9, before succumbing, 6-0. Numer 2 frosh-soph doubles of Tom Longwell and Don Stadelman lost, 7-5 and 6-4.

* * *

THE VARSITY won 2, lost 10 during the season. Victories were scored over Glenbrook, 5-0, and Leyden, 3-2. The frosh-sophs won 4, lost 7. Wins were scored over Downers, Glenbrook and Leyden twice.

General improvement in the Heights team was noted by Coach Ken Schaller, particularly in spirit and interest at the frosh-soph level. Coach Schaller expressed the hope these younger boys will continue practicing during the summer for a better record next year.

Bison Runners Crush Grant And Grayslake

by MAX ZOLLNER

Bensenville's cinder men crushed Grant and Grayslake in a triangular meet at Bensenville. The Bisons copped 10 firsts to help establish their winning total of 70 1/30 points. Grayslake was second with 49 4/15, followed by Grant with 30 7/10.

Double winners for the Bisons were Bill Ripperger in the mile and 880, Bob Gullborg in the 100 and 220, and Joe Masotti in the low hurdles and the shot put. Other Bensenville firsts were registered by Wes Wingate in the 440, Bill Curran in the pole vault, Dick Driggett in the broad jump, and by the Bison 880 relay team.

Second place Grayslake placed first in the high hurdles, discus, and mile medley relay, while Grant's best effort was a tie for first in the high jump.

Shortening Strike Zone Lengthened Time Of Games

The Chicago Cubs required eight hours and 46 minutes to play the first three games of the season, reports The Sporting News. And Stanley Hack, starting his second season as the team's chief strategist, thought he had hit upon the answer.

"We now have with us the three-hour game," Hack declared. "If we shorten the strike zone just a little bit more we can have the four-hour game.

"It's all very clear now," said the man who perhaps was the greatest third baseman in Cub history. "The strike zone used to extend from the top of the shoulder to the level of the knees. A few years ago they rewrote the rule and shortened it to within a space below the armpits to a level above the knees.

* * *

"THE RESULT is that the umpires subconsciously narrowed the zone even more and anything that isn't almost belt high or well below the armpits is being called a ball. And so we have three-and-two counts on more batters than ever before. The pitcher has to throw more pitches and all this takes time."

Hack cited an example. The other day in Cincinnati it took the Cubs three hours and 20 minutes to play a 6 to 4, ten-inning game. The Cubs got five hits off Corky Valentine and he was pitching effectively for seven innings, but Hack says he threw 112 pitches because he had three-and-two on so many hitters.

* * *

"BOB RUSH allowed only five hits in seven and one-third innings and I'd say his control was pretty good, because he struck out eight batters," Hack avers. "Yet he was having three-and-two trouble, too, and he threw at least 140 pitches."

The Chicago manager hastened to point out that he's not criticising the umpiring of that game. He said he thought Lon Warneke did a good job behind the plate and Rush himself questioned his decision on only one pitch and not too much.

'But it has come to be an accepted fact," Hack asserts, "that a pitch must be almost down through the middle to be called a strike, and it hasn't always been that way." Hack says it wasn't that way when he was still playing in 1947, and he doesn't believe it was that way even 5 years ago.

* * *

THE CUB manager was thoughtful for a moment.

"I don't know whether the long ball game is good or bad," he went on, "but it's here to stay unless there is a concerted drive to give the pitchers a better break on the strike zone."

BUSINESS BRIEFS

Speaker June 1

Harry O. Krass, 418 W. Wilson ave., Palatine, retail manager, Shell Oil company, was one of the principal speakers at the petroleum marketers management institute June 1 at Robert Allerton park, Monticello.

This conference is being conducted by the University of Illinois through the bureau of business management of the college of commerce and business administration and the division of university extension in cooperation with the Illinois petroleum marketers assocation.

Krass's subject was "selling and promoting petroleum products." He discussed the importance of each dealer and their men becoming better salesmen in 1955; assistance which the jobber can give to the dealer to help promote sales and the necessary steps which every dealer should follow in order to increase his business and secure more steady customers, thereby increasing his petroleum sales.

Krass has had considerable experience in retail merchandising, having been with Shell since 1933 when he started as a service station representative in the Detroit division, holding various positions, finaly becoming retail manager for Shell.

Eighth Pinch Homer

When Bobby Hofman, utility man for the New York Giants, blasted a pinch homer off Robin Roberts of the Philadelphia Phillies, April 17, it marked Hofman's eighth pinch homer in the major leagues. The Sporting News says he connected for three in 1953, three again in 1954 and one off Don Newcombe on April 14. He is now within one of the major league record of nine set by Cy Williams in 19 seasons with the Cubs and Phils.

In the Shadow of The Steeple

by William O. McGill

When a person is about to be away for a while, he likes to get most of his affairs in order; that prevents coming back to a hopeless jumble of unfinished business.

I have never been a clean desk man. I think it's very difficult for anyone except a four-star general or an extremely high executive to keep a really clean desk—and then only because he is in a position to put matters on other people's desks.

Life is a long list of unfinished business. Every day someone is called from this earth to another world at a most inconvenient time—inconvenient to him, to his heirs, to his creditors as well as his debtors. Illness breaks into the most tightly organized schedule—most inopportunely.

* * *

I HAVE forgotten whether it was Abraham Lincoln or Franklin Roosevelt who explained the philosophy of muddling through. Both were experts at it. In big issues, it really is not possible to find a clear, decisive Yes or No which will compel people by its logic and justice. There are always "Yes, but.....s," and "On the other hand's" involved in every human problem.

A responsible person should have a conclusion (which he is willing to test or re-examine) but he does not have to make an immediate decision, especially if the responses of other persons are involved. A responsible person does not just muddle along hoping that things will come out all right; he knows where he wants to go, he muddles in order to bring along those who share responsibility.

The wife of a friend tells him that he is the stubbornest man she knows; he will wait a year, or two years or more, but "you get what you set out to get." Since he is a minister whose chief interest is the development of the church, this may be a compliment in reverse (a wifely trait in many households).

* * *

SOMEONE ADMIRES the dispatch with which some persons reach a decision. In a split-second, some of these come up with a Yes or a No. Only a four-star general or a dictatorial executive is so far removed from the necessity of personal considerations that he can indulge in the luxury of snap decisions.

For the rest of us, life is always a piled-up desk full of unfinished business. If we recognize it, we may be going a long way toward relieving some of the pressure of it. The member of Alcoholics Anonymous never swears off drinking now and forever; he is only concerned with not drinking at this tavern, no cocktails this evening; tomorrow, he may do as he pleases, but right now, no.

This relieves the pressure. It is one big step on the way to relieving the pressure of unfinished business. There may be a great pile of urgent matters on your desk, but it need not be a weighted ball shackled to your ankle. It is seldom the amount of work we do which wears out—it's the pressure we build up under the work.

Some of it will always be unfinished; loose ends will always be waiting to be tied. Recognize it, and it should be easier to tie the ends that are ready for tying.

Haviland Twirls 4-0 Shutout For Antioch Against Ela-Vernon

Mike Haviland closed the season as the most effective hurler in the Northwest circuit by pitching a two hit 4-0 shutout for Antioch over Ela-Vernon in the final game of the season.

The victory moved Antioch out of a tie with Ela for last place into the seventh position. Antioch gave Haviland errorless support. It was the third outstanding mound performance in a row for Haviland who had shut out Palatine 7-0 on two hits a week earlier.

Bison Sophs Lose To Ela

by BILL RIPPERGER

Ela-Vernon Bears slipped past Bensenville frosh-soph, 5-4. Ela's nine connected for 11 hits, despite only 5 runs. Branum accounted for 4 of these hits and Buciak 3, including a double, the only extra-base hit of the game. Chuck Christiansen and Wayne Hokman registered the only Bison hits.

The Bisons did all of their scoring in the opening innings, getting a single run in the first and 3 in the second, but Ela had knotted the score at 4-all when the third stanza ended.

Even though they got 5 hits in the next 2 innings, the Bears couldn't break the tie until Branum, Buciak and Gilman each singled in the final inning. This proved the winning margin, 5-4.

Rain Helps Lawns; Cut Proper Heights To Keep It Healthy

by JOHN H. BICKET, Assistant Farm Adviser

We are now enjoying the benefits of a nice rain. Things are taking on more and more of the appearance we have been waiting to see all winter. This is brought to mind because of the dry period which we passed through.

Corn was germinating slowly, oats as well as many of your lawns were showing the effects of the dry weather. Incidentally many home owners' water bills were changing too, except in the opposite direction — they were growing rapidly.

* * *

CUTTING THE LAWN at the proper heights will serve two purposes. First it will provide a better lawn and secondly it will prevent it from drying up and turning brown during the normally dry part of mid or late summer.

Contrary to popular practice lawns should not be trimmed closer than 2 inches, this provides the individual plants ample top growth to grow vigorously, develop a deeper and larger root system and offer more competition to weeds.

Mentioning weeds, they seem to be able to grow without water. Actually this is not true, however, they probably are more resistant to drouth than many other plants.

* * *

I HAVE HAD questions from home owners recently about the use of weed killers. They can be used satisfactorily. However, one need take a couple of precautions. Follow the directions on the container as recommended by the manufacturer.

These materials are put up in different forms and different strengths, therefore, any general recommendations will not be too satisfactory. If you are going to use them on new lawns use the material at half strength. This will not kill many of the weeds. It will merely serve to slow them down.

HOME OWNERS' QUESTION BOX

Q—Is there a way to remove oil from a concrete floor?

A—Yes. Spread dry Portland cement or hydrated lime over the oil spots. If the spots are not absorbed after several days, a solution of 4 ounces of tri-sodium phosphate and 4 ounces of washing soda to a gallon of water can be used to wash down the concrete. Flush with clear water to remove the solution.

Q—My house has brick veneer walls. Does it need insulation?

A—Yes. Brick veneer and other solid constructions do not prevent heat loss. It would take nearly 6 feet of common brick to do the work of only 3 inches of mineral wool insulation. Heat escapes through walls and roof, through plaster and masonry, through anything that is cold to the touch. Thus, even the most solidly built house will be cold in winter and hot in summer unless there's adequate wall and ceiling insulation.

Q—My neighbors say I won't be able to use colorful roofing on a house I'm building because the roof is nearly flat. Is this true?

A—No. A new method of applying asphalt shingles to roofs with slopes as low as two inches per horizontal foot means that you have all the colors you want to choose from. A roofing contractor or building materials dealer can show you the many colors available and, incidentally, explain how shingles are applied to low pitched roofs.

North Overlooks Landscape Bet In Fine Nut Trees

American house owners are urged to rediscover the "forgotten tree," the nut tree.

Every back yard landscape can be graced with one, even far north of the Mason-Dixon line, a leading tree authority reports.

The Southland has no monopoly on these delectable tree friends, Homer L. Jacobs, research director of the Davey Tree Expert Co., points out. Trouble is most weekend gardeners in the temperate climes are under the misconception such trees can't survive in their areas.

Actually, fine black and English walnut and hickory trees will thrive and produce their tid-bits as far north as Canada. The English walnut, will survive anywhere where apples grow, except the deep South. Peculiarly, winters there are too warm for successful growth fruiting.

The long-lived English walnut makes a desirable shade and ornamental tree, slightly taller than the conventional apple. The kind ideal for the northeast and midwest is somewhat different from the famous English walnut of southern California. It may be obtained from nurseries specializing in nut trees as seedlings or as grafted trees.

Named varieties of both the black walnut and hickory trees will produce nuts of the finest quality.

City, Country Motorists Protest Loop Toll Road

The possibility of paying 35 cents to drive on an expressway into the Loop is bringing mounting protests from residents of Northwest suburbs.

Thousands of residents within Chicago are also objecting to the pay-as-you-go superhighway projected for the northwest side.

Present plans provide for northwest area Chicago drivers to enter the expressway at Canfield rd., Harlem ave., or Foster ave. without a toll charge. At Lawrence ave., however, there would be a toll gate where all driver would be compelled to pay 10 cents.

Suburban residents would face a 25 cent toll at River rd. and another 10 cent toll at Lawrence ave.

The superhighway, which will join the Congress st. expressway at Halsted st., will extend north to Lake st., northwesterly near the C&NW railway to Melvina ave., west near Bryn Mawr to Oketo, and northwest along Higgins rd. to Chicago city limits at Canfield.

This toll system was developed after the county board began consideration of a plan to transfer the Northwest right of way between Cicero and River rd. to the Illinois toll road commission.

If this transfer is approved, the toll road would be free from the Loop to Lawrence ave., and a fee road from there to O'Hare field.

A petition protesting the transfer has already been signed by 25,000 residents of northwest Chicago.

Peonies On Display At Horticultural Society

A riot of peony flowers, both single and double forms, will fill the Exhibition Hall of the Chicago horticultural society, 116 S. Michigan ave., in a non-competitive exhibit starting at noon Wednesday, June 1, and open until 4:30 p.m., and from 10 a.m. to 4:30 p.m. Thursday and Friday. Each of the varieties will be marked with its name so that visitors may choose the kinds they wish to plant in their own gardens. There is no admission charge.

Among the peonies exhibited will be choice varieties from the gardens of Carl Klehm, Algonquin road, Arlington Heights, Ill. Mrs. Carl Klehm will also demonstrate beautiful decorations for the home composed entirely of peony flowers. (DL

Bannockburn Votes June 4 On $100,000

A referendum will be held June 4 in Bannockburn school district 106 seeking approval of a $100,000 bond issue to purchase land and construct additional classrooms. Of the total amount sought, $93,000 would be used for construction purchases and $7,000 for the purchase of 2½ acres of land.

Should Consider Formulas Of Grass Seed 'Fore Planting

by HOMER LANGE

One of the most important features of landscaping is the lawn. It can make or mar the beauty of one's home. Yet, despite the fact that it is inexpensive and easy to produce and maintain, each year home owners experience great difficulty and spend much more money than is necessary to enjoy the beauty of a good lawn.

The basic requirements for producing a good lawn in the Chicagoland area are the right choice of soil and proper mixture of lawn grasses . Generally speaking the soil in this area is good for lawns. Rainfall is usually sufficient and can be replaced with sprnkling during the few dry spells. Soils too high in sand content, however, are unfavorable and should be treated with black dirt, humus and peat moss, obtainable from your florist - grower - seedsman. Peat moss will insure the moisture-holding capacity of your soil which is so necessary to growing a healthy, beautiful lawn.

* * *

GRASS SEED formulas vary so much that one should have some knowledge of the "statement of contents" printed on each seed box. The cheap seed formula contains mostly rye grasses with very little (if any) Kentucky blue grass. Usually there is some of the Fescues. However, as the price increases the formulations show a higher percentage of Kentucky blue grass and chewing Fescues.

Now with the wonderful strain of Merion blue grass we find the formulas super-excellent and, of course, super-priced too. Fabulous results are forthcoming with the use of the Merion blue formulas and we heartily endorse their use.

* * *

IN MAKING a new lawn, the procedure should be as follows: Roto-til the area and spread a good 10-8-6 fertilizer at the rate of 6 lbs. per 100 sq. ft. Leave roughed up for a couple of weeks and water "in" the fertilizer several times. At the end of 2 weeks rake smooth and roll, then re-rake gently and sow grass seed, taking care to spread the seed evenly at the rate indicated on the box. After seeding, again spread a layer of shredded peat moss by hand, rolling the entire surface. It will be very necessary to keep watering the newly seeded lawn using a fine spray nozzle.

Grass, like other plants, exhausts its natural plant food. Your florist-grower seedsman can recommend a good commercial fertilizer to supply the soil with proper nutrients. In warm weather it is wise to restrict the fertilizer to one of the organic types as the chemical fertilizers invariably burn the grass and cause unneeded disappointments.

* * *

PLANTING GRASS on a slope can usually be achieved by the simple expedient of covering the freshly seeded lawn with gunny sacks. This accomplishes two objectives: It holds the germinating seed in place during a rainfall when it should otherwise be washed away, and the soaked covering permits enough water to seep through to insure proper dampening of the new lawn.

New Street Drains Can Save Thousands

A thousand dollars per mile on cost of new city streets can be saved by a new drain inlet designed and tested at the University of Illinois.

An average of 10 inlets on each side of the street in every mile take water from gutters for storm sewers. Conventional rectangular inlets built on the spot cost $100 to $125 each. The new funnel-shaped precast inlets developed at the University cost half that and are more efficient.

Square inlets or catch basins are a relic of days before city streets were paved. They served to trap solids and keep them from the drain pipes. Today, costs of sweeping hard surface streets are much less than of cleaning debris out of catch basins.

Paintings In Show

Emmett R. Post, of Gainer Park, Palatine, is among the 318 entrants whose work will be on exhibit at Gimbels, N.Y., N.Y., June 27 to July 2.

Their awards were 2 of 42 varsity awards honoring the members of the Carleton spring sports teams—baseball, track, golf, and tennis. Freshman numerals were also given in the 4 sports.

LeMay is the son of Mr. and Mrs. Kermit K. LeMay, 220 S. Hi-Lusi st., Mt. Prospect, and McAuliffe is the son of Mr. and Mrs. Lester T. McAuliffe, 524 Banbury rd., Arlington Heights.

More High School Grads Should Attend College

"We should try to find ways of drawing into college more of the upper 50 per cent of high school graduates," says Pres. Lloyd Morey of the University of Illinois.

"Now only one-third continue their education. As a result we are losing many of our best brains at a time when nearly all of the professions and skilled vocations are short of their needs of manpower."

At Illinois

Barbara Arnold, 302 Prospect Manor, Mt. Prospect, has been named director of the department of student-alumni relations for the Illini Union student activities organization at the University of Illinois for the 1955-56 year.

This organization has charge of campus-wide affairs such as homecoming, Dad's day, Mother's day, and the spring carnival, and also carries on many other activities such as the weekly club commons shows, dances, music hours, and the like.

At DePaul

Degrees will be awarded to 420 graduates at DePaul university's 57th annual convocation at 2 p.m. Monday, June 6, in the Opera house, 20 W. Wacker. Dr. Bernard L. Majewski, prominent figure in the oil industry and a senior member of the Chicago board of education, will deliver the commencement address.

Among the graduates will be Robert F. Pliska, R.F.D. No. 1, Elmhurst, who will receive a bachelor of arts degree in commerce.

At Monmouth

Recently Pi Alpha Nu, Monmouth college's honorary musical fraternity, initiated 7 new members at a breakfast held at Hedrick's restaurant in Monmouth. Miss Barbara Rahn, daughter of Ernest H. Rahn, 22 S. George st., Mt. Prospect, was one of the new initiates.

At Beloit

More than 200 Beloit college students were given recognition May 20 at the school's traditional "honors day" convocation in the college chapel. Students honored included those elected to various campus organizations for which good scholarship is an important criterion, and winners of college scholarships and departmental prizes.

Local students honored included: Robert L. Virgil, 209 S. Main st., Mt. Prospect, who received the Puelicher-Siefert scholarship of $300. A junior member of Beta Theta Pi fraternity, Virgil is editor of the Round Table, college newspaper, this semester.

At Wellesley

Miss Julie Hinds, daughter of Mr. and Mrs. Lonnie R. Hinds, 520 S. State road, Arlington Heights, was recently elected secretary of Shakespeare, extra-curricular organization at Wellesley college open to juniors and seniors interested in Shakespearean drama.

Miss Hinds, a junior astronomy major, is a graduate of Arlington Heights high school.

At Illinois

For his prominence in student activities at the University of Illinois Kenneth Krueger, RR 1, Arlington Heights, has been named to Ma-Wan-Da, honorary society for senior men.

Individual Stars Headed .500 Season For Arlington Trackmen

THURSDAY, JUNE 2, 1955

Covering Northwest and West Suburban Sports

MAC SAYS

— by G. A. McElroy

HIGH SCHOOL SPORTS SEASON has ended and Little League and Legion baseball will take interest of the boys in suburban towns along with visits to nearby swimming pools, caddying and playing golf and tennis. Palatine and Bensenville did not fare too badly in baseball, playing near the .500 mark but they were the most important teams in the last week of the season when they decided the championship in favor of Grayslake by beating Grant on successive afternoons.

Then Palatine turned around the next day and clubbed champ Grayslake's best pitcher out of the box and beat them, 6-5. The Pirates, with only 3 seniors on their squad, should be a potent force in the 1956 baseball race.

A re-hash of the year reminds us Glenbrook took the football championship undefeated with Palatine second due to a 7-0 loss to the champs and Antioch third. Glenbrook froshsophs were again undefeated.

★ ★ ★

IN BASKETBALL it was Antioch on top in both divisions for the third straight year. Palatine was second in the varsity division and Glenbrook in the frosh-soph section. Bensenville's frosh won the conference tournament.

In the spring sports Grayslake took baseball the second year in a row. This time it was undisputed. Last year it was shared with Antioch who this season dropped to the tellar.

Palatine won both varsity and frosh-soph track. It was the eighth straight for the varsity and fifth for the frosh-sophs. A frosh-soph track meet has been held only the past five seasons. Palatine again took golf for six in a row. Since the conference had a golf tournament, starting nine years ago, Northbrook took the first three and Palatine has been on top ever since.

Glenbrook unofficially won frosh-soph baseball. No standings are kept or champ recognized but Glenbrook won all their games. In outside competition Palatine won class "C" trophy at the indoor Oak Park Relays and won "B" class at their own Palatine Relays.

★ ★ ★

NEXT WEEK WE SHALL PUBLISH our own Northwest all-conference baseball team, though we shall secure the opinion of the coaches in making the selections. It is not an easy task to pick a baseball team. The game is definitely a percentage one where the best team and best players show up only after a long series of games.

Players vary in the caliber of their performance from game to game more than they do in football, track, and basketball, in our opinion.

Naming of pitchers will be the toughest task. There were a number of capable hurlers but none who did not get knocked out of the box on occasions. The teams which made the best showing all had two good twirlers and changed off a good deal. No one was in a class with Jay Hook of last year's Grayslake team.

★ ★ ★

GRAYSLAKE CAME INTO THE Northwest conference 4 years ago after being the door mat of the North Suburban league. The Rams continued to be bottom team or near the cellar in the Northwest until the past two years when Paul Subject piloted them to league baseball titles. Subject had a well balanced hustling team this year.

Howard Schroeder, a .462 hitter, was the big gun on offense for the Rams. Larry Kauffman and Gale Peregrim were effective moundsmen and relieved each other when necessary.

Grant had a fine young team but Coach Paul Lewis loses some of his best juniors to Round Lake to nullify a probable championship outfit for 1956. One of the best and key man for next year is a fine catcher, Parr, who should give Round Lake baseball chances a real boost and hurt Grant plenty. The big loss at Grant is senior Bob Klaus, most valuable player in the league, who may well follow the footsteps of his older brother, Billy, who is currently playing short for the Boston Red Sox.

Last week's report on the results of the conference golf tournament had Dennie Hodge tying for third with an 80. Our information was incorrect. The Grant player was Edmundson.

★ ★ ★

NO PALATINE PLAYERS in sports ever finished their prep careers in a more outstanding manner than did Alan Eck and Tom Hillesheim. Eck won three firsts in the league track meet, setting a new 440 record and running the 100 and 220 just a tenth of a second slower than the record. Tom Hillesheim closed with a no hit pitching performance against Grant which knocked them out of a share of the conference

(Continued on next page)

5 School Marks Set During Past Season

A 50-50 record with several individual performances — that best tells the story of the 1955 track season at Arlington Heights high school.

The varsity squad, coached by Russ Attis and Bill Beckman, won 4 of 8 duals, including wins over Glenbard, Downers Grove, Glenbrook and Lake Forest. Losses were to Maine, Hinsdale, York and Elgin.

The squad finished competition last week in the league meet, then elected John Sheppard captain. Jack Johnston was named for the Creamer award, voted to the outstanding track man on the squad.

* * *

HEIGHTS NEVER finished high in any of the relays. The locals copped seventh in Evanston relays with 17 points, and 12th with 12½ points in Palatine Relays. The Cardinals finished fourth in Hinsdale relays with 47 points.

Bright light was the district meet at Evanston when 5 Heights boys qualified for the state meet a week later. These included Bill Palmer, who won the district at 5'11¾", then cleared 6'2" to win the state. Dave Schimmel ran the low hurdles in :20.7.

* * *

JACK JOHNSTON put the shot 52'4½", Dennis Striegel the shot at 51'4½". John Lukan tossed the discus 142'11". Of the 5, only Palmer brought home points for the Cardinals, and that a state championship.

In the conference Heights finished sixth with the frosh-sophs copping fifth. Graduating lettermen include George Buechner, Ray Hornbostel, Jack Johnston, Harrison Kennicott, John Lukan, Wayne Mueller, Griffith Pritchard and John Sheppard.

Lettermen who'll be back next season include Lew Green, Ken Korcek, Larry Long, Bill Lussow, Bill Randag, Dave Schimmel, Dennis Striegel and Dick Van Note.

* * *

SCHOOL RECORDS sets included 5, starting with Palmer's outstanding high jump height at 6'2". Mile relay team of Lussow, Korcek, Hornbostel and Buechner set a new figure of 3:36.8.

Dave Schimmel set a new mark of :20.6 in low hurdles. Two mile relay team of Lussow, Randag, Hornbostel and Sheppard set a new figure of 8:41.4. Arlington also set a new school record in winning 4-man shot put in Hinsdale relays with Johnston, Striegel, Lukan and Mueller tossing the shot an aggregate 189'10".

* * *

OUTLOOK for next year is good and bad. On the right side are broad jump, high jump, shot and discus, in which events Cardinals should be as good or better than this season. Coach Attis expects some improvement in hurdles, too.

Mile relay will probably be equal to this year. On the bad side, not much speed is expected in the sprints, with no top notch pole vaulter expected. Number of sophomores out for track this year, too, was disappointingly small.

Just 5 sophs were out, including Palmer in high jump and hurdles, Norman high jump and broad jump, Ashley Haase in 440 and mile relay, Dick Fischer in weights and sprints, and Carl Klehm in weights.

Rain Delays Openers In Arlington Little League

The weatherman frowned upon Arlington Heights Little League opening games Saturday, but all games were played according to schedule Monday. At 12:45, all players and spectators gathered at the northwest diamond at Recreation park. While Bobby Bates held the American flag, the players lined up on the base lines and the Star Spangled Banner was played.

Bill Inman, president of Little League, was introduced and in turn introduced the rest of the officers. All the players repeated the Little League pledge, then Rev. Stephan, chairman of the religious committee of Little League, led the group in prayer. Jeff Allison, champion ticket seller for the Silver Whistle threw out the first ball and the game was on.

* * *

THE LATER GAMES were started in a similar manner with the playing of the Star Spangled Banner while Nicky Tuttle and Dick Passmore held the flag, and the boys repeated the pledge.

Following is the schedule of games from Thursday through Saturday. Printed schedules will be available then and will be given to all boys and parents.

Thursday, June 2: Dodgers vs. Braves, high school, 6:30 p.m.; Yankees vs. Athletics, junior high, 6:30 p.m.; Senators vs. Redbirds, Recreation park, southeast diamond, 6:30 p.m.; Beavers vs. Padres, south park, 6:30 p.m.

Bob McDonald Wins JC Golf Tournament

Bob McDonald, Arlington High school golfer who only recently recovered from a shoulder operation, shot a 1 over par 72 at Old Orchard golf course Friday afternoon to win the Arlington Heights junior chamber of commerce golf tournament. Victor in a sudden death play off for second place was Wayne Rolfs, who had tied Mike Spinello 74 at the end of the regulation 18 holes.

Wayne said afterwards it was the fifth such sudden death playoff he had participated in this spring and the first he had won, but it took a birdie 3 on the par 4 second hole to beat the steady play of Spinello.

* * *

MCDONALD and Rolfs will go to Lisle, Ill., July 11-12 to participate in the state J. C. tournament. They will then have a chance to qualify for the national tournament.

In the driving contest, John Goetz, Palatine, won handily with a drive of over 300 yards. Second place honors went to Gunder Rask of Arlington.

Banquet Speaker

Banquet speaker at Arlington Heights high school's all-sports dinner Wednesday night was Gib Holgate, Yale university freshman football coach.

Red Legs and Phillies tied in Pony league ball. Red Legs scored singletons first, second and fourth innings, but Phillies came back with 1 in the fourth and 2 in sixth to tie.

Red Sox whipped Athletics in Little League competition Monday, 13-2, including 6 runs in the first and 4 in the third. R. Finch homered for Red Sox with D. Markus carded a double for the losers.

Yankees tallied 2 against the White Sox in the opening frame, but the Sox immediately came back with 3 to take the lead. Yanks pushed across a pair in the third, added a singleton in the fourth and 2 in the fifth for a 7-3 victory. Extra base hits included homers by J. Kennedy and P. Tossman of Yankees and D. Blix of White Sox.

* * *

IN NATIONAL league play Cardinals whipped Braves, 10-5, notching 3,2,2,3 runs starting in the second frame. Included were 4 homers for the winners by T. Benson, J. Golle, L. Pakyz and J. Nelson. D. Hartman knocked 2 doubles for the losers. Braves scored 4 runs in the sixth and last inning, but it wasn't enough.

Dodgers drew first blood against Cubs with 2 runs in the first but Cubs came back with 3 in the third to take the lead. Dodgers tallied once more in bottom of the third, then withdrew from scoring column as Cubs added 2 in the fourth and 3 in fifth. F. Lussow homered for Dodgers.

* * *

THE SENATORS were determined to set a record against Tigers, scoring 8,2,1,7 and 3 runs for a 21-4 victory Monday. All those hits, however, were singles except a homer and double by G. Geane of the winners. Tigers tallied once in the second and thrice in the sixth.

Deuces were wild Monday as the Giants beat Pirates, 9-5. Winners scored twice in first, second, fourth and sixth innings, plus once in third. Losers tallied 3 in third and 1 each in fourth and fifth frames.

Palatine won their eighth straight Northwest conference varsity track championship last week Wednesday when they scored 84½ points for the high point total in their title winning string of victories. Glenbrook with 39¼ was far back in second place closely pushed by an up and coming Bensenville team.

Star of the meet was Alan Eck, of Palatine, who won the 100 yard dash and 220 in time just one tenth over the records, and took the 440 in the record time of :52.5 for a triple victory and 15 points. It was a fitting climax to a great prep sports career for the talented Palatine athlete.

* * *

GLENBROOK'S 880 relay team composed of Jim Bennett, James Baerwaldt, Robert Stines, and Gary Windels set a new mark of 1:36.5 to wipe out the oldest mark on the record book set by Bensenville in 1941.

Palatine won 9 firsts and tied for a tenth. In spite of cold weather the times, heights, and distances were well above the usual standard. The Pirates finished first and second in the 220, 440, and 880 and had Jim Hess, league record holder in the 100 yard dash not been incapacitated, would undoubtedly had a 1-2 in that event as well.

In addition to Eck, Palatine's first place winners were Bruce McClung 2:09.6 in the 880, Dave Cornwell :21.6 in the low hurdles, Leonard Wiese 4:46.7 in the mile run, Bob Fremd 10' in the pole vault, Leonard Rohde, 44'11" in the shot put, and Dave Nesset 5'7" in the high jump for a tie. Palatine also won the mile medley relay with the running being done by Steve Cornwell, Douglas Peterson, Jim Eldridge, and Roy Hahnfeldt.

* * *

BENSENVILLE came up strong this year. Joe Masotti won the broad jump with a jump of 20' 10¾" and took third in the 100 yard dash. Tom Philaben tied for first in the high jump. William Ripperger ran 447.7 for second in the mile and Dick D'Hooge took third in both high and low hurdles.

Glenbrook's second place team was led by Bob Stines who won the high hurdles, placed second in the lows, and ran on the record breaking relay team. Gary Windells took second in the 100 and third in the 220 and ran on the relay while Jerl May took second in the shot and third in the discus.

The only firsts won outside the first three teams was Sims' victory in the discus throw for Wauconda. In fact no other school got a second in an individual event except Ben Floyd's victory in the high hurdles for Antioch.

* * *

DAVE CORNWELL came through strong for Palatine to score 11 points by winning the low hurdles, taking second in the broad jump, and fourth in the high hurdles. Bill Thompson had a second and a third in the weights and Leonard Rohde a first and a fifth.

The :54.6 quarter mile run by Jim Eldridge, a freshman, to gain a second for Palatine and the :23.8 220 run by sophomore Dave Wagner for a second indicates Palatine has some good runners coming up. The same goes for the 880 leg of the medley relay run by

May Form Colt Baseball League In This Area

Possible formation of a Colt baseball league in this area is up for consideration, according to Ed Schumacher of Arlington Heights Little League organization.

Not enough boys have signed for Colt league competition in Heights. Schumacher is looking for other Colt teams in towns of this area with an eye to forming an area league.

Teams interested are asked to contact Schumacher immediately at CLearbrook 3-0474.

Merchants Win Mt. Pros. Little League Opener

Mt. Prospect Little League season started Memorial day with a victory for the Merchants over the VFW to the tune of 5-2. After His Honor, Mayor Lams, tossed the first ball, Dahlquist, Merchants pitcher, proceeded to tie up the Vets, registering 12 strikeouts and allowing only 2 hits.

Merchants' big inning was the second with 3 runs, a walk, 2 singles, and a double doing the trick. In the third they pushed 2 more runs across and that was the ball game.

championship.

When Bloom high won the South Suburban track meet, beating state champ Blue Island for the third time during the season, it proves the fact that a few real good men can give a school a state championship but a well balanced team with boys who can get seconds and thirds wins the dual, conference, and district meets. Willie May set league records as expected in both hurdle events. Ralph Steben, former Wauconda track coach directed the Bloom team to the second league title in three years.

NORTH CHICAGO, in their first year of existence as a school, has a team in the state baseball tournament. Coach Guy Curtright, who used to develop such potent diamond squads as Woodstock, is handling baseball and serving as athletic director at North Chicago. Assistant principal Les Harman told us last winter the sport North Chicago would always be tough in would be baseball.

Curtright has two very fine pitchers in Willie Thompson, a right hander, and Carl Cepon, a lefty, and his own son is one of the club's good hitters.

This, on top of North Chicago's third in the state track meet with Estes winning the 100 and 220, is surprising for a new school. Most of the stars were former Waukegan athletes and the latter school was down in the two major spring sports as a result.

Barrington finished in the unfamiliar spot of last in the North Suburban baseball standings this past season but Don Suchy of the Bronchos won recognition with a .500 batting average and a .449 average for his prep school career, best in the history of the circuit. Barrington did win golf and tennis in the conference this year, but track and baseball were at low ebb.

NORM STENZEL, Palatine hurdler, has been granted a track letter at Dubuque . . . John Busch of Palatine was given a basketball letter . . . Glenbard's Bill Harrison was given one in wrestling . . . Intramural honors were accorded Bob Burden for spring activities, Bob's football letter having been awarded earlier in the year . . . Pirates' Paul Schrage received a baseball letter at Valparaiso.

Record breaker in the 2-mile at DeKalb this year was John Kilcullen of Maine whose best was 9:52.4 . . . Grayslake's Harold Grant copped his second straight IIAC javelin title for DeKalb.

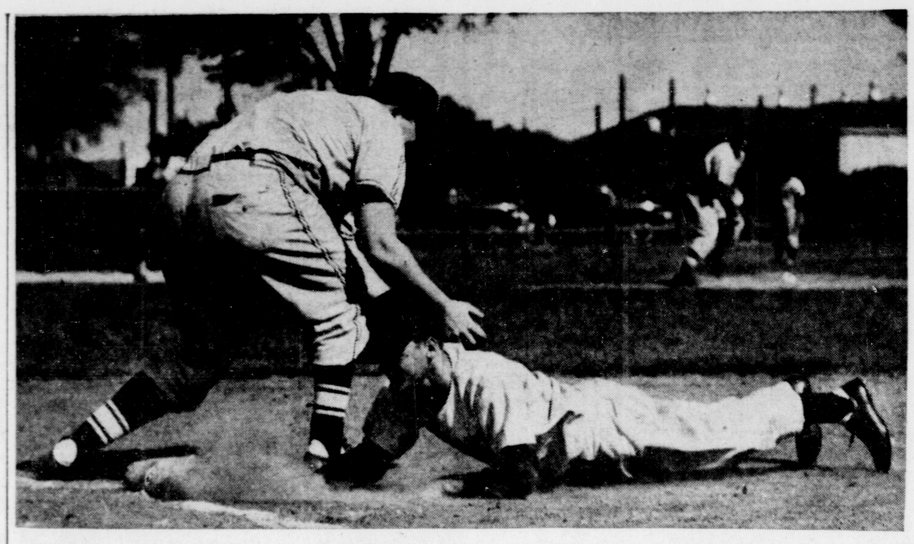
Once again women who make holes-in-one on the links this summer will receive "mink coats" for their woods, that is . . . Past 4 years number given by a couple of sports minded furriers have increased from 11 to 22, 25 and 28 . . . Glenbard's Mike LaPorte never scored a point at end in 3 years of football, but made all-league, prexy of G-club, and prom king . . . One of the better soph nines in the West Suburban league has been Glenbard, which copped 5 in a row before tying LaGrange in the final.

★ ★ ★

THERE'LL BE NO OFFICIAL all-league baseball team of West Suburban league, for second year in a row. Chicago papers will have selections according to 3 or 4 diamond mentors, but league rules specify no selections will be made by individual coaches except through joint action.

Thus, again this year no Heights players are expected to receive mention in metropolitan press selections, with every newspaper having the logical right to select any all-star team they wish.

Officially, however, no West Suburban league team is being named, and Paddock Publications is going along in deference to league rules. Publication of all-star basketball and football teams, plus baseball squads prior to last year, have appeared in these sports pages, in cooperation with league coaches. We hope the baseball selections will reappear next season.



Tremendous lead-off almost backfired for Barr of Downers Grove against Arlington Tuesday as he attempted to get a head start for a stolen base. Doug Winkelman tossed to Dave Lynk at first, almost catching Barr, but the Downers third baseman later stole second and went on a hitting spree to lead his mates to a 11-3 victory over the locals. —Staff Photo

LaGrange Weightmen Lead Way To Another Track Title

VARSITY

Lyons	46	R-B	23½

York	35½	Hinsdale	11
Maine	29½	Downers G.	6½

La Grange weightmen and the spill of Strunk of Glenbard gave Lyons township high school another West Suburban track championship at Riverside-Brookfield Wednesday of last week. Scoring more points than any other school also had an effect on the title.

But when La Grange weightmen scored unexpected points they more than made up the difference of missing sprint men so evident in past years' La Grange track squads.

J. Braden took the discus at 146'3½" for La Grange with teammate L. Gauler winning second. In the shot it was B. Arnold winning for La Grange at 51'7". Those 14 points were a big factor in the decision as La Grange carded 46 points to Glenbard's 42.

* * *

THE BARDS, who were weight conscious, themselves, the past couple of years, failed to garner a single point in the weights. In addition, the Bards' ace hurdler, Strunk, was among a group of 5 hurdlers who fell last week Wednesday.

His fall while far in front, cost Glenbard 4 points and gave La Grange an extra point. At that, Strunk finished fifth. Glenbard York and La Grange were all rated near-favorites in the league meet, though most track fans expected La Grange to finally be dethroned.

* * *

ARLINGTON, with their ace high jumpers competing with the sophomores, finished sixth with 16 points. Dave Schimmel ran low hurdles in :20.8 for second. Dennis Striegel took second in shot.

Heights thirds were carded by Jack Johnston in shot, John Lukan in discus. Coach Russ Attis' thinclads copped 2 fifth, including John Sheppard in mile, running 4:49, and Wayne Mueller in discus.

They Can't Win For Losing

Arlington Heights high school Cardinals can't win for losing.

With 4 Cardinal sports teams leading various encounters Thursday, the rains washed out all 4 victories, much to the chagrin of athletic director Wally Grace.

Wally was aiming for the school's 100th victory of the year, with the record standing 99-94. That mark still stood Tuesday morning after rains washed out the 5 Thursday contests.

Card soph nine was leading Downers, 1-0, Varsity tennis team was ahead, 4-1, at the end of first sets against Crystal Lake. Heights golfers were leading both Bensenville and Glenbrook at the sixth green.

Rain cancelled all contests. Also cancelled were freshman and sophomore baseball games with North Chicago, originally rescheduled for this Thursday, due to

Indians Win, Sox Beat Braves In Northwest Pony League

by BETTY KIRCHHOFF

Due to weather conditions, 3 games scheduled last week in the Northwest Suburban Pony League were cancelled. These will be played at a later date.

Prospect Heights Indians trounced VFW Cubs, 11-3, at Prospect Heights Saturday, May 28. The game was nip-and-tuck until Dave Soenksen, losing pitcher, lost control and gave free passes to 6 Red Men in the fourth. These walks, together with a hit and an error, accounted for 7 of the Indians' 11 runs.

They got the other 4 the next inning on 3 hits and 3 bases on balls. Tom Reinsma, winning hurler, had a shut-out working for himself but the Cubs put an end to this with 3 runs in the last inning.

VFW SOX trimmed the Builders Braves, 7-5, in a contest which gave the managers ulcers for sure Monday, Memorial day. The Sox got off to an early 3-1 lead on Tom Henkel's double with 2 on in the second inning. This held up until the fifth when the Braves knocked Fritzie Peterson out of the box with 3 runs to go ahead 4-3.

The game then proceeded quietly until the Sox half of the seventh. Freddy Boedeker got on base and was out trying to steal third. Denny Hahn, winning twirler, slammed a 2 bagger and scored when Ken Grams went to second on a dropped third strike. George Bork, last hope for the Sox, fanned but again Virgil couldn't hold onto that ball so Grams came in with the leading run.

The Braves came right back to knot it up in their half of the inning. Thill doubled and Virgil drove him in with a solid single to left. The Sox wrapped up the game in the eighth on Henkel's walk, an error, and a passed ball.

Coaches' Staff At DeKalb Clinic

Four outstanding high school coaches from the northern part of the state will join the coaching staff at Northern Illinois state teachers college to conduct the annual coaching clinic at the DeKalb school June 22 and 23.

Heading sessions on basketball will be Alex Saudargas, coach of the West Rockford state championship quintet, and Bill Chesbrough, coach of runner-up Elgin high school. Saudargas is a Northern graduate.

Bernie Mitchell, coach at Sterling High School for the past 11 years, and Don Maechtle, who coached Princeton high school's outstanding team last year, will lead football sessions.

Bob Kahler, head football coach at Northern, and Bill Healey, Huskie cage coach, will be in charge of question-and-answer periods after each session.

Downers Grove Tumbles Heights In Finale, 11-3

Arlington Heights high school baseball team rang down the curtain on the 1955 season Tuesday at Recreation park, bowing to Downers Grove, 11-3. Cardinal coach Howard Lester cleared the bench in this final, after his boys were already behind, 8-0, in 2 innings.

The local nine had its job cut for it Tuesday, attempting to beat one of the best teams in the league. In addition, athletic director Wally Grace had given the challenge to take the local high school's 100th victory of the year.

* * *

THE BOYS couldn't come through in the final contest for Cardinal teams. Varsity and frosh-soph squads in all 9 sports won 99 and lost 95 for the school year. JV and freshman games were not counted.

Stan Fletcher was named honorary captain by members of the team immediately following the game. Ron Ashley was named captain-elect for next year.

* * *

DOWNERS GROVE started fast against Heights. Sienkowski walked, and was brought home when Bonomini tripled. Singles by Barr, Gleim and Schlagel, plus a couple of sacrifices, brought in 5 scores.

In the second inning after 2 were out Bonomini and Barr walked, Wedell singled. An error and a hit batsman helped visitors tally 3 more.

Downers didn't score again until the sixth when a single by Bonomini and triple by Barr brought in a singleton. In the seventh the winners tallied twice on singles by Gleim and Weiskopf, plus a walk to Sherrill.

* * *

ARLINGTON scoring included a pair in the third and single score in the fifth. Dick France singled in the third, was sacrifced to second, and moved to third on Fischer's single. Denny Maher singled, scoring both boys.

In the fifth Doug Winkelman was hit by a pitched ball, stole second, and came home on an error by Gleim.

Twirling for the Cardinals were Winkelman, Sujack, and Smeby. Eighteen Heights boys saw action. Top hitter of the day was Barr of Downers with 2 singles and a triple, scoring 3 times. Gleim and Bonomini each garnered 2 safeties.

Card Golfers End Season With 16-1

Arlington Heights high school golfers closed another successful season last week when they copped West Suburban league championship. Varsity won 15 of 17 matches, only losses being to Leyden a district winner over Heights by 1 stroke, and Waukegan.

The Cardinals whipped Leyden first time out, 10-5, but Eagles won the second meeting 10½-4½. Victims of Coach Curtis Larsen's golfers, other than league foes, were Waukegan, Glenbrook, Palatine, Niles and Crystal Lake.

Final matches with Bensenville and Glenbrook Thursday of last week were cancelled after rain intervened.

Variety Store Takes First By Half Point In Rob Roy Golf

Variety Store, led by Art Orwiler, trounced Prospect Heights Service Station, 5½-1½, and moved into first place in Rob Roy League. At the same time last place Prospect Hts. Pharmacy stopped Hartman House, 4-3. Net result of these 2 matches put the Variety Store in first by ½ point. Walt Haubner played the big part for the Pharmacy when he topped Ray Meyer. This was the replay of the old story of David and Goliath.

Wheeling Bowling Lanes continued to be the dark horse in the race by swamping Webber Paint, 6-1. The win gave the bowlers a firm hold on third and leaves them within striking distance of first. Marshall Balling was mighty glad to see Bob Schultz's card because it brought home all 3 of the team points. The Painters, in losing, dropped to a tie for fourth.

* * *

THE CO-HOLDER of fourth place, Park Ridge Stop and Sock, played L-Nor Cleaners to a 3½-3½ tie. Bert Casteel, of the Park Ridge gang, felt pretty good when he posted his 37 and it looked like a big win until Don Mueller of the Cleaners, turned in his card to even things.

Dunteman Dairy was victim of a close one, finally bowing to Ehler-Wenborg, 4-3. C. Owen provided the winners with the necessary margin when he posted a 43-10-33 card. Len Dunteman posted 39 and almost carried his whole team to a win.

* * *

MICHAELS IGA gave Wulbecker Furniture a rough time and beat them, 5-2. Deciding factor was Wayne Rolfs, who posted an even par 36. Wayne had 2 bogies, 2 birdies and 5 pars for his night's work. Next week pits father against son when Virg plays his son, Wayne.

Carl Hammerl drummed some action into Smith Dawson and they nearly blanked Kirchhoff Insurance, 6½-½. Carl did his share by turning in a 39.

NEXT WEEK Hartman House takes on Webber Paint, Variety Store plays Dunteman Dairy, and Wheeling Bowl will tangle with Wulbecker Furniture.

This week's Blind Bogey winners were Len Arnold and Norm Peterson.

Golf Medalist For Carleton In Midwest College Tournament

Carleton college's sophomore-studded golf team finished second in the midwest conference golf tournament at Coe, Iowa, May 20-21. The Carls shot 663 as Knox's team carded a 662 to win its fourth consecutive title.

Medalist for the conference was Carleton sophomore Bob LeMay from Mt. Prospect. The stocky slugger fired a 79 Friday and a 78 Saturday to wind up with a 157 stroke total for 36 holes. He finished three strokes ahead of his nearest rivals.

Coach Merrill Jarchow's linksmen went into the conference tourney with a 2-4-1 record in dual competition and were not conceded a very large chance of finishing in the top ranks. Even their performances in the final three matches of the year, including a 17½ —½ trouncing of St. Olaf, did not boost the odds in their favor.

Now, however, with only one loss via the graduation route in sight for the next two years, the Carls will be gunning for the top spot next year — and they have a good chance to cop it for two straight. (Sp

Wille Lumber Holds Slight Lead In Monday Golf At Mt. Prospect

Wille Lumber is leading Mount Prospect Monday golf league, just 1½ points ahead of Mt. Prospect Lions. That's the picture after May 23 competition with play becoming stronger as season progresses. Another close race is forecast with greens in excellent shape.

Counterfeit Paintings Find A Ready Market Among Americans

by BILL DILLINGHAM

United States imports more counterfeit paintings from Europe than any other country in the world. All of the best falsifiers work with an eye to the lucrative American market.

One of the important relay points for these paintings — works that bear the famous names of Rembrandt, Renoir, Manet, etc., but that these men never painted is Paris. The French police have created a special section which devotes itself to checking the authenticity of doubtful works.

* * *

IN RECENT weeks the Parisian police have collected fourteen bogus pieces that had come from "workshops" in Rome. Most of them, police stated, were about to fall into the hands of this summer's American tourists. (Art-minded Americans visiting Europe this summer should exercise extreme caution!)

Judging the authenticity of a painting is tricky business even for the experts. There are elaborate tests for the oil and canvas. A bogus work that has been done by a "master" can escape almost any detection. Even those men with years of experience in the art business are fooled now and again.

* * *

SOME RESPECTABLE dealers have been known to purposely put a counterfeit onto the market. Their motives were not always economic, police say, but humanitarian.

They feel pity for an artist who has unrecognized greatness and wh can paint a Gauguin better than the old master himself, yet who is forced to live in poverty scraping along from day to day.

One such dealer who was arrested in Paris explained that it was the snobbery of art enthusiasts that keep great painters living in poverty. People seem to believe, he said, that a man cannot paint a master piece on a full stomach. He tried to make a semi-legal defense by saying that if people cannot tell the difference between authentic and bogus pictures, then the emotional affect to the eye must be the same, adding that art has a alse basis when his customers enjoy something because they know a man of greatness did it.

* * *

THE POLICE, however, take a different view in these cases. They point out the case of Maurice Utrillo. Some 140,000 pieces of work, allegedly done by him, have been sold. This supposes that the painter, during fifty years, did up eight pictures a day. Most of these counterfeits were sold to Americans.

One classic case of bogus painting concerned a thirteenth century church in Lubeck, Germany that developed cracked walls during an airraid. A bit of plaster was removed and, alas, somebody claimed that murals of the fifth century lay beneath! A painter was summoned (one known for his duplicating abilities) and told to "restore" the work.

He claimed later he didn't see anything except a blank wall, but his instructions were to "fix everything up." He did so, borrowing the faces of saints from books, and when he was finished even Adenhauer made a visit to the church. Eventually the truth came out, however, much to the embarrassment of everybody concerned.

NEEDLE in the GROOVE

by PAUL LITTLE

Modern hi-fi discs require regular care to preserve the full rich range of tone which the disc engineers have captured in their sensitive microgrooves. It's best to stack them vertically and tightly together on a shelf or in a cabinet, with the ten-inch lps together by themselves and the twelve-inchers together and apart. Never pull a disc out of the cover, but buckle the cover gently and then lift it out. Don't hold the disc on the surface, but rather by the center or uncut edge.

Finally, use a cleaning fluid like Stati-Clean, applying it with a soft cloth in circular motion. This keeps out dust and static electricity, which otherwise the needle will grind in. And, if you're using a magnetic cartridge, take a little soft brush and gently brush off the dust and dirt which always collects at the needle tip. Your records will have much longer life and sound better if you follow these simple rules.

* * *

COLUMBIA has given us some wonderful new waxings this week. One is a four-disc set of 60 sonatas for harpsichord by Domenico Scarlatti, beautifully played by Ralph Kirkpatrick. This eminent artist was just decorated by the Italian government for his service to the cause of Scarlatti's enchanting music, and he recently wrote a penetrating book on the composer's creative work. Scarlatti was a superbly imaginative artist, far ahead of his time.

He did not live to hear the first true piano, but his harpsichord writings have a color, rhythm and breathtaking speed which anticipate that versatile instrument. We recommend this album highly as a wonderful and unusual listening treat. It is also a true test of a good home hi-fi system; the twang and clarity of the harpsichord's tones should be cleanly reproduced, without blur or loudness.

* * *

PHILADELPHIA Orchestra under Eugene Ormandy has just recorded the late Bela Bartok's Concerto for Orchestra on a new 12-inch Columbia lp. This frail little man (illness in his last years while in New York reduced his weight to 87 pounds!) was one of the titans of music. This concerto bristles with biting, savage beauty, with lyric richness, with a wit and poetry which make us realize what a tragedy it was that Bartok was allowed to die in poverty and neglect. The sound reproduction of this recording is sensational!

'South Pacific' At The Music Theatre

Pulitzer prize musical "South Pacific," performed in the round with stars of the Metropolitan opera, Broadway and Hollywood singing the Rodgers-Hammerstein-Logan hit, opens the Music Theater season in Highland Park, June 10 through June 26. The popular 1200-seat theater is at Lake-Cook road, between Edens and Skokie highways.

Walter Cassel, who just scored his highest praise in "Tosca" at the New York Metropolitan Opera, sings Emile de Becque. Bill Hayes, who recently won a gold record for the 1,000,000th record of "Davy Crockett," sings Lt. Cable.

Betty Jane Watson, who sang the lead in "Oklahoma" for four years in Chicago, New York and Hollywood plays Ensign Nellie Forbush and has cut her beautiful blonde hair for the role.

Other shows scheduled are "Best Foot Forward" with Magda Gabor of the famed Gabor family and Marilyn Cantor, Eddie's daughter, June 27-July 7; "Guys & Dolls," July 8-24; "The Golden Apple," August 4-18 and "By The Beautiful Sea" with Mimi Benzell, August 19-September 4. (Bill

Allgauer To Open Park Ridge Eateries

Gustav Allgauer, noted Chicago restaurateur, has contracted to operate the extensive dining rooms of the new Summit hotel now under construction in Park Ridge. The operation will include a coffee shop, main dining room with a seating capacity of 1000, and several private dining rooms.

No. 1 Band

Ralph Marterie's orchestra rated No. 1 band in the nation in a recent juke box poll, will provide the music for the 18th annual K. of C.-CYO youth benefit ball at the Chicago Stadium June 8.

Stars of stage, screen and radio will also be on the program with proceeds going to the CYO Underprivileged Youth fund. (Bill

Chamber Music

The first of 6 chamber music concerts by the fine arts quartet will launch summer session activities Monday, June 20, on Northwestern university's Evanston campus. Classes will open Tuesday June 21.

Other concerts by the quartet, one of America's leading ensembles, will be June 27, July 5, 11, 18, and 25, all at 8:30 p.m. in Lutkin hall.

Woman Flees Car Seconds Before Train Hurls It 100 Feet

A Des Plaines woman last week abandoned her car seconds before it was struck by a train and hurled 100 feet from the point of impact.

Ella Grace Breiter, 67, of 1115 Morse st., had stopped her car on the C&NW crossing at Pearson st. for a red light shortly before the warning whistle of the train sounded. Cross guard gates blocked the car, and Mrs. Breiter escaped when she saw the train streaking down the track toward her.

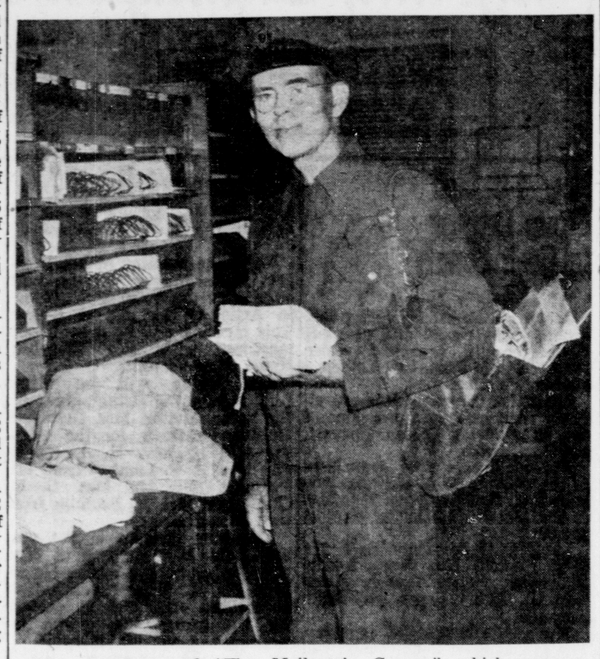
Columnist Of The Week



The author of "The Mailman's Corner," which appears weekly in all Paddock Publications, describes it as "home-spun philosophy." "It is a general observation of the way people live," said Leland Ellis Truxell, a mailman for 29 years. "Every column written springs from personal contact. I carry a notebook on my route and jot things down."

At one time the column appeared in 17 different newspapers, but he limits it now to the Paddock papers. In addition, Mr. Truxell has sold more than 2,000 articles, stories, and poems to religious publications and newspapers. He is now feature writer for the Park Ridge Herald.

Leland was born in Des Moines and lived in North Dakota and Minnesota before coming to Chicago, where he has worked as mailman out of the Norwood Park station ever since.

He and his wife, Martha, live at 412 S. Prospect ave., Park Ridge. She has a collection of more than 111 varieties of African violets. A married son lives in Mishawaka, Indiana.

IN MEMORIAM

In memory of Ernest Jaacks who passed away one year ago June 9, 1954.
Memories are treasures no one can steal.

Glenview Naval Station To Hold Open House

An open house, planned to acquaint youths with activities of the Naval Air Reserve, will be staged Sunday from 8 a.m. to 4 p.m. at the U. S. Naval Air station, Glenview.

The program, sponsored by Naval reserve aviation squadron VA 722, will include a tour of the station, and films taken during the recent record-breaking cruise in Florida.

Enlistment in the air reserve, open to men between 18 and 18½, defers the enlistee from the draft for a period of approximately 1 year. Since men are currently being drafted at the age of 21, this deferment keeps him from being drafted until age 22, by which time he will probably graduate from college.

Upon receiving draft induction notice, the member of the Naval Air Reserve can enlist into the Regular Navy for 2 years at whatever rate he has earned during his time in the reserves.

Full pay is provided for attending 1 weekend a month, with each half-day equal to one full day's pay. The same extra pay for logevity, flight time, etc., provided the regular Navy is allowed to members of the Naval Air Reserve

Each year the Reservist spends 2 weeks on active duty. In addition, he can choose a specialty in any one of a number of technical jobs, thus learn a valuable trade at the expense of Uncle Sam.

Open House At Naval Air Station

"Get acquainted with your naval air reserve" is the theme of an open house being sponsored by reserve attack squadron, VA722 at the naval air station, Glenview, Sunday, June 5 between the hours of 8 a.m. and 4 p.m.

Conducted tours of the entire naval air station will be given by members of Squadron VA722, during which the latest in jets, helicopters, aircraft engines and armament will be shown.

VA Loans

Veterans administration received 1,875 applications for the guaranty of GI home loans during April 1955, the ninth straight month it has topped the 1,700 mark, Robert D. Beer, Illinois VA Regional Office Manager, announced.

April total was 141 above the 1,734 applications received by VA in March, and 50 per cent more than the 1,212 received in April 1954.

4H CLUB

New 4-H Club Group Largest In Cook County

"Everybody welcome!"

That's the cheerful greeting that awaits young people at 3 new 4-H clubs recently organized under sponsorship of Immanuel Lutheran church, Palatine.

More than 65 youngsters are already participating in programs of the Busy Bees, Golden Harvest, and Potato club.

One of the original organizers of the clubs is A. A. Koskela, who with Earl Seville directs activities of the Potato and Golden Harvest clubs.

Leaders of the Busy Bees are Erna Koskela, Eva Preus, Lucille Withaeger, Peggy Collier, Helen Schmidt, Ruthy Beyer, and Edith Bennett.

The group, largest 4-H organization in northwest Cook county, will eventually move into new quarters at the Salem church, recently purchased by Immanuel Lutheran church as an annex to present facilities.

At present, the clubs are preparing entries for the 4—H Fair in August.

Teen-Agers Must Have Social Security Numbers For Summer Work

Vacation time for many teenage girls and boys will be the first opportunity to earn money for some special item or for future school expenses. "When applying for that job," counsels northwest social security district manager Julius Berman, "be sure you have a social security account number card to show your prospective employer."

"Your social security account number will be required by the employer, and with it you will begin building your own social security account for the future," he explained. "No person should have more than 1 account number," he added. If a card is lost, apply at the nearest district office and a duplicate showing the same number will be issued. The young lady who marries after she received her social security account number should ask that her name be changed on her record. She will be issued a card in her new name but with the same number.

Mt. Prospect Home Bureau To Meet June 8

The June meeting of Mt. Prospect home bureau will be held June 8 at the Farm Bureau hall in Arlington Heights at 1 p.m. This meeting will be a combined meetiing with the Wheeling Home Bureau unit.

Share-The-Fun At Fieldhouse June 16

North Cook 4-H club share-the-fun activity will be held at Arlington Heights fieldhouse starting at 7 p.m. on the evening of June 16. This is an opportunity for all 4-H club members to share with all the talent they may have in their local clubs.

The program will start at 7 p.m. and talent will register as they arrive following in that sequence on the program.

Winners of this county contest will join the winners of the South Cook contest to participate in the district share-the-fun contest to be held at St. Charles high school gymnasium in St. Charles starting at 7 p.m. July 6.

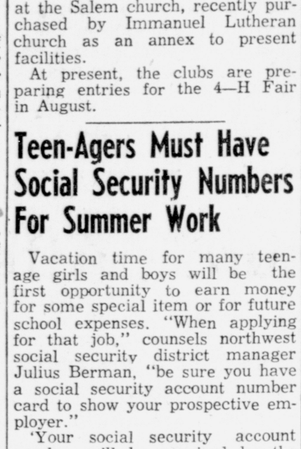
In Pacific



Undergoing two weeks' active duty training aboard the attack air craft carrier USS Boxer in early May was Navy Cdr. William J. McNeil of 730 Beverley lane, Arlington Hts. The reserve officer, an attorney, has been a member of the board of trustees in Arlington Heights since 1954.

In Missouri

Pvt. George W. Schueneman, nephew of Mr. and Mrs. Peter Kappler, Rt. 2 Benton, Palatine, has recently completed basic infantry training at Fort Leonard Wood with a unit of the 6th Armored division.

After induction into the army at his home station, Pvt. Schueneman processed through the 5045th ASU Reception Station at Fort Leonard Wood, where he received initial army clothing, and took basic qualification and aptitude tests to determine his assignment in the army after completion of basic training.

In Korea

Cpl. Wayne E. Rabe, 24, whose wife, Gerrie, and parents, Mr. and Mrs. Henry G. Rabe, live on Briar lane, Bensenville, recently spent a week's leave in Tokyo from his unit in Korea.

Rabe, overseas since March 1954, is a crane-shovel operator in headquarters and service company of the 14th engineer battalion.

He entered the army in May, 1953, and completed basic training at Fort Leonard Wood, Mo.

A Man Hardly Ever Has TIME To Regenerate

Rainbow Does It Automatically While You Sleep

FULLY AUTOMATIC

$295

Plug this unit in the wall and your hard water problems are completely eliminated. Not even a switch or valve to touch. COMPLETELY automatic. Also semi-automatic units available.

In the Rainbow Automatic, the nuisance of regenerating has been entirely eliminated. A simple, dependable electric timer does this for you — while you are sleeping.

Regeneration occurs during the night once or oftener each week, depending on how much soft water is required and the use of a Rainbow Automatic is as convenient and trouble-free as an automatic water heater.

Needs salt only 2 to 3 times yearly. Softens—Filters — Removes Iron and Corrosive elements. This new type of regeneration is the greatest advancement in water softening since its discovery. Our jet action backwash method keeps tanks and zeolite clean and fresh for years.

A softener that requires attention is as old fashioned as a water heater that needs to be lit.

No other automatic softener approaches the Rainbow Automatic in simplicity and dependability. Old methods of regenerating have been discarded and our new and improved method takes over.

NO DOWN PAYMENT

You Save 25% By Buying Factory Direct

36 Mos. To Pay

With Rainbow Automatic you always have Soft Water. There are no buttons to push, no indicators to set and NO attention is required for regenerating. No water or salt is wasted because only the quantity necessary to supply actual demand for soft water is used. There is no watching, testing or waiting. LESS salt is required for regenerating. Regeneration is NEVER forgotten or neglected. The savings are GREATER than can possibly be obtained with any non-automatic softener. Capacity up to 175,000 grains per week.

Farmers Eligible For ACP Regardless Of Compliance

Farmers are no longer required to compl, with corn, wheat, and other basic crop allotments in order to be eligible for cost- sharing assistance under the agricultural conservation program. Carl M. Bormet of the local ASC office issued this announcement on the basis of legislation just enacted.

This means farmers are now eligible to participate in the 1955 agricultural program even though they do not comply with basic crop allotment programs. It is under this AC program that the government (under specified conditions) shares with farmers the cost of approved conservation practices such as sod waterways, pasture establishment, limestone, and rock phosphate. In order to participate the farmers must file a request at the ASC office, receive a specific approval from the county committee, and complete practices according to all requirements. Requests can be filed anytime during the year.

* * *

NEW LEGISLATION, warned Mr. Bormet, in no way affects current allotment and marketing quota provisions.

Both marketing quotas and allotments apply to the 1955 crop of wheat. Price support on wheat will not be available on any farm where the acreage classified as wheat is in excess of the allotment. Furthermore, marketing quota penalties are invoked on any farm where the wheat allotment is exceeded, and the acreage of wheat thereon is in excess of 15.

Although quotas do not apply to corn, allotments on the 1955 corn crop are definitely in effect. In no event will a producer be eigible for corn price support unless he complies with such allotment requirements. This means that the acreage classified as corn on a farm must be within the allotment in order for any corn produced on the farm to be eligible for loan or purchase agreement.

* * *

FURTHERMORE, if a producer has an interest in more than one farm, the total corn acreage on all his farms must be within the total allotment on all such farms. Even then he would be eligible only on the particular farms within the allotted acreage.

Although farmers interested in corn price support are urged to plant within their allotment, it is permissible under this year's program to cut back the acreage by plowing or discing, provided this is done August 1.

Feeder Pigs Can Be Profitable

Buying feeder pigs may be the solution for farmers who don't have the housing, labor or equipment to farrow as many pigs as they can profitably feed out for market, says National Live Stock Producer, the nation's leading live stock publication.

However, there's a limit to what you can afford to pay and still make a profit from feeding them.

* * *

IT'S BEST to get paper and pencil and do a little figuring before making that decision. There are four things to consider:

1. What price are you expecting to get for market hogs?
2. How much does the feed cost?
3. How much feed will it take to get your pigs to market weight?
4. What costs are you going to have—labor, equipment, veterinary bills or death losses?

* * *

THE ANSWERS to these will give you a good idea of what you can pay for pigs and still make a profit.

The farmer who buys his pigs has the advantage of only having to predict what is going to happen four months ahead, says the magazine. The man who must decide in September how many sows to keep for breeding purposes is actually trying to predict the market a year ahead.

Record Cow

A registered Guernsey cow, Norgerts Scotsman Jewel, owned by Gertrude McNaught, Elgin, has completed an official advanced registry record of 9,843 pounds of milk and 549 pounds of fat on two times daily milking for 365 days. She started her record as a junior two year-old. This production represents approximately 4651 quarts of high-quality milk.

"Jewel" is the daughter of the registered Guernsey sire, Boulder Bridge Scotsman, that has four tested daughters in the performance register of the American Guernsey cattle club.

Law On The Farm

Crop Insurance

Federal crop insurance is still in the experimental stage. Actuarial data are being collected from all parts of the country to set up a rate structure to insure or to reinsure producers of agricultural products. To date indemnities on most commodities, particularly wheat and on tobacco, have far exceeded the premiums paid.

In 1953, 108 counties participated in crop insurance on corn, and 405 counties on wheat. The 1954 figures have not been published, but the law permitted the Secretary of Agriculture to offer insurance in 100 additional counties.

* * *

IN DETERMINING which new counties are to be added, the secretary must take into consideration the demands of farmers for crop insurance, the extent to which commercial insurance is available, and the risk involved in that county. Federal crop insurance cannot be provided in a county unless at least 200 farmers (or one-third of the farmers growing the insured crop) are signed up — and unless the insured crop brings in an important part of the agricultural income in that county.

Very broad coverage can be offered. The law says that the policy may insure against loss from drought, flood, hail, wind, frost, winterkill, lightning, fire, excessive rain, snow, wildlife, hurrican, tornado, insects and plant disease. Crops that may be insured include wheat, cotton, flax, corn and tobacco.

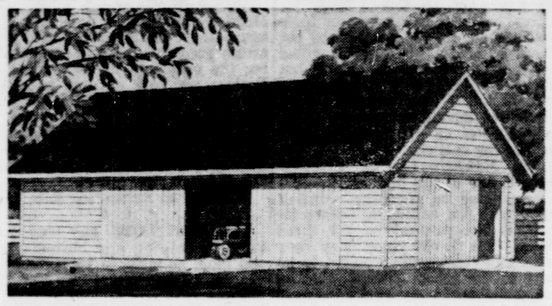
* * *

PRIVATE INSURANCE companies have been writing crop hail insurance for a long time. Loss data are adequate to allow companies to offer a seperate rate for each township in the state. More recently crop fire insurance has been added to the hail policy at very little increase in cost. These companies are now considering a larger crop insurance package to include coverage of such things as drought, windstorms and insect damage.

The missing link in our price-support program is assurance of a crop to support. Possibly this link can be added by crop insurance whereby the farmer either gets the crop or its equivalent in cash.

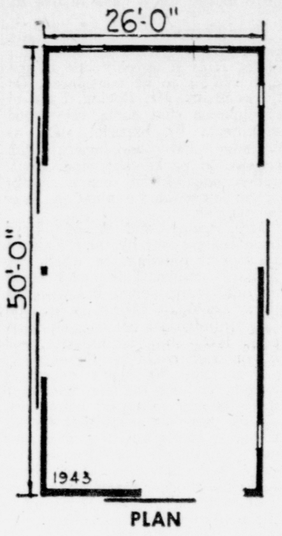
Farmers who are willing to pay someone else for assuming part of their risk can discuss crop insurance with local insurance agents or stop in to see the county ASC committee, which administers the federal crop insurance program.

Farm Construction



THIS HANDY SHED has 4 large doors, each 12 feet wide and 9 feet high. The roof is trussed to permit a clear, open, unobstructed floor area. Inquiries into the use of farm implements reveal that in many cases they rust out before they wear out. Therefore, money spent to protect and prolong life of machinery is little in comparison to replacement cost.

A few dollars worth of lumber will build the sturdy structures illustrated here and will provide a profitable investment. This is a National plan service farm design. See your local retail lumber dealer for blueprint plans and other information.



Two Corns

Researchers at the University of Illinois grow two or three crops of corn a year under artificial conditions in a greenhouse to speed up their studies of disease problems.

Social Security Affects All Farm Help Making Over $100

Farmers paying hired help more than $100 during celendar 1955 are urged to withhold deductions for social security, according to an article appearing in the current issue of the IAA Record.

In explaining some of the rules aplicable to social security coverage of farm employees, the statewide farm bureau magazine attempts to tell how the new law as passed by congress last year extends coverage to hired farm help.

* * *

"THE LAW requires each employer furnish each farm worker a written statement (form SS-14) of his taxable wages and employe tax for each calendar year, on or before January 31 of the next year," the article points out.

Farmer- employers are responsible for the withholding of the tax on wages paid to the employee and also for the reporting and payment of both the employer's and the employee's share of the tax, it adds.

"A tax of 2 per cent will be imposed on the employer and 2 per cent on the employee, making a total of 4 per cent of taxable wages," the article continues.

* * *

THE TAX APPLIES to cash wages paid in any calendar year after 1954, regardless of when the wages were earned, according to the article.

The $100 a year test applies separately to each farm worker, it emphasizes.

"Farmers failing to deduct the employee's tax are required to pay the full 4 per cent tax which incudes the employee's share," according to the Record article.

Farmers or laborers wanting additional information regarding Social Security can obtain it by writing or visting regional, district or branch offices of the Internal Revenue Department.

DOWN ON THE FARM

with Your Farm Adviser CARL F. MEES

Sudan grass is the fastest growing emergency pasture or hay crop that can be put in to provide needed forage for livestock. It is recommended that seeding be delayed until early June and it will supply palatable nutritions pastures starting about the middle of July and continue until a killing frost. Start pasturing when about knee high to the cattle. Not before because of the danger of "Prussic acid poisoning."

For hay pasture and in order to increase the protein content of the say, some men put in a bushel of soybeans 2 weeks or more ahead of the Sudan grass. A new variety "Piper" or Sweet Sudan is recommended over ordinary Sudan. Drill it at the rate of 20 to 25 pounds per acre.

* * *

I ATTENDED an extension meeting recently and heard L. F. Stice, agricultural economics department, University of Illinois, explain to us how much corn and wheat we have on hand. This is getting to be a real problem. If production estimates are correct we will have enough wheat at the end of the harvest season to last us 2 years.

Even though we have had acreage allotments and marketing quotas the past 2 years, we are still accumuating a surplus in addition to the already large supply we had on hand.

* * *

CORN IS NOT quite in such bad shape, while we have a large carry over, we do not have enough to last us 2 years yet. Most of the corn is fed to livestock so the best way to get rid of the corn is to feed more livestock. This may have a tendency to push down livestock but with the rapidly increasing population, more livestock products are needed.

It is estimated by 1962, if our present population increase continues, we would need all we can produce. That is going to be a long time to wait. I'm sure we must find a solution long before then.

* * *

FOR THE PAST several years we in extension service have advocated the use of a good fertility program to increase yields. We still advocate the same practices but let's not try to get yields that are not economical. Jack Claar, agricultural economics department, University of Illinois, stated that our annual fertilizer cost per acre of Farm Bureau Farm Management farms was over $21 for corn.

If we analyze the figures it may be that if we reduced our fertilizer cost per acre, it would naturally reduce our yield some, but in the end our net income may not be reduced.

The law of supply and demand governs price. Let us do our part in trying to get our supply in line with our demand. Even if we have a price support program on corn and wheat, I would like to ask you the question, "What are we going to do with surplus?" You can stockpile it for a while but when the supplies become as huge as they are today, it is a burden for the government to know where or how to store them.

Handy Jim's FIXIN-UP TIPS For the Home

Pigeonholes for Hats

A HANDY pigeonhole file for men's and boys' hats and caps, women's small hats, gloves and purses can be placed on the closet shelf. This collection of separate compartments is simply constructed like the dividers in an egg-crate.

Use sheets of long-wearing Masonite one-eighth inch Presdwood that's smooth on both sides. It may be obtained at any lumber yard. Cut slots with a power saw

the thickness of the boards so they will fit together at right angles.

A good width for each compartment is 13 inches. The height may be varied, depending on the closet.

This pigeonhole storage rack should be made to fit the available space quite snugly, so that it will be steady. Slots for the "legs" may be cut into the wood shelf as an additional bracer.

Sheep Breeders Plan Field Day And Outing June 19

Plans for the fifth annual field day of the Illinois purebred sheep breeders association are rapidly nearing completion under the able leadership of Sherwood and Robert Jackson of Seneca.

This year's program will start at 10 a.m. DST in Illini state park, loria on U.S. Route 6. The 700-acre park has many picnic areas, shade trees, drinking fountains and toilet facilities as well as open playground.

* * *

LOCAL AGRICULTURAL leaders and farm advisers are cooperating with purebred and commercial sheepmen in presenting an interesting one-day program for sheepmen throughout the state. F.F.A. and 4-H members with sheep enterprises and their advisers will find a day of judging, demonstrations of management and work with sheep dogs, discussions and fitting and showing instructions.

There'll also be an association sponsored lamb barbecue at noon, sheep and equipment exhibit, park tour and entertainment. Bring your own picnic accessories for the barbecue.

* * *

HEADQUARTERS for the sheepmen will be at the east main shelter, located 1 mile east of the park entrance. There will be signs indicating its location. Come and greet old friends and meet nev ones.

Steers Gain Faster On Stilbestrol

Stilbestrol is putting faster gains on yearling steers in a test at the University of Illinois.

A. L. Neumann, head of the beef division at the University of Illinois college of agriculture, reports 1 lot of steers being fed 4 pounds of alfalfa hay, 2 pounds of protein and a full feed of shelled corn averaged 3.08 pounds of gain daily for the first 42 days of the experiment.

* * *

SIMILAR YEARLING steers getting no stilbestrol on the same ration except that 20 pounds of corn silage replaces the alfalfa hay have averaged 2.6 pounds.

A third lot of steers on this same corn silage ration plus stilbestrol have been averaging 2.93 pounds.

Neumann says that all these cattle were full-fed during the winter on shelled corn, 1½ pounds of soybean meal, 2 pounds of alfalfa hay and corn silage. Gains from November to March 24, when the prersent stilbestrol test began, averaged 2.4 pounds a head daily.

Dairy Scholarships

Seventeen Illinois dairy plants have donated 22 dairy technology scholarships worth $1,000 each for 4 years of study at the University of Illinois.

Tells Why Sirloin Price Varies In Year

Many a housewife often wonders why she has to pay more for a prime sirloin steak in the fall than she does in the spring.

The reason is there's a larger supply of prime and choice cattle coming to market in the spring, says National Live Stock Producer, the nation's leading live stock publication. That's when farmers sell the cattle they have been feeding corn all winter.

* * *

SINCE SUPPLY of these top grade cattle is larger, the price is lower and you pay less for the best steaks from them.

During the fall, most of the cattle coming to market have been on grass all summer and have been getting little or no corn. They aren't as fat and grade lower.

The cattle that have been corn-fed command a premium. Housewives have to compete with the hotel and Kosher trade for the prime steaks, and the price is high.

Sheep Can Be Profitable

Sheepmen can make $3.27 for each hour spent taking care of sheep, according to National Live Stock Producer, the nation's leading live stock publication.

Records over the past 8 years indicate that sheepmen can achieve these top wages by following 10 steps that put all market lambs into the choice or prime grade when they are sold. There's less profit in selling them at lower grades.

* * *

HERE ARE the steps listed by the magazine that make the sheepmen top wage earners:

1. Feeding milking ewes well.
2. Dock and castrate lambs.
3. Creep-feed lambs.
4. Get rid of ticks and lice.
5. Keep lambs confined until pasture.

* * *

6. **DRENCH EWES** with phenothiazine before pasture.
7. Vaccinate lambs against overeating disease.
9. No bluegrass pasture for lambs after mid-summer.
10. Top lambs out when ready.

Farm Engineering On TV Show Sunday

Agriculture engineering's contribution to more efficient, easier farming will be dramatized on "Farmtown, U.S.A." Sunday, June 5 with guests from the University of Illinois and the American society of agricultural engineers.

Actual demonstrations will show irrigation, automatic milling of farm feeds, and new ideas in farm structures. Harvesting corn by combine is another development agricultural engineering has contributed to make farming better which will be shown.

"Farmtown, U.S.A." can be viewed at 2 p.m. each Sunday on WBBM—TV, channel 2.

THE MAILMAN'S CORNER

BY LELAND ELLIS TRUXELL

Lady bugs are some of the cutest little jiggers you ever saw, and if you watch them eating away at the aphis or other insects and eggs which bother your plants, you will get to love them like a brother.

For years I inhaled nicotine sulphate, lime sulpher, arsenate of led, poisionous soap solutions, during countless hours of spraying flowers and shrubs, of which we have plenty. For the last three years we have used lady bugs on our place, and I haven't pumped a spray gun once. You see a few insects here and there, but the ladies seem to leave just enough for the next day's meal. They also eat some scale diseases such as san jose scale. Our flowers and vegetables are as clean for the most part as though they had been washed off daily.

* * *

TO COUNTERACT plant diseases and fungus growths such as powder mildew, rust, plum rot and so forth, we have been feeding our plants with plenty of dehydrated manures and rock phosphate, plus a generous covering of home made compost, with good results. Each year we have less and less trouble with such plant destroyers.

This year we are trying something new—for us, that is—praying mantis. We sent away for a small box containing 200 mantis eggs. We've got them down in a cold part of the basement where they will remain until the danger of frost is past, then we'll hang them on a tree. In a few days the little mantis, so small they are almost invisible to the naked eye, will hatch, fall to the ground, then start eating and growing. They grow at a prodigious rate, and will soon be large enough to devour big worms and insects which our ladies can't handle.

* * *

THE SURPRISING thing about insect pest control is the small cost The 18,000 lady bugs cost $2.00. Each lady bug eats from 15 to 25 insects a day. Their life cycle is 21 days and in the meantime each mamma lady bug lays from 17 to 21 eggs. Babies eat as much as grownups. We plan on getting three orders of lady bugs ($6.00) and 1 of mantis ($2.00), making $8. We used to spend $35 to $50 for insecticides, plus all the laborous, disagreeable, unhealthful work of spraying. Faith, folks, its wonderful!

Air Force Abandons O'Hare For Wisconsin

The air force plans to move its 1500-man jet fighter-interceptor base from O'Hare Field in Park Ridge to a 4000-acre site at Kansasville, Wis., 20 miles west of Racine. The move is being made in conjunction with the commercial airlines' projected transfer of a portion of their flights from Midway airport to O'Hare Sept. 1.

Volo Votes June 4

Residents of the Volo community consolidated school district 84 will vote June 4 on an addition to the grade school building. A bond issue of $85,000 will be sought to finance two classrooms, a large all-purpose room, additional wash room facilities, and heating plant.

Rolling Meadows

I respect Mr. Roeing's right, along with the other aldermen he mentioned in his letter, to have a difference of opinion. I hope his letter indicates a change in their attitude toward the people who put them in office. Many of us voted for people we did not know but those we thought would honestly put up a fair sportsman-like fight based on sound judgement, facts, and figures on all issues brought before the council.

Mr. Roeing's figures involved only a few of the items to be considered and he concerned himself only with the additional homes involved but whether or not these homes are in our community they represent the same problem to us and to the school district. Had he not misplaced a decimal I too may have looked for a cave to live in.

* * *

OUR SCHOOLS will always be a problem taxwise but in the matter of lot sizes it is only one of the many items to be considered. On the contrary, Mr. Roeing, I am of the opinion that some very good arguments by experts, such as drainage, and other benefits with respect to parks, shopping areas, and schools with no serious change in the tax or land evaluation, have been given.

Mr. Roeing and friends have been conspicuous by their absence at council meetings to which the public is invited. This may be good political maneuvering but with the many problems facing the council this attitude does not suggest character leadership, or integrity, and if condoned could scuttle our city government. We don't expect a perfect council but we are intelligent enough to expect better reasoning than the point that an association labels an issue or a man no good. In any case we want to know your stand on each issue and why in order that we may support the men who are living up to the obligations of their office.

Insignificant

Is it true that the school tax structure will be affected by smaller lots in Rolling Meadows as four aldermen claim?

If so, why has not the school district itself come forward to say so? They certainly know more about the school problems than these four aldermen do.

I suggest that the reason they haven't come forward is because they know that the difference in taxes between a 60 x 130 lot and a 60 x 167 lot is so insignificant that it won't affect the school tax situation at all.

City Business

I thought that aldermen were elected to take care of city business. If I am to believe what I hear aldermen Roeing, Hickey, Faber and Goodpasture are attending meetings of the Home Owners' Association, and making statements for publication in the Arlington Herald and the Chicago Tribune. In fact they seem to be doing everything except what they were elected for!

Isn't there anything that can be done to get them to do what is right?

Phone Numbers

This is an open letter to Aldermen Roeing, Hickey, Faber and Goodpasture:

Apparently the people of Rolling Meadows elected you aldermen because they thought you would exercise good judgment in representing the people in the city council. Besides you took an oath to faithfully discharge the duties of your office.

In intentionally failing to attend meetings you are neither representing the people nor discharging the duties of your office.

There is no excuse for this!

* * *

YOU CAN VOTE any way you want to vote on any business but you have no right to keep the city council from operating by not appearing.

Besides the harm to your own reputations think of the ridicule you cause our city in the eyes of the neighboring communities. Wake up, aldermen, to the way the people feel about your failure to attend meetings. Be men and either go to the meetings and vote your feelings or resign so that the city can operate.

I am listing your phone numbers so that any interested citizen can call and inform you personally of the way he feels.

Alderman Roeing — CLearbrook 5-0283.

Alderman Faber — Clearbrook 3-7216.

Alderman Goodpasture — Clearbrook 3-7809.

Park District

There will be a park district election in Mt. Prospect Saturday, June 4. The voters will be asked to approve a park district and elect 5 park commissioners. These commissioners will serve without pay. There are 7 men and 1 woman running for park commissioner. I am that woman.

I was asked to run by the citizens for parks committee. I accepted because I felt the women's viewpoint should be represented on the park board. I am the only candidate in the northeast area of the proposed park district.

I am a member of the board of directors of the local league of women voters. I have served as a blood bank chairman for the Red Cross. I am a member of St. John's Episcopal church. I attended the University of Iowa where I qualified as an elementary school teacher.

We and our children need parks and the recreational facilities a park district can provide. Our children need places to play that are safe, well-equipped, and, above all, close to home. They need a place where the whole family can have a good time together.

I hope you will approve the proposed Mount Prospect park district June 4. I hope you will feel I am qualified to serve as park commissioner and will give me the opportunity to serve our community on the Park Board.

Free Blood

Blood and blood derivatives provided to hospitals by the American Red Cross are made available to the patient without charge for the product itself.

It wasn't ol' man weather, it was Sgt. Ray Jahnke of Arlington Heights police force that felled the decorative (?) subdivider's post of the 1930 era at Walnut and George in Heights. Police received a report the post was in dangerous condition Thursday night, that it might hurt children who use the posts as forts, battleships, and mountains.

Sgt. Jahnke pushed the post over by hand, just before the evening's electrical storm took over. Nearby residents the next morning presumed the destructive force was lightning, rather than the arm of the law. —Staff Photo

The Other Side

I'm getting tired of all this talk of doctors not being available. In every instance thus far in the paper my husband has been home or there has been a message left as to where he can be reached. Perhaps there's more than one side to each story. Most people are considerate of a doctor's time, but others think he should sit next to a phone at all hours in case they might need him. Many's the time we've missed an engagement or been late because of an emergency, my husband has never refused one yet, but of course he can't come if he's busy at the hospital or traveling between house calls or home and hospital.

I'm sure the doctors would much rather have a hospital close by than to spend time traveling forty miles to and from the hospital daily and sometimes twice daily.

I would just like to add this — Doctors are human too, and as such they need rest and leisure time; they also have homes and families.

* * *

IF PATIENTS would just

1. Not phone the doctor's residence at dinner time to make an office appointment or ask if doctor has office hours or about his or her spouses condition — after all the doctor doesn't carry his file with him.
2. Write down your instructions when someone is sick and not call if Johnny or Jane can get up—all those instructions were given you previously.
3. Take a patient's temperature before calling the doctor.
4. Don't wait until late at night when Johnny's temperature was 103-105 degrees all day because maybe aspirin might break the fever and save you the house call fee.
5. Confine your calls to emergencies on week ends and Wednesday and not to cases where fever has been persistent two or three days previously.

Give your doctor some rest and he'll be able to serve you better.

Northwest YMCA

Gentlemen:

We wish to thank Northwest Suburban YMCA for the work it did in making our participation in the University of Good Government possible.

This program enabled not only us but our respective clubs to profit from the experience we had both in Chicago and Springfield, and also provided us with the opportunity to learn about the processes of our government on the local, state, and national levels. Besides learning a great deal, we also enjoyed ourselves thoroughly by participating in the various parts of the program, particularly at the Governor's Ball in Springfield. The banquet given for all of us at the Palmer House was a fitting climax for the University of Good Government Program.

The Northwest Suburban YMCA has provided an excellent opportunity for the development of youth interest in government. We know that this program will be an even greater success in the years to come than it was this past year. We again express our appreciation.

Lost! 4 Aldermen

Community pride in Rolling Meadows has been a wonder to behold. Helping hands at every turn have made us envied by many a village. Problems and propositions for our general welfare have been met and passed on by the majority.

Citizens voted themselves in favor of incorporation. Citizens also presented themselves to be public servants of our new city. Again the majority expressed themselves and after the hard campaigns and still harder words, majority and minority were possessors of our first city fathers.

Healthy is the condition where government finds itself with an equal division of party lines. We again are fortunate for this way no one loses, every voter is a winner and every losing candidate also wins for half a platform is better than none.

All of these things have been true, yet conditions evident at our new city council meetings indicate a coming dissipation. There will be no meeting of minds until those concerned realize that losers are not losers.

Men who believe in their qualifications for public office do not lose their qualifications by losing an election. The same sense of duty making them candidates should compel them to offer assistance to our city in the many tasks ahead. Men will make these tasks light.

"Winners" on the "losing" side are public servants who must answer to all the people, not to their less fortunate party affiliations.

It is the duty of the voters who have by their votes made us a city and by their votes given us our first city government to insist on this government finding the necessary unity to fulfill our hopes for Rolling Meadows.

Smaller Lots

I am a resident of Rolling Meadows who personally favors smaller lots. In reading all of what has appeared in the newspapers, however, it appears that there are agruments on both sides so that I am willing to let the city officials decide it in the way they decide other things —by their vote.

But no matter what any alderman feels about lot sizes or any other issue he shouldn't keep the city from handling its routine business by staying away from meetings. The difference in the lot sizes involved isn't so great that the city should be made to stand still.

The people want things done and the aldermen staying away should realize this!

Woman's Club

On behalf of the Arlington Heights Woman's club, I would like to thank you and especially Mrs. Marianne Scott, society editor, for your wonderful help and cooperation in publicizing the club's activities during the past 12 months.

It may interest you to know that our publicity scrap book tied for first place in its class in the seventh district of the Illinois federation of women's clubs press book awards, and received third place in the northern region contest. Since one of the qualifications judged was the amount of printed linage, we are indeed indebted to Paddock Publications.

We sincerely appreciate your assistance in bringing our programs to the attention of your readers.

QUITE CONTRARY

BY MARY

Every once in a while, in spite of rigid control, nostalgia hits us. We don't hanker after the memory of anyone or of any particular age. It is that every so often we wish we feel about things as we did in our early youth.

We can remember life on the farm. Farm life to us was the best life there was. Of course, we realize now that our near and dear relatives worked from dawn to dark to get things done. But, to us it was a big long swing in the barn. That swing was fastened to the cross beams of the hay loft and when swung in, would put the swinger right out of the barn door. It was like flying and pretty scary too.

Then when we would take an amble down to the woods, the lane always had a bluebird on the fence and he always had a song. Once in the woods, we had a secret place where one was surrounded by fir trees but by lying on one's back one could see the sky and the clouds drifting along.

We think that is when we knew what peace of mind really was. Of course the fact that we had no troubles, no worries, and no responsibilities beyond being at the supper table in time for chow might have had something to do with our calm outlook on the world. But, boy oh boy, what we wouldn't give to be as brainless as we were then. Now, if we attempt to capture some measure of peace by the lying on the back process, either the dog steps on our face or a child rushes up and wants to know if we are sick or sumpin.

Nowadays, when a person gets out of sorts and goes staggering after that will-o'-the-wisp, a quiet mind, he goes out and buys a book. And, what a wide choice of this kind of thing there is. There is Peace of Mind, How to Have Quiet Nerves, Power Through Quiet Thinking, Power Through Unquiet Thinking, How to Think, How Not To Think and so on ad infinitum.

Hoping to capture some of this power we have more or less delved into a number of these tomes. In one way, they are very quieting. They invariably put us to sleep. And yet, there are those for whom they have done wonders. The conclusion that we have reached is that we are just as brainless as we were away back when, even if we have become jittery.

Well, back out to the lawn for a little sky gazing until one or the other, wild or human life, puts a foot in our face. It's the only method we have left.

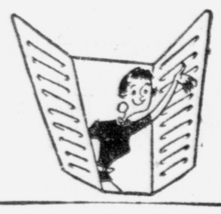
JUST AROUND THE CORNER



from Patty McArdle

Dear Peg:

I don't know whether I mentioned it or not before, but Bridget and I have been going to kindergarten every morning, since the first of May. You see, what happened was that our teacher's young assistant left to get ready for her June wedding and to make matters worse, she left just at the time that the entire class was to start rehearsing its graduation exercises.

This left teacher alone with her 85 little kiddies all attending the morning session! Actually, she had known for some time that her assistant was leaving and had several posibilities lined up for finishing the year.

However, as soon as I learned about the situation, I volunteered my services, since being a room mother, I have learned to know the children quite well and enjoy working with them. Also, I knew it would take some one who could play the piano to help them rehearse their songs and their marching in and out.

* * *

TEACHER WAS DELIGHTED with my offer, Megan was thrilled to have "Mama" in the midst of all the activity and Bridget couldn't believe it when I finally let her go into the school, the first morning we all went together—as she had begged every morning since last September to go to school with Megan.

Now, let me say before I go on, dear, that many people think kindergarten graduations are positively stupid—in fact, maybe you're one of them—in fact, I was one of them! I objected strongly when first I heard that the school was to have such an affair. Through my discussions with the principal, the teacher and several mothers, I learned that the parents were the ones who wanted it continued, as they voted it in each year (I must have missed the very first meeting in September.)

* * *

EVEN WHEN WE BEGAN rehearsing, I still thought it was a waste of time, a burden to the teacher, a silly mockery and a tiresome ordeal for the children, for no good reason, except to give the parents a chance to see how "cute" or how funny their children look in caps and gowns, saying poems and singing songs that no one can hear or understand.

During the last three weeks, I have changed my mind completely—regarding the program, that is (I still think their own little dresses and suits would be more attractive than caps and gowns.) I am amazed to hear how well they stay together when reciting and how closely they listen to the tempo of the music when singing. I do believe their parents will even be able to understand them. They really are just darling when they're standing up straight with their tiny hands folded in front of them and looking so serious.

* * *

IF THERE IS THE slightest delay in our morning rehearsal, you can be sure that some one will ask "When are we going to rehearse?" They obviously enjoy walking in, single file, to the sprightly little march that I play for them and seem to really like reciting and singing.

If they do as well on graduation day as they've been doing each morning the program will be very sweet and enjoyable. June 5 will tell the tale—I'll let you know what happens.

My love,
Patty.
